Special Regulations

In the issue of this Gazette dated Tuesday, 22nd August 1961, the announcement of the making of the Construction (Lifting Operations) Regulations, 1961, and the Construction (General Provisions) Regulations, 1961, inadvertently appeared under the heading "Draft Special Regulations" whereas the Regulations were made by the Minister of Labour on 15th August 1961 and published as Statutory Instruments on 22nd August 1961.

Certification Trade Mark No. 584042

At the request of the Minister of Labour the Registrar of the Patent Office has cancelled the entry in the Trade Marks Register relating to Certification Trade Mark No. 584042, use of which has hitherto been licensed by the Minister to manufacturers of dust respirators conforming to the specification of the Mark. The dust respirators affected by the cancellation are the Mark IV manufactured by J. E. Baxter & Co. Ltd., Leyland, near Preston, Lancs, and Siebe, Gorman & Co. Ltd., Chessington, Surrey, and the Microfilter manufactured by Siebe, Gorman & Co. Ltd. These respirators continue to be approved by H.M. Chief Inspector of Factories for the purposes of the Asbestos Industry Regulations, 1931, the Iron and Steel Foundries Regulations, 1953, and the Pottery (Health and Welfare) Special Regulations, 1950, together with certain other models of dust respirators which have not in the past been covered by the Certification Trade Mark Scheme.

25th August 1961.
