## PART III.

Interview ... ..	800
------------------	-----

Part of the examinations in Physics and Chemistry will be practical, and part of the examinations in French and German will be oral. The practical and oral examinations will be held either during the course of the written examinations or immediately before or after them.

All the subjects in Part I. must be taken, and candidates may also offer subjects in Part II. aggregating marks up to, but not exceeding, a total of 1,000. Of the candidates who obtain the highest aggregate marks in Parts I. and II. a certain number, to be determined by the Civil Service Commissioners in relation to the number of situations to be filled, and taken in order of merit, will be summoned to Part III. (Interview), which will take place at a later date than the other parts of the competition. The final list of candidates eligible for appointment will be made up by uniting the results of the three parts of the competition, and those candidates who secure the highest aggregate marks will be declared successful.

6. Candidates must obtain such an aggregate number of marks in the competition as a whole as shall indicate, in the judgment of the Commissioners, that they possess a competent amount of general proficiency.

7. No expenses in connection with attendance at any part of the competition will be allowed.

8. Successful candidates will be required to furnish satisfactory evidence respecting age, physical fitness, and character.

9. From the list resulting from an examination will be filled (provided there be candidates duly qualified) the vacancies that have been announced when the result is ready for issue, and such additional vacancies, if any, as it may be decided to fill.

It will rest with the Civil Service Commissioners to determine the Departments to which the successful candidates shall be assigned. In making the assignments the Commissioners will be guided by the requirements of the public service. Subject to this condition, the wishes of candidates will, where possible, be respected.

The Commissioners further give notice of a Competition to be held under the foregoing Regulations, the written examinations commencing in Belfast on the 16th September, 1935.

No person will be admitted to the Competition from whom the Secretary of the Civil Service Commission has not received on or before the 31st July, 1935, an application in the candidate's own handwriting on the prescribed form, which can be obtained from the Secretary.
