(2) Unless otherwise defined in this Specification and unless the context otherwise requires, expressions used in this Specification shall have the same respective meanings as in the Transport Act 2000 and the Air Navigation Order 2009(b).

Charges for services provided by the Governments of Denmark and Iceland

4.-(1) In respect of each crossing between Europe and North America by an aircraft, wherever registered, in the course of which the aircraft is at any time north of the 45th parallel North between the meridians of 15° West and 50° West, the operator of the aircraft shall, upon completion of the crossing, pay to NSL a charge of £32.83 computed as follows:

in respect of chargeable air services provided by the Government of Denmark for such crossings £5.49.

in respect of chargeable air services provided by the Government of Iceland for such crossings £27.34.

(2) If an aircraft, wherever registered, without making a crossing between Europe and North America, makes one of the following crossings, that is to say between Greenland and Canada, Greenland and the United States of America, Greenland and Iceland or Iceland and Europe, the operator of the aircraft shall pay to NSL in respect of each crossing upon completion thereof, one third of the amount of the charges specified in sub-paragraph (1).

(3) If an aircraft, wherever registered, without making a crossing between Europe and North America, makes one of the following crossings, that is to say between Greenland and Europe, Iceland and Canada or Iceland and the United States of America, the operator of the aircraft shall pay to NSL in respect of each crossing upon completion thereof, two thirds of the amount of the charges specified in sub-paragraph (1).

(4) If an aircraft, wherever registered, without making a crossing for which a charge is specified in sub-paragraph (1), (2) or (3), makes a crossing

(a) between any point and Europe, or

(b) between any point and Iceland

in the course of which the aircraft does not cross the coast of North America but does cross the meridian of 30° West north of the 45th parallel North, the operator shall pay to NSL in respect of each crossing upon completion thereof, one third of the amount of the charges specified in sub-paragraph (1).

(5) If an aircraft, wherever registered, flies within the Reykjavik and NUUK FIRs, the operator of the aircraft shall pay to NSL the following charges in addition to the charges set out in paragraphs 4(1) to 4(4) above –

(b) "Europe" shall not include Iceland or the Azores.

Circumstances in which charges are payable by the owner

5. If NSL is unable, after taking reasonable steps, to ascertain who is the operator, it may give notice to the owner of the aircraft that it will treat him as the operator for the purposes of this Specification until he establishes to the reasonable satisfaction of NSL that some other person is the operator; and from the time when the notice is given NSL shall be entitled, for so long as the owner is unable to establish as aforesaid that some other person is the operator, to treat the owner as if he were the operator, and for that purpose the provisions of this Specification (other than this paragraph) shall apply to the owner as if he were the operator.

Interest on late payment

6.-(1) If the amount of the charge payable under paragraph 4 is not paid in cleared funds by the operator of the aircraft within 30 days of the date payment is demanded by NSL, interest calculated in accordance with sub-paragraph (2) below on the unpaid amount shall be paid from that day until the date when cleared funds are received by NSL.

(2) Interest payable under sub-paragraph (1) shall be simple interest calculated from day to day at the rate of 9.72%.

Disposal by NSL of charges received under the Specification

7.-(1) Subject to sub-paragraphs (2) and (3) of this paragraph, NSL shall remit to the Governments of Denmark and Iceland such sums as it may receive under this Specification in respect of chargeable air services provided respectively by those Governments.

(2) With respect to those charges provided for in paragraphs 4(1) to (4) above, NSL shall deduct from the sums so received a sum of 1.40% thereof and shall remit this sum to the International Civil Aviation Organisation in respect of chargeable air services provided by that Organisation.

EXPLANATORY NOTE

(This note is not part of the Specification)

This Specification revokes and replaces the Civil Aviation Authority (Denmark and Iceland Charges) Specification 2019.

The element of the charge payable in respect of air navigation services provided by the Government of Denmark is reduced from £8.86 to £5.49. The element of the charge payable in respect of air navigation services provided by the Government of Iceland is reduced from £31.14 to £27.34. The total charge payable in respect of crossings between Europe and North America is thus reduced from £40.00 to £32.83 (paragraph 4(1)).

There are further charges (paragraph 4(5)) in addition to those stated above as follows:

(a) in respect of chargeable air services provided by the Government of Denmark the charge per unit of 100 km flown in the Reykjavik and NUUK FIRs is reduced from £1.17 to £1.12; and

(b) in respect of chargeable air services provided by the Government of Iceland the charge per unit of 100 km flown in the Reykjavik and NUUK FIRs is reduced from £15.41 to £13.47; and

(c) in respect of flights which do not exceed FL285 within the Reykjavik and NUUK FIRs and in respect of all flights to or from aerodromes in Greenland, the charges set out at paragraphs (a) and (b) above shall be reduced by half.

