CIVIL SERVICE COMMISSION,

April 25, 1890.

The Civil Service Commissioners hereby give notice that the following Regulations have been approved by the Lords Commissioners of Her Majesty's Treasury, viz. :—

REGULATIONS respecting Competitive Examinations, held under the Orders in Council of 12th February 1876 and 17th November 1888, for Boy Clerkships in the Civil Service.

1. Competitive Examinations of Candidates for Boy Clerkships in the Civil Service will be held from time to time at such places as may be deemed expedient.

2. These Examinations are open, under such general restrictions as may be laid down, to all natural born subjects of Her Majesty, being of the prescribed age and of good health and character. The undermentioned restrictions are at present in force:

(i.) The following classes of persons are ineligible, viz. :—

(a) Persons actually serving in the Army or Navy.

(b) Persons who have previously succeeded at an Examination for the same situation or class of situations.

(ii.) The following classes of persons will not be eligible, unless they produce to the Civil Service Commissioners the written permission of the authorities of their department to attend the Examination dated before the commencement of the said Examination, viz. :—(a) Persons holding situations in the Civil Service; (b) Apprentices in Her Majesty's Dockyards, and Engineer Students in the Navy.

(iii.) Persons who have been trained in Normal Schools at the public expense will not be qualified to receive appointments until the consent of the Committee of Council on Education, Great Britain, or the Commissioners of National Education, Ireland, as the case may be, given in conformity with rules sanctioned by the Lords of the Treasury, has been notified to the Civil Service Commissioners.

3. A fee of 10s. will be required from every Candidate admitted to the Examination.

4. Candidates must be over 15 and under 17

years of age on the first day of the Competitive Examination.

5. The subjects of Examination will be as follows:—

1. Handwriting.
2. Orthography.
3. Arithmetic, including Vulgar and Decimal Fractions.
4. Copying MS. (to test accuracy).
5. English Composition.
6. Geography.

No Candidate will be eligible who does not satisfy the Civil Service Commissioners of his competency in Handwriting, Orthography, and Arithmetic.

The number of persons to be selected at each Examination will be published as part of the notice of every such Examination.

6. A list of the Competitors will be made out, in the order of merit, up to this published number, if so many are found by the Examination to be qualified for appointments in the Civil Service.

7. Each Competitor named in a list will remain thereon until he attains the age of 20 years, unless in the meantime he has been appointed to a situation in some public office.

Boys on completing the 20th year of their age, or on receiving appointments, will be removed from the list.

8. From these lists the Civil Service Commissioners, on the application of Departments having vacancies, will supply, on probation, the requisite Clerks, whether for permanent or temporary duty. Selections will, as a general rule, be made by the Civil Service Commissioners according to the order of the names on the list; but the Civil Service Commissioners may select any Clerk who, in his Examination, has shown special qualifications in any particular subject, if special application for such a Clerk be made by any Department.

9. No Clerk will remain more than one year in any Department, unless at the end of that time the Head of the Department shall signify in writing to the Civil Service Commissioners that the Clerk is accepted by the Department. If he is not accepted, the Department will report to the said Commissioners the reasons for not accepting him; and such Commissioners will thereon supply another Clerk in his room, and will decide whether the name of the rejected Clerk shall be struck off the lists as unfit for the Service generally, or whether he shall be allowed a trial in another Department.

10. Boy Clerks will not be retained as such in any Department after completing their 20th year; but they may, after two years (or, if admitted after 17 years of age, one year) of good service, to be certified in writing by the Head of their Department to the Civil Service Commissioners, compete under 'Regulation II.' among themselves, for so many Clerkships of the Second Division as shall not exceed one-fourth of the number of Competitors.

Separate lists will be made out of the Competitors successful in the Limited Competitions, and selections for appointments to Clerkships will (subject to Regulation 8) be made alternately from these lists and from the lists of Competitors successful in the Open Competitions.

The Civil Service Commissioners further give notice, that an Open Competitive Examination for Boy Clerkships in the Civil Service will be held under the foregoing Regulations in London, Edinburgh, Dublin, Liverpool, Aberdeen, Glasgow, and Belfast, commencing on the 2nd July 1890.

The number of persons to be selected at this Examination is 119.

No person will be admitted to compete from whom the Secretary of the Civil Service Commission has not received, on or before the 19th June, an 'application' in the handwriting of the Candidate, on the prescribed form, which may be obtained from the Secretary at once.
