#### UNEMPLOYMENT INSURANCE ACT (NORTHERN IRELAND), 1936.

NOTICE is hereby given that the Unemployment Insurance (Insurance Industry Special Scheme) (Amendment) (No. 2) Order (Northern Ireland), 1947, has been made by the Ministry of Labour and National Insurance under the above-mentioned Act.

Ministry of Labour and National Insurance,  
Stormont, Belfast.

16th April, 1947.

The Civil Service Commissioners for Northern Ireland hereby give notice that the following Regulations are published with the approval of the Ministry of Finance for Northern Ireland, and, in so far as they apply to appointments in the County Court Service, with the concurrence of the Ministry of Home Affairs for Northern Ireland.

#### REGULATIONS RESPECTING OPEN COMPETITIONS FOR THE SITUATION OF CLERK IN THE CIVIL SERVICE OF NORTHERN IRELAND.

##### 1. AGE.

If a competition begins in one of the first six months of any year candidates must be of or over the age of 17 and under the age of 20 on the 1st March in that year. If a competition begins in one of the last six months of the year candidates must be of or over the age of 17 and under the age of 20 on the 1st September in that year.

Candidates may, however, deduct from their ages for the purposes of bringing them within the prescribed upper limit

- (a) any time served in the Royal Navy, the Army or the Royal Air Force or the corresponding Womens' Services ;
- (b) any time, not exceeding two years, served in an established situation in the Civil Service of Northern Ireland.

##### 2. SEX.

Both men and women may compete under these Regulations. Women candidates must be unmarried or widows and if appointed will be required to resign their appointments on marriage.

##### 3. NATIONALITY.

Candidates must be either natural born or naturalised British subjects and must satisfy the Commissioners that they are ordinarily resident in the United Kingdom.

NOTE :—Candidates will be regarded as ordinarily resident in the United Kingdom if they can satisfy the Commissioners that they are domiciled therein or that since the 3rd September, 1939, their normal place of residence has been within the United Kingdom. A period of absence from the United Kingdom on national service will not in itself prevent a candidate from being regarded as normally resident in the United Kingdom for this purpose.

##### 4. HEALTH AND CHARACTER.

Successful candidates must satisfy the Commissioners as to their health and character.

NOTE :—All persons before being appointed to an established situation in the Civil Service of Northern Ireland are required to undergo a strict medical examination supplemented, when necessary, by an examination by a specialist. The object of the examination is to ascertain whether candidates are physically fit to perform the duties of the post which they seek and are likely to render continuous and effective service until they attain the normal age for retiring on pension. Each case is considered on its merits and the Commissioners are not prepared to give prospective decisions on individual cases or to afford further information on the subject than to point out that constitutional delicacy, poor physique, diseases of the heart and lungs, defective vision and hearing and persistent albuminuria may be causes for the rejection of a candidate. The Commissioners are empowered under certain conditions to modify the usual standard of physical fitness in favour of persons whose health has been impaired by service in H.M. Forces during war, or who have sustained a war service injury.

##### 5. EXAMINATION.

The competition consists of :—

Part I—Compulsory Subjects :—	Marks
1. English Language ... ..	200
2. Arithmetic ... ..	100
3. One of the following Languages— Latin, Greek, French, Spanish and German ... ..	100

## Part II—Three of the following Optional Subjects:

7. English Literature (if not offered under Part I) ... ..	100
8. Physics ... ..	100

10. Book-keeping & Industrial History ... ..	100
11. History ... ..	100
12. Geography ... ..	100
13. Additional Mathematics ... ..	100
14. Advanced Mathematics I ... ..	100
15. Advanced Mathematics II ... ..	100
16. Botany ... ..	100

## Part III—Interview ... .. 200

Those candidates who, from the statements in their application forms, are found to be *prima facie* eligible will undergo the written examination. Of the candidates who obtain the highest aggregate marks in the written examination a certain number, to be determined by the Commissioners, will be summoned to the interview, at which an Interviewing Board will award each candidate a mark for his record and personal qualities.

The order of merit of the candidates will be determined by combining the marks for written examination and interview. Successful candidates must obtain such an aggregate number of marks in the competition as a whole as will satisfy the Commissioners.

Each candidate will be examined at such time and place as the Commissioners may determine.

The number of successful candidates will be determined by the Commissioners regard being had to the number and ability of the competitors.

## 6. CANDIDATES TRAINED AS TEACHERS.

Candidates upon whose training for the occupation of teacher public money has been spent, cannot be appointed until the consent of the Ministry of Finance has been notified to the Commissioners.

## 7. ASSIGNMENT.

The Commissioners will decide to which Department each successful candidate is to be assigned. Assignments will be made in accordance with the needs of the public service, but the wishes of the candidates will, where possible, be taken into account. Candidates may be required to serve in any part of Northern Ireland.

## 8. FEES.

A fee of 5s. is payable by all candidates. This must be sent with the application form and is not returnable.

## 9. TRAVELLING EXPENSES.

Where the cost of travel at the lowest rate from any part of the United Kingdom to the examination centre exceeds £1, the amount of the excess will be refunded to the candidate.

## 10. GENERAL.

No person who is undergoing a course of study with the aid of a grant from public funds shall be eligible to compete before the completion of the

course, unless he or she has previously obtained permission to do so from the authority which administers the grant.

Candidates must apply on the appropriate form within the time and in the manner of which notice is given by the Commissioners.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointment.

The Commissioners further give notice of a Competition to be held in Belfast during August, 1947, under the foregoing Regulations.

No person will be admitted to the competition from whom the Secretary of the Civil Service Commission has not received, on or before the 15th July, 1947, an application in the candidate's own handwriting on the prescribed form which can be obtained from the Secretary.