The interest rate payable is increased from 9.68% to 9.72% (paragraph 6(2)).

The charges are payable in pursuance of the Agreements on the Joint Financing of certain Air Navigation Services respectively in Greenland and the Faroe Islands and in Iceland, opened for signature in Geneva on 25th September 1956 (Cmnd. Nos. 677 and 678) as amended by the Protocols opened for signature at Montreal on 3rd November 1982 (Cmnd. Nos. 8844 and 8845) and as amended in 2008 pursuant to an ICAO State Letter IND/07/13 dated 12 July 2007.

In consequence of a decision of the Council of the International Civil Aviation Organisation the sum which is to be deducted by NSL from the charges received and remitted to that Organisation in respect of chargeable air services provided by it is reduced from 1.45% to 1.40% (paragraph 7(2)). Additionally, the Council has established (pursuant to Article VI of the Arrangement on the Joint Financing of a North Atlantic Height Monitoring System) that the NAT RVSM user charge for the year 2020 is £0.78 per aircraft crossing. This figure is expressed as a percentage of the charge payable pursuant to paragraph 4 (paragraph 7(3)).

The charges are required to be remitted to the Governments of Denmark and Iceland subject to the deduction of a fee not exceeding 1.77% for NSL's expenses in billing and collection (paragraph 7(4)).

SPECIFICATION BY THE CIVIL AVIATION AUTHORITY

THE CIVIL AVIATION AUTHORITY (EUROCONTROL CHARGES)

SPECIFICATION 2020

TAKING EFFECT ON 1ST JANUARY 2020

The Civil Aviation Authority ("CAA"), in exercise of the powers conferred by sections 73, 74, 75 and 78 of the Transport Act 2000(a), hereby makes the following Specification:

Citation and commencement

1. This Specification may be cited as the Civil Aviation Authority (Eurocontrol Charges) Specification 2018 and shall take effect on 1st January 2020.

Revocation

2. The Civil Aviation Authority (Eurocontrol Charges) Specification 2019 is hereby revoked.

Interpretation

3.-(1) In this Specification -

"AIP" in relation to a country other than the United Kingdom means a document in force at the date of the making of this Specification, entitled "Aeronautical Information Publication" or "AIP" and published under the authority of that country;

"Eurocontrol" has the meaning given by section 24 of the Civil Aviation Act 1982(b);

"FIR" means "Flight Information Region";

"specified airspace" means the airspace of a FIR described as set forth in columns (1) and (2) of the Schedule hereto;

"United Kingdom Air Pilot" means the document so entitled in force at the date of the making of this Specification and published under the authority of the CAA.

(2) Unless otherwise defined in this Specification expressions used in this Specification shall have the same meanings as in the Transport Act 2000.

Charge to be paid to Eurocontrol

4.-(1) Subject to the provisions of this Specification the operator of any aircraft (in whatsoever State it is registered) for which chargeable air services are made available in a specified airspace shall pay to Eurocontrol, in respect of each flight by that aircraft in that airspace, a charge for those services (hereinafter referred to as "the charge") at the appropriate rate calculated in accordance with paragraph 7 of this Specification.

(2) The operator of an aircraft shall not be required to pay any charge to Eurocontrol under this Specification in respect of a flight if he has previously paid to Eurocontrol in respect of that flight a charge of the same or a greater amount under the law of a country specified in column 1 of the Schedule hereto.

Circumstances in which charges are payable by the owner

5. Eurocontrol may use the ICAO designator or any other recognised designator in the identification of the flight to ascertain who the operator is. If Eurocontrol is unable, after taking reasonable steps, to ascertain who is the operator, it may give notice to the owner of the aircraft that it will treat him as the operator for the purposes of paragraph 4(1) until he establishes to the reasonable satisfaction of Eurocontrol that some other person is the operator; and from the time when the notice is given Eurocontrol shall be entitled, for so long as the owner is unable to establish as aforesaid that some other person is the operator, to treat the owner as if he were the operator, and for that purpose the provisions of this Specification (other than this paragraph) shall apply to the owner of the aircraft as if he were the operator.

Payment

6.-(1) The amount of the charge shall be payable to Eurocontrol at its principal office in Brussels and shall be paid in euros.

(2) The equivalent in sterling of the charge may be recovered in any court of competent jurisdiction in the United Kingdom.

(3) If the amount of the charge payable under paragraph 4(1) is not paid in cleared funds by the operator of the aircraft within 30 days of the date payment is demanded by Eurocontrol, interest calculated in accordance with sub-paragraph (4) below on the unpaid amount shall be paid from that day until the date when cleared funds are received by Eurocontrol.

(4) Interest payable under sub-paragraph (3) shall be simple interest calculated from day to day at the rate of 9.72%.

