Regulations (Northern Ireland) 1991*

The Department of Economic Development has made Regulations under the Weights and Measures (Northern Ireland) Order 1981 entitled "Weights and Measures (Marking and Abbreviations of Units) Regulations (Northern Ireland)" (S.R. 1991 No. 320).

These Regulations consolidate with amendments the Weights and Measures (Marking and Abbreviations) Regulations (Northern Ireland) 1976 as amended. They come into operation on 2nd September, 1991. Part II makes provision as to the manner in which quantities are to be marked on those containers of goods which are required to be marked under the Weights and Measures (Northern Ireland) Order 1981 ("the Order") with information as to quantity. They also make provision for the units of measurement to be used in marking the containers required to be marked under Part V of the Order.

In respect of containers required to be marked by or under Part V of the Order with information as to quantity contravention of regulation 3, 4, 5, 6, 7 or 8 gives rise to an offence under Article 19(6) of the Order. In respect of containers required to be marked by or under Article 30(1A) or 31(5) or (5A) of the Order with information as to quantity contravention of regulation 3, 4, 5, 6, 7 or 8 gives rise to an offence under Article 32(1) of the Order. Part III makes provision with respect to the abbreviations of (or symbols for) units of measurement which may lawfully be used for trade, other than for the purpose of marking weighing or measuring equipment. Contravention of this Part is an offence under Article 13(1) of the Order. The penalty on summary conviction for this offence is a fine not exceeding level 3 on the standard scale (currently £400).

A number of detailed provisions in the 1976 Regulations have been omitted as to the manner of quantity marking having regard to the provisions for legibility and position of marking which has to be easy to understand, clearly legible and indelible and easily visible under normal conditions of purchase. Detailed restrictions on the use of fractions of imperial and metric units of measurement have also been omitted.

The separate provisions in regulation 10(7) of the Weights and Measures (Packaged Goods) Regulations (Northern Ireland) 1990, which prescribed the manner in which quantity marking statements are marked on packages sold by weight or volume under the system commonly known as "the average system", are now replaced by these Regulations.
