CONSULTATION ON THE TIMETABLE AND WORK PROGRAMME FOR DEVELOPMENT OF THE SECOND CYCLE RIVER BASIN MANAGEMENT PLANS 2015-2021

The Department has published a consultation paper outlining its proposals for the timetable and work programme for the development of the second cycle River Basin Management Plans in accordance with the requirements of regulation 13.(1) of the Water Environment (Water Framework Directive) Regulations (Northern Ireland) 2003.

In December 2009, the Department published the first set of River Basin Management Plans for Northern Ireland covering the North Eastern, Neagh Bann and North Western River Basin Districts. The plans outlined what would be done to protect and improve the water environment in Northern Ireland. The Department is now required to publish updated plans by December 2015 which will cover the period from December 2015 to 2021. The Department is consulting on the timetable and the work programme for the development of the updated plans and seeking views on how the Department can improve the development of these plans.

If you are interested in getting involved and responding to the consultation the document can be viewed on the Department's website at www.doeni.gov.uk/niea and click on the consultations tab.

For queries on the consultation contact (028) 92623004. The consultation period will close on 22 June 2013.