(5) Nothing in this Specification shall prevent Eurocontrol from accepting as a good discharge payment other than in euros or at places other than the principal office of Eurocontrol.

Calculation of the Charge

7.-(1) The charge shall be calculated in euros according to the following formula:

$$r = N \times U$$

where *r* is the charge for the flight, *N* is the number of service units relating to that flight and *U* is the appropriate unit rate specified in column 3 of the Schedule hereto in relation to the specified airspace through which the flight is made, increased or decreased as the case may be by the same percentage as the relevant national currency has increased or decreased against the euro as compared with the rate of exchange specified in column 4 of the said Schedule in relation to that airspace.

(2) For the purpose of the preceding sub-paragraph, the number of service units relating to a flight shall be calculated in accordance with the following formula:

$$N = d \times p$$

where *d* is the distance factor for the flight in the specified airspace in question and *p* is the weight factor for the aircraft concerned.

(3) For the purposes of the preceding sub-paragraph:

(a) the distance factor shall be the number of kilometres in the great circle distance between the points specified in sub-paragraph (4) of this paragraph minus 20 kilometres for each landing and take-off in the specified airspace in question, divided by 100 and expressed to two places of decimals, and

(b) the weight factor, subject to the provisions of sub-paragraphs (6) and (7) of this paragraph, shall be equal to the square root of the quotient obtained by dividing by 50 the number of metric tonnes of the maximum total weight authorised of the aircraft and shall be expressed to two places of decimals.

(4) The points referred to in sub-paragraph (3) of this paragraph are:

(a) the aerodrome of departure within the specified airspace in question or, if there is no such aerodrome, the point of entry into that airspace; and

(b) the aerodrome of first destination within the specified airspace in question or, if there is no such aerodrome, the point of exit from that airspace.

(5) For the purposes of the preceding sub-paragraph, the point of entry into the specified airspace in question and the point of exit from that airspace shall be the points at which the lateral limits of the said airspace are crossed by the route described in the flight plan communicated by or on behalf of the operator of the aircraft either to the appropriate air traffic control unit or to the Flow Management Unit of Eurocontrol with any modifications thereto subsequently made or approved by or on behalf of the operator.

(6) Subject to sub-paragraph (7) below, the weight factor for an aircraft of any type shall be calculated by reference to the maximum total weight authorised of the heaviest aircraft of that type.

(7) Where an operator has indicated to Eurocontrol, within the period of one year immediately preceding the flight, the composition of the fleet of aircraft which he operates and which includes two or more aircraft which are different versions of the same type of aircraft, the weight factor shall be calculated by reference to the average of the maximum total weight authorised of all his aircraft of that type so indicated to Eurocontrol.

(8) For the purposes of this paragraph the rate of exchange of the euro to a national currency shall be the average monthly rate of exchange of the euro to that national currency established by Eurocontrol for the month preceding the month during which the flight takes place.

Exempt Flights

8. This Specification shall not apply to the following flights:

- (a) flights by military aircraft;
- (b) flights made for the purposes of search and rescue operations;

- (f) flights made exclusively for the purpose of checking or testing equipment used or intended to be used as aids to air navigation;
- (g) flights made exclusively for the purpose of the instruction or testing of flight crew within the specified airspace of the United Kingdom;
- (h) flights made by aircraft of which the maximum total weight authorised is less than two metric tonnes;
- (i) flights made by helicopters between any point in the United Kingdom to a vessel or an off-shore installation within the area bounded by straight lines joining successively the following points- 6300N 00500W; 632833N 000000EW; thence south along the UK Median Line to 5500N 00302E; 5500N 00100W; 5600N 00230W; 5740N 00230W; 5740N 00400W; 5830N 00400W; 5830N 00500W; 6300N 00500W;

(j) flights made by helicopters between any point in the United Kingdom to a vessel or an off-shore installation within the area bounded by straight lines joining successively the following points- 5500N 00100W; 5500N 00300E; 5423N 00245E; 5256N 00309E; 5230N 00247E; 5226N 00137E; 5238N 00140E; 5251N 00124E; 5319N 00010E; 5500N 00100W.

EXPLANATORY NOTE

(This note is not part of the Specification)

This Specification revokes and replaces the Civil Aviation Authority (Eurocontrol Charges) Specification 2019.

The Secretary of State for Transport, in pursuance of tariffs approved under the Eurocontrol Convention (Cmnd. 8662) and under the Multilateral Agreement relating to Route Charges concluded at Brussels on 12th February 1981 (Cmnd. 8662) (being international agreements to which the United Kingdom is a party) has determined rates of charges, as specified in the Specification, payable to Eurocontrol in respect of chargeable air services provided for aircraft. The unit rates in euros set out in the Schedule are calculated by reference to the costs of provision of en-route navigation services in the participating countries in the Eurocontrol charges system, the amount of traffic using each country's airspace and the relationship of each country's currency to the euro over a period agreed by Ministers of the participating countries. The interaction of these elements varies in each country. In calculating the revised charges the average of the exchange rates between the euro and the currencies of the participating countries obtaining in the month of September 2019 has been used.

