### DEPARTMENT OF AGRICULTURE

FISHERIES ACT (NORTHERN IRELAND) 1966,  
AS AMENDED

*Application to Amend Fish Culture and Shellfish Fishery  
Licences*

Notice is hereby given that Mr. J. N. S. Stephens, trading as Subaquaculture, Bishops Mills, Abbacy Road, Portaferry, Co. Down BT22 1HH in pursuance of the provisions of the above Act, has made application to the Department of Agriculture for Northern Ireland to amend his existing fish culture and shellfish fishery licences for his site in Strangford Lough.

The existing licences authorise the cultivation of scallops and the applicant is seeking the amendment in order to enable him to cultivate mussels (*Mytilus edulis*) within the same licensed area. The culture technique to be used will involve the cultivation of mussels on long lines suspended from rafts. All structures will be submerged to a depth of 10 metres and secured to the sea bed. A similar technique is already used under the terms of the existing licences for the cultivation of scallops.

The application, including a map showing the location of the existing licensed area, may be examined at the Department of Agriculture, Fisheries Division, Annexe 5, Castle Grounds, Stormont, Belfast BT4 3PW between 1000-1200 and 1400 and 1600 hours Monday to Friday, excluding Public Holidays.

Any objections to the applications must be presented in writing to the Department of Agriculture for Northern Ireland at the aforementioned address on or before 15th November, 1995.
