H. F. JEFFREY, Clk.

TO THE CREDITORS OF

WILLIAM ALLAN, Merchant in Leith.

That the said William Allan, with the concurrence of the trustee on his sequestrated estate and four-fifths of his creditors in number and value, having applied, by petition, to the Lords of Session, praying their Lordships to declare the said William Allan discharged of all his debts contracted prior to the 28th November 1801, the date of the sequestration, the Lords, by their interlocutor, dated 15th June curt. appointed the same to be intimated on the walls of the Inner and Outer House, and also to be notified to all concerned by public advertisement; to be inserted in the Edinburgh Gazette, that all parties having interest might object thereto, if they think fit; and, upon such intimation being duly made and reported, the Lords declared that they would resume consideration of said petition, and proceed to determine thereupon, with or without objections.—Of which this present notice is accordingly given.

EDINBURGH, 15th June 1803.

TO THE CREDITORS OF

JAMES OGILVIE, Shipmaster in Kincardine.

That at a meeting of said creditors, held at Kincardine upon the 2d day of July 1801, being the meeting held immediately after the last public examination of the bankrupt, Mr John Relton, merchant in Kincardine, in behalf of the said James Ogilvie, made an offer of a composition of 4s. per pound, on the whole debts due by him, payable at Martinmas then first, on condition of the whole creditors agreeing to discharge him on payment thereof; and of which offer the creditors then present, with the exception of Mr Walter Simpson, merchant, Dundee, accepted, upon security being granted by the said John Relton, along with Mr Robert Stein, farmer at Leanside, in terms thereof. That another meeting of said creditors having been appointed on the 23d day of the said month of July, to be held at same place, for the purpose of deciding on this offer, several creditors, who had not attended at the former meeting, upon being wrote to by the trustee of the above proposal, declined to accede to it; the cautioner, in consequence of the refusal of these creditors to concur in the discharge to the said James Ogilvie along with the others who had formerly agreed to do so, at this meeting declared himself being off from making good the payment of said composition.—And as the funds which have since that time been realized by the trustee have been very inconsiderable, he therefore requests a meeting of the whole creditors of the said James Ogilvie, at Kincardine, on Saturday the 2d July 1803, at two o'clock afternoon, and within the house of Thomas Dewar, vintner there, for the purpose of giving him directions as to the disposal of these, and other matters connected with the business under his management.