The interest rate payable is reduced to 9.72% (paragraph 6(4)).

The United Kingdom Air Pilot and the Foreign Aeronautical Information publications referred to in the Specification can be purchased from Tangent Limited, 37 Windsor Street, Cheltenham, Glos GL52 2DG and can be inspected at major aerodromes in the United Kingdom.

The office of Eurocontrol is at Rue de la Fusée, 96 B-1130, Brussels. Eurocontrol's Conditions of Application of the Route Charges System and Conditions of Payment can be found at:

TSU is the terminal service unit relating to that flight, and

U is the unit rate of £12.81.

(2) For the purposes of paragraph 4(1) the terminal service unit relating to a flight shall be equal to the weight factor for the aircraft concerned. The weight factor, expressed as a figure taken to two decimal places, shall be the quotient, obtained by dividing by fifty the number of metric tons in the highest maximum certified take-off weight of the aircraft, to the power of 0.7.

(3) For the purposes of paragraph 4(2) the highest maximum certified take-off weight of the aircraft is the number of metric tons in the maximum certificated take-off weight of the aircraft as shown in the certificate of airworthiness or any equivalent official document provided by the aircraft operator. Where this weight is unknown, the weight of the heaviest aircraft of the same type known to exist shall be used. Where an aircraft has multiple certificated maximum take-off weights, the maximum one shall be used. Where an aircraft operator operates two or more aircraft which are different versions of the same type, the average of the maximum take-off weights of all his aircraft of that type shall be used for each aircraft of that type.

Charges for services provided in the Shanwick Oceanic Control Area

5. Subject to the provisions of this Specification, the operator of every aircraft (whether or not registered in the United Kingdom) that flies within the Shanwick Oceanic Control Area, as described in the United Kingdom Air Pilot on the date this Specification takes effect, and in respect of which a flight plan is communicated to the appropriate air traffic control unit in relation to its flight in that Area shall pay to NERL, for the chargeable air services made available by it in relation to that flight, a charge of £56.04.

Charges for ADS-B data

6. The operator of every aircraft (whether or not registered in the United Kingdom) that flies across the Atlantic (formerly NAT) area shall pay to NERL an ADS-B data charge ("the Atlantic data charge") of £31.64 per flight, provided that at the time of the flight the ADS-B service is fully available.

7. Subject to paragraph 8, the operator of every aircraft (whether or not registered in the United Kingdom) that flies across the Tango area shall pay to NERL an ADS-B data charge of £4.90 per flight provided that at the time of the flight the ADS-B service is fully available. Oceanic Tango flights are defined as flights operating along the length of ATS routes T9 and T290, as defined and promulgated in the UK AIP, within a defined volume of airspace bounded by coordinates 4500N 01000W, 4500N 00845W, 4834N 00845W, 4841N 01000W, 4500N 01000W.

8. Flights that cross both the Atlantic and Tango areas will pay only the Atlantic ADS-B data charge.

9. For the purposes of this Specification, the ADS-B service is fully available when NERL's Board has certified to the CAA that NERL is operating a fully ADS-B based service in the En Route (Oceanic) Area and at least 99% of flights crossing the En Route (Oceanic) Area are being provided with an ADS-B enabled service for the entire duration of their operation within the En route (Oceanic) Area. At all other times the ADS-B service is unavailable.

Charges for services provided for North Sea helicopters

10. (1) Subject to the provisions of this Specification, the operator of every helicopter (whether or not registered in the United Kingdom) which flies within the area specified in sub-paragraph (2) of this paragraph while on a flight from any place in the United Kingdom to a vessel or an off-shore installation within the said area shall pay to NERL, for the chargeable air services made available by it in relation to that flight, a charge of £303.00.

(2) The area referred to in sub-paragraph (1) of this paragraph is the area bounded by straight lines joining successively the following points –

6300N 00500W; 632833N 00000EW; thence south along the UK Median Line to 5500N 00302E; 5500N 00100W; 5600N 00230W; 5740N 00230W; 5740N 00400W; 5830N 00400W; 5830N 00500W; 6300N 00500W.

(3) Subject to the provisions of this Specification, the operator of every helicopter (whether or not registered in the United Kingdom) which flies within the area specified in sub-paragraph (4) of this paragraph while on a flight from any place in the United Kingdom to a vessel or an off-shore installation within the said area shall pay to NERL, for the chargeable air services made available by it in relation to that flight, a charge of £159.00.

