**Land Drainage****Department of the Environment****SIGNIFICANT WATER MANAGEMENT ISSUES CONSULTATION**

The Department has published the Significant Water Management Issues overview reports for the three river basin districts in Northern Ireland for consultation.

The reports for the North Eastern, North Western and Neagh Bann River Basin Districts set out the latest assessment of the pressures and impacts on the water environment; describe the progress we have made towards achieving our objectives for 2015; and explain the significant water management issues that we still need to address.

This public consultation gives you the opportunity to give your views on the water management issues which you believe need to be tackled most urgently or which are the most important. The reports can be viewed on the Department's website at www.doeni.gov.uk/niea by

clicking on the consultations tab. The consultation period will close on 22 June 2014.

For queries on the consultation contact (028) 92 623004. You can respond to this consultation by email to riverbasinplanning@doeni.gov.uk or in writing to:
