The Department of Agriculture and Rural Development has made a Statutory Rule entitled "The Common Agricultural Policy Single Payment and Support Schemes (Cross Compliance) (Amendment) Regulations (Northern Ireland) 2014". (S.R. 2014 No.1), which comes into operation on 10 February 2014.

This rule gives effect to a change in the underpinning European legislation which removes the Protection of Groundwater against Pollution Statutory Management Requirement (SMR) from the list of SMRs and instead makes it a Standard of Good Agricultural and Environmental Condition.
