*Order Confirming Scheme for the Main River
Co. Antrim*

Whereas the Ministry of Agriculture for Northern Ireland (hereinafter called "the Ministry") is of the opinion that the execution of drainage works on that part of the Main River which the Drainage Council for Northern Ireland have determined should be treated as a main watercourse for the purpose of the Drainage Act (Northern Ireland) 1947 (Reprint to 1952) (hereinafter referred to as "the Act") is expedient for the drainage of land in the area of the said river.

And whereas H. McM. Taggart, B.Sc., M.I.C.E., Chief Engineer of the Ministry of Finance for Northern Ireland, prepared on 30th November, 1964, on behalf of the Ministry a report embodying a drainage scheme in accordance with the provisions of Section 4 of the Act for the execution of drainage works on the said river (hereinafter referred to as "the Scheme").

And whereas on 5th February, 1965, a copy of the Scheme together with an estimate of the cost thereof was sent by the Ministry to Antrim County Council and Ballymena Rural District Council in accordance with the provisions of Section 5(1)(a) of the Act and a notice stating that the Scheme had been prepared was duly published in the Belfast Gazette on 12th February, 1965, and in three newspapers during the week ended 12th February, 1965, in accordance with the provisions of Section 5 (1) (b) of the Act.

And whereas the Antrim County Council and Ballymena Rural District Council caused copies of the Scheme to be exhibited in their principal offices during the period from 12th February to 12th March, 1965, inclusive, in accordance with the provisions of Section 5(2)(a) of the Act.

And whereas the only authority charged with the maintenance of any road, bridge or culvert which appears as likely to be affected by the execution of the Scheme is the Antrim County Council.

And whereas no observations in regard to the Scheme have been received by the Ministry from the Antrim County Council.

And whereas the only observation received in regard to the Scheme from interested persons has been considered in accordance with Section 6(a) of the Act.

Now therefore the Ministry in pursuance of the provisions of Section 6(c) of the Act by this Order confirms the Scheme.

L.S. Sealed with the Official Seal of the Ministry of Agriculture for Northern Ireland this 18th day of August, 1965, in the presence of:

J. V. Bateman, Assistant Secretary.