Value Added Tax charge

11. For the purpose of reimbursing NERL in respect of value added tax payable on the provision of chargeable air services for which a charge is payable pursuant to this Specification there shall be charged an additional charge equal to the amount of such tax and the incidence of the first mentioned charge shall determine the incidence of the additional charge.

Circumstances in which charges are payable by the owner

12. If NERL is unable, after taking reasonable steps, to ascertain who is the operator, it may give notice to the owner of the aircraft that it will treat him as the operator for the purposes of this Specification until he establishes to the reasonable satisfaction of NERL that some other person is the operator; and from the time when the notice is given NERL shall be entitled, for so long as the owner is unable to establish as aforesaid that some other person is the operator, to treat the owner as if he were the operator, and for that purpose the provisions of this Specification (other than this paragraph) shall apply to the owner as if he were the operator.

Terms and conditions relating to submission of notices

The Gazette (which includes the London, Belfast and Edinburgh Gazette) is an official public record and the United Kingdom's longest continuously published newspaper. It is managed by The National Archives (a non-ministerial government department) under a concessionary contract with The Stationery Office Limited ("TSO" or the "Publisher", as defined below). Any capitalised terms referred to in these terms and conditions relating to submission of notices are defined below.

By placing a Notice in The Gazette you are consenting to put official information permanently on the public record and in the public domain, online (in The Gazette website or via The Gazette mobile app), in print, and via a data service (rather than by having to search for notices on The Gazette website, customers can either create a pdf of the Notices that they are interested in, or subscribe to an electronic version of The Gazette (in full or in part) which is provided as a data service).

These terms should be read in conjunction with:

1 The Publisher's privacy policy www.thegazette.co.uk/privacy

2 The Publisher's policies relating to submission of notice www.thegazette.co.uk/place-notice/policy which together govern the submission of Notices.

Advertisers, as defined below, may place a Notice in The Gazette either because there is a statutory requirement to do so, or to do so voluntarily to put information in The Gazette in order to create an official record of fact. All Advertisers must have the authority to place the notice that they submit for publishing. TSO, as the Publisher, is required to verify the authority of Advertisers who place Notices and has the authority to refuse to publish Notices from Advertisers whose authority cannot be effectively verified.

Notices received for publication usually fall under the following broad headings:

Church, Companies, Environment and Infrastructure, Health and Medicine, Honours and awards, Money, Parliament and Assemblies, People, Royal Family and State. Further information can be found at www.thegazette.co.uk.

These terms and conditions ("**Terms and Conditions**") govern submission of Notices (as defined below) to The Gazette. By submitting Notices, howsoever communicated, whether at the website www.thegazette.co.uk (the "**Website**") or by email, post and/or facsimile, the Advertiser (as defined below) agrees to be bound by these Terms and Conditions. Where the Advertiser is acting as an agent or as a representative of a principal, the Advertiser warrants that the principal agrees to be bound by these Terms and Conditions. The Publisher reserves the right to modify these Terms and Conditions at any time. Such modifications shall be effective immediately upon publication. By submitting Notices to The Gazette after the Publisher has published such modifications, the Advertiser, including any principal, agrees to be bound by the revised Terms and Conditions.

1 Definitions

1.1 In these Terms and Conditions: "**Advertiser**" means any agency, company, firm, organisation or person who has requested to place a Notice in The Gazette, whether acting on their own account or as agent or representative of a principal; "**Authorised Scale of Charges**" means the scale of charges set out at in the printed copy of the Gazette or at www.thegazette.co.uk/place-notice/pricing, as modified from time to time; "**Charges**" means the payment due for the acceptance of a Notice by the Publisher payable by the Advertiser as set out in the Authorised Scale of Charges; "**Forwarding Service**" means the service provided to use The Gazette's postal box for correspondence in relation to deceased estates Notices; "**Local Newspaper Notice**" means any notice placed in a local newspaper other than The Gazette; "**Notice**" means all advertisements and state, public, legal or other notices (without limitation) submitted for potential publication in The Gazette by the Advertiser, save in respect of any Local Newspaper Notice, to which other terms may apply where indicated in these Terms and Conditions; "**Publisher**" means The Stationery Office Limited or TSO, with registered company number 03049649, acting in accordance with the concessionary contract awarded by The National Archives.

1.2 the singular includes the plural and vice-versa; and

1.3 any reference to any legislative provision shall be deemed to include any subsequent re-enactment or amending provision.

