JAMES WALLACE, Esq., *Advocate-Depute.*

J. M. M'COSH, *Clerk.*

To all the Local Authorities in Scotland within whose District there is a Port or Harbour, in terms of 'The Public Health (Scotland) Act, 1867.'

Whereas the Secretary for Scotland has issued the following Order, dated 5th September 1890:—

WHEREAS an Act was passed in the thirtieth and thirty-first years of Her present Majesty Queen Victoria, intituled 'An Act to consolidate and amend the law relating to the 'Public Health in Scotland'; and by the thirty-first section of the said Act it is enacted, that 'Whenever any part of the United Kingdom 'appears to be threatened with or is affected by 'any formidable epidemic, endemic, or contagious 'disease, the Lords and others of Her Majesty's 'Most Honourable Privy Council, or any three or 'more of them (the Lord President of the Council 'or one of Her Majesty's Principal Secretaries of

'State being one), may, by Order or Orders by 'them from time to time made, direct that the 'Provisions for the prevention of diseases con- 'tained in Part III. hereof be put in force in 'Scotland, or in such parts thereof, or in such 'places therein, as in such Order or Orders may 'be expressed, and may from time to time, as to 'all or any of the Parts or Places to which any 'such Order or Orders extend, and in like manner 'revoke or renew such Order: and subject to 'revocation or renewal as aforesaid, every such 'Order shall be in force for six calendar months, 'or for such shorter period as in such Order shall 'be expressed; and every such Order of Her 'Majesty's Privy Council, or any Members 'thereof as aforesaid, shall be certified under the 'hand of the Clerk in Ordinary of Her Majesty's 'Privy Council, and shall be published in the 'Edinburgh Gazette, and such publication shall 'be conclusive evidence of such Order.'

And whereas by 'The Secretary for Scotland Act, 1885,' it is provided that all powers and duties vested in or imposed on the Privy Council by Part III. of the said Public Health (Scotland) Act, 1867, shall be transferred to, vested in, and imposed on the Secretary for Scotland.

And whereas Cholera is now prevalent in certain parts of Spain, and it is expedient to make provision thereanent:

Now, therefore, in exercise of the powers conferred upon me by the said recited Acts, I, the Most Honourable Schomberg Henry, Marquess and Earl of Lothian, K.T., Her Majesty's Secretary for Scotland, do order, and it is hereby ordered, that the provisions for the prevention of diseases, contained in Part III. of the Act thirty and thirty-first Victoria, chapter one hundred and

one, be put in force in Scotland for the space of six calendar months after the publication of this Order in the Edinburgh Gazette.

And whereas by the 33d Section of the said Act it is further provided, that when such an Order has been issued, the Board of Supervision for Relief of the Poor in Scotland 'may issue such Directions and Regulations as they shall think fit for the prevention, as far as possible, or mitigation of such epidemic, endemic, or contagious diseases, and from time to time may revoke, renew, and alter any such Directions and Regulations; and the same shall extend to all Parts or Places in which the Provisions of this Act for the prevention and mitigation of disease shall, for the time being, be put in force under such Orders as aforesaid, unless such Directions and Regulations be expressly confined to some of such Parts or Places, and then to such Parts or Places as therein are specified; and (subject to the power of revocation and alteration herein contained) such Directions and Regulations shall continue in force so long as the said Provisions of this Act shall under such Order be applicable to the same Parts or Places.'

And whereas it is enacted by the 35th Section of the said Act that the Board may provide, *inter alia*, 'for any such Matters or Things as may to them appear advisable for preventing or mitigating such Diseases.'

And whereas by the 38th Section of the said Act it is provided that 'All such Orders for executing this Act shall extend to Ports and Arms of the Sea lying within the jurisdiction of the Admiralty, and adjacent to the Places to which such Orders relate; and the Board may issue, under the said Orders, Directions and Regulations for cleansing, purifying, ventilating, and disinfecting, and preventing disease in Ships and Vessels, as well upon Arms and Ports of the Sea aforesaid as upon Inland Waters.'

And whereas Cholera is now prevalent in certain parts of Spain, and it is expedient that Directions and Regulations should be made with reference to the same, in terms of Part III. of said Act.

And whereas the Order in Council, dated 12th July 1883, is still in force—

Therefore, in exercise of the Authority vested in us as aforesaid, we, the Board of Supervision for the Relief of the Poor and for Public Health in Scotland, do issue the Directions and Regulations hereinafter contained, to extend to all Places in Scotland, and to all Ports and Arms of the Sea lying within the jurisdiction of the Admiralty, and adjacent to such Places:—

In the event of any death from Cholera taking place on board of such ship while so detained, the Master shall, as directed by the Local Authority or the Medical Officer of Health, either cause the dead body to be taken out to sea, and committed to the deep, properly loaded to prevent its rising, or shall deliver it into the charge of the said Authority for interment, and the Authority shall thereupon have the same interred.

Art. 17. The Master shall cause any articles that may have been soiled with Cholera discharges to be destroyed, and the clothing and bedding and other articles of personal use likely to retain infection which have been used by any person who may have suffered from Cholera on board such ship, or who, having left such ship, shall have suffered from Cholera during the stay of such ship in any Port, to be disinfected or (if necessary) destroyed; and if the Master shall have neglected to do so before the ship arrives in Port, he shall forthwith, or upon the direction of the Local Authority, or the Medical Officer of Health, cause the same to be disinfected or destroyed, as the case may require; and if the said Master neglect to comply with such direction within a reasonable time, the Authority shall cause the same to be carried into execution.