2 By submitting a Notice to the Publisher, the Advertiser agrees to be bound by these Terms and Conditions which, unless stated otherwise in these Terms and Conditions, represent the entire terms agreed between the parties in relation to the publication of Notices in The Gazette and which every Notice shall be subject to. For the avoidance of doubt, these Terms and Conditions shall prevail over any other terms or conditions (whether or not inconsistent with these Terms and Conditions) contained or referred to in any correspondence or documentation submitted by the Advertiser or implied by custom, practice or course of dealing which the parties agree shall not apply, unless otherwise expressly agreed in writing by the Publisher.

3 The Publisher reserves the right, to be exercised at its sole and absolute discretion, to make reasonable efforts to verify the validity of the Advertiser.

4 The Publisher may, at its sole and absolute discretion edit the Notice, subject to the following restrictions:

4.1 the sense of the Notice submitted by the Advertiser will not be altered;

4.2 Notices shall be edited for house style only, not for content;

4.3 Notices can be edited to remove obvious duplications of information;

4.4 Notices can be edited to re-position material for style;

4.5 any additions, amendments or deletions required in order to include the minimum necessary information set out in any Notice guidelines shall be confirmed with the Advertiser; and

4.6 subject to clause 5 below, no amendments to the text (other than those made as a consequence of 4(i) - (v) above) shall be made without confirmation from the Advertiser.

For the avoidance of doubt, the Advertiser agrees and accepts that, subject to the limited rights to edit any Notice referred to above, it is the Advertiser that shall be solely responsible for the content of any Notice, including its validity and accuracy and that the Publisher shall not be responsible for, nor shall have any liability in respect of such content in any way whatsoever.

5 The Advertiser accepts that it submits a Notice entirely at its own risk and that the Publisher shall have the sole and absolute discretion whether to accept a Notice for publication; whether to publish it (including after acceptance); the timing of any publication of a Notice; or whether to remove or withdraw the Notice after publication, such decision to be final. The Advertiser must satisfy itself as to the legal, statutory and/or procedural requirements and accuracy relating to any Notice and, for the avoidance of doubt, the Publisher shall have the sole and absolute discretion to refuse to publish or withdraw from publication (if already published) any Notices where the content of the Notice, in the Publisher's sole and absolute opinion, may not comply with any such requirements. In instances where publication has not yet taken place, the Publisher shall notify the Advertiser of any action required to remedy any deficiency and publication shall not take place until the Publisher is satisfied that such action has been taken by the Advertiser. Where publication has taken place the Notice placer will be contacted with the proposed remedy which may include, but is not limited to, removal, reinsertion, retraction or substitution notice.

6 Save for any liability that cannot be excluded or restricted by law (including fraudulent misrepresentation, or for death or personal injury resulting from the negligence of either party or their agents, subcontractors and/or or employees) which shall not be limited or excluded in any way, the Publisher, The National Archives, or any successor organisation's (including affiliates, officers, directors, agents, subcontractors and/or employees) total aggregate liability (including any liabilities, losses, damages, expenses, costs (including all interest, penalties, legal costs and other professional costs and/or expenses), whether in contract (including under an indemnity or warranty), tort (including negligence), misrepresentation (other than fraudulent misrepresentation), equity, breach of statutory duty, strict liability or otherwise at law, and whether arising from the acts and/or omissions of the Publisher or The National Archives or arising out of or made in connection with any Notice or otherwise shall be limited to one hundred and fifty (150) per cent of the value of the Charge paid for such Notice under these Terms and Conditions.

6A Other than as set out in clause 6 above, neither the Publisher, nor The National Archives, shall have any liability in respect of any act and/or omission of the Advertiser and/or any third party or in respect of any Notice submitted by any Advertiser for potential publication in

The Gazette, which the Advertiser warrants and accepts is solely its responsibility.

7 For the avoidance of doubt, subject to clause 6 above and save for the payment of the Charges, in no circumstances shall either party be liable for any losses including, without limitation, loss of revenues, profits, contracts, business or savings or anticipated savings, any loss of goodwill or reputation, or any special, indirect or consequential damages (however arising, including negligence).

8 Where the Publisher is responsible for any error or has published a Notice in error a, the Publisher shall at no charge to the Advertiser, either remove the Notice or publish a reinsertion, retraction or substitution Notice as appropriate at the next suitable opportunity. Both parties agree (including on behalf of any principal, if applicable) that this shall be the sole remedy of the Advertiser (including any principal, if applicable) and the full extent of the limit of the Publisher's liability in these circumstances.

9 . In the event that the Publisher believes, in its sole opinion, an Advertiser is submitting Notices in bad faith, is in breach of clause 11 below, or has dealings with Advertisers who are in breach of these Terms and Conditions or has breached such Terms and Conditions previously, the Publisher may require further verification of information to be provided by the Advertiser and may, at its sole and absolute discretion, delay publication of those Notices until it is satisfied that the Notice it has received is based on authentic information.

10 The location of the Notice in The Gazette shall be at the discretion of the Publisher. For the avoidance of doubt, the Notice shall be published in the house style of The Gazette.

11 The Advertiser warrants:

11.1 that it has the right, power and authority to submit the Notice;

11.2 the Notice is true and accurate in all respects and does not mislead or contain potentially fraudulent information;

11.3 the Notice is submitted in good faith, does not contravene any law (statutory or otherwise), nor is it in any way illegal, defamatory or an infringement of any other party's rights or of any applicable advertising regulations, guidelines or codes of practice, nor is it subject to any court order prohibiting such publication.

12 To the extent permissible by law the Publisher excludes all warranties, conditions or other terms, whether implied by statute or otherwise, relating to the placing of any Notices.

13 The Advertiser agrees to fully indemnify (as a debt) and hold the Publisher and The National Archives or any successor organisation, including any affiliates, officers, directors, agents, subcontractors and employees harmless from all liabilities, costs, expenses, damages and losses (including, without limitation) any direct, indirect, consequential and/or special losses and/or damage, loss of profit, loss of reputation and/or goodwill and all interest, penalties and legal costs (calculated on a full indemnity basis) and all other professional costs and/or expenses (including legal costs) suffered or incurred (including negligence) in respect of any matter arising out of, in connection with or relating to any Notice (including, without limitation, clause 11 of the Terms and Conditions) and including (without limitation) in respect of any claim and/or demand (including threatened and/or potential claims or demands) made by any third party which may constitute a breach and/or potential breach by the Advertiser (or their principal) of these Terms and Conditions or of any law and/or any of the rights of a third party. The Publisher shall consult with the Advertiser as to the way in which such applicable claims, demands or potential claims or demands are handled but the Publisher shall retain the sole, absolute and final decision on all aspects of any matter arising from the aforementioned indemnity, including the choice of instructing legal representatives, steps taken in or related litigation and/or decisions to settle the case. The Advertiser shall use best endeavours to provide, at its own expense, such co-operation and assistance as the Publisher may reasonably request including in respect of any principal (if applicable) and including, without limitation, the provision of and/or access to witnesses, access to premises and delivery up of documents and/or any evidence, including supporting any associated litigation and/or dispute resolution process.

14 The Advertiser shall promptly notify the Publisher in writing of any actual, threatened or suspected claim made by a third party or parties against the Advertiser and/or the Publisher in relation to a Notice. The Publisher reserves the right, following a claim or threatened claim, to immediately remove the Notice which is the subject of the complaint from the website at www.thegazette.co.uk and all other websites controlled by the Publisher containing the Notice, as well as from any other medium in which the Notice has been placed that is controlled

by The Gazette, where possible. The Publisher may (at its sole and absolute discretion) require the Advertiser to amend the Notice at its own cost before it agrees to re-publish the Notice if it is capable of rectification to avoid the claim, threatened or suspected claim. Any reinstatement of the Notice shall be at the sole and absolute discretion of the Publisher, whose decision in respect of such matter shall be final.

In exceptional circumstances, for example if the Notice was found by the Publisher to have been submitted by an unauthorised Advertiser, the Publisher (upon receiving written approval from The National Archives) will remove a Notice in its entirety from www.thegazette.co.uk, but will retain the Notice identification online and include explanatory text saying why and when the Notice was removed.

15 The Advertiser acknowledges that the Publisher may re-use Notices and/or allow third parties to re-use Notices accepted for publication in The Gazette for ongoing Gazette-related activity – for example to create a company profile page on The Gazette website and where you have also opted for a newspaper advertisement as well as a Gazette notice - and hereby assigns to the Publisher for and on behalf of the Crown, all rights, including but not limited to, copyright and/or other such intellectual property rights (as applicable) in all Notices, and warrants that any such activity in respect of any Notice (including any activity in the preparation of such Notice for publication in The Gazette) by the Publisher and/or third parties does not and will not infringe any legal right of the Advertiser or any third party. For the avoidance of doubt, all Notices and any content therein shall be Crown copyright and may be subject to the Open Government Licence (or any variation thereof).

16 The Advertiser accepts that the purpose of The Gazette is to disseminate information of interest to the public as widely as possible in the public interest. The Advertiser accepts that the information contained in the Notices published in The Gazette may be used for additional purposes by the Publisher or third parties after publication as stated above and that such use may be beyond the control of The Gazette. In such instances, the Advertiser agrees that the Publisher shall have no liability whatsoever in respect of such use by the Publisher or third parties.

17 The Advertiser acknowledges and agrees that the publication of any Notice is subject to any court order and/or direction of the court or such other regulatory and/or enforcement authorities including the Information Commissioner's Office, the police, the Financial Conduct Authority (and such other related regulatory organisations), the Solicitors Regulation Authority and such other authorities as may be applicable (without limitation) and that the Publisher may delay, refuse to publish or withdraw from publication if it has received evidence to that effect and may not publish such notice until it has received written evidence from the court (as the Publisher may reasonably require from time to time) that demonstrates that any previous order and/or direction has been withdrawn and/or is no longer applicable (as the Publisher may reasonably require from time to time) and/or, subject to any statutory and/or applicable laws, The Gazette may share information and/or data related to the Notice and/or the Advertiser's account related to such authorities and the Advertiser hereby consents to such disclosure(s).

18 In respect of any Local Newspaper Notice, this clause 18 shall apply. For the avoidance of doubt, all other terms of the Terms and Conditions shall apply to Local Newspaper Notices only to the extent that they do not conflict with the terms set out below. In the event of any conflict, the terms set out in this clause 18 shall prevail:

18.1 The Local Newspaper Notice may be placed in a local newspaper by any subcontractor and/or a third party organisation at the Publisher's sole and absolute discretion and the Advertiser hereby consents to such use (including any activity that is ancillary and/or reasonably necessary to such use). For the avoidance of doubt, this may include the processing of personal data in accordance with the EU General Data Protection Regulation (Regulation 2016/679), and any legislation which implements, amends, re-enacts or replaces it in England and Wales, Northern Ireland or Scotland ("GDPR"), by the Publisher, any subcontractor and/or third party organisation, together with the local newspaper and related organisations;

18.2 The placement of a Local Newspaper Notice shall be upon the standard terms and conditions of the local newspaper in question in addition to these Terms and Conditions. The Advertiser expressly agrees to such local newspaper terms and by submitting a Local Newspaper Notice to The Gazette, expressly consents to the

Publisher, its subcontractors and/or any applicable third party organisation agreeing to such terms on behalf of the Advertiser;

18.3 To the extent that such local newspaper and the applicable terms allow, where the Publisher, any subcontractor, any third party acting on behalf of the Publisher and/or the local newspaper is responsible for any error including (without limitation), the Publisher, the Publisher shall arrange for the local newspaper to publish the corrected Local Newspaper Notice at no additional cost to the Advertiser. Both parties agree (including on behalf of any principal, if applicable) that this shall be the sole remedy of the Advertiser (including any principal, if applicable) and the full extent of the limit of liability in these circumstances;

In the event that a corrected Local Newspaper Notice is not published for whatever reason, the total aggregate liability of the Publisher and The National Archives, whether direct or indirect, and including (without limitation) all liabilities, losses, damages, expenses, costs (including all interest, penalties, legal costs and/or other professional costs and/or expenses) suffered or incurred, howsoever arising (including negligence), whether arising from the acts and/or omissions of the Publisher, The National Archives and/or the Advertiser and/or any third party (including, without limitation, any principal of the Advertiser) or arising out of or made in connection with the Notice or otherwise shall be limited to the value of the Local Newspaper Notice placed through The Gazette except that nothing in these Terms and Conditions shall limit or exclude any liability for fraudulent misrepresentation, or for death or personal injury resulting from the Publisher's or The National Archives' negligence or the negligence of their agents, subcontractors and/or employees or third parties acting on behalf of the Publisher.

19 In respect of the use of the Forwarding Service, The Gazette will replace the Advertiser or executor's address with The Gazette's postal

box address in the Notice, and Local Newspaper Notice if applicable. All correspondence received will be sent on from The Gazette to the Advertiser or executor (if different). The Forwarding Service will remain in place for a period of 10 months from publication of the Notice in The Gazette, or 10 months from publication of the Notice in a Local Newspaper, in line with the Inheritance (Provision for Family and Dependents) Act 1975. After the 10 months period has lapsed any correspondence received will be returned to the sender where possible or securely destroyed, and the Advertiser or executor's name and address details will be removed from the Forwarding Service.

20 The Advertiser accepts that the Charges may be amended from time to time and will be payable at the rate in force at the time of invoicing unless otherwise agreed by the Publisher in writing. The Charges must be paid in full by the Advertiser in advance of publication unless other requirements of the Publisher in respect of the payment of such Charges (as determined from time to time) are notified to the Advertiser.

21 If the Advertiser wishes to make a complaint, all such complaints shall be submitted in writing to customer.services@thegazette.co.uk

22 Save in respect of The National Archives (or any successor organisation), a person who is not a party to these Terms and Conditions has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of these Terms and Conditions but this does not affect any right or remedy of a party specified in these Terms and Conditions or which exists or is available apart from that Act.

23 These Terms and Conditions and all other express terms of the contract shall be governed and construed in accordance with the laws of England and the parties hereby submit to the exclusive jurisdiction of the English courts.
