Order of the Secretary of State granting Special Exemption.

WHEREAS the Factory and Workshop Act, 1878, section 33, as amended by the Factory and Workshop Act, 1891, provides as follows:—

For the purpose of securing the observance of the requirements of this Act as to cleanliness in every factory, all the inside walls of the rooms of a factory, and all the ceilings or tops of such rooms (whether such walls, ceilings, or tops be plastered or not), and all the passages and staircases of a factory, if they have not been painted with oil or varnished once at least within seven years, shall be limewashed once at least within every fourteen months, to date from the period when last limewashed; and if they have been so painted or varnished, shall be washed with hot water and soap once at least within every fourteen months, to date from the period when last washed:

At Edinburgh the sixth day of March

WHEREAS by the Universities (Scotland) Act, 1889, the Commissioners under the said Act are empowered by section 14, sub-section 1, to regulate the foundations, mortifications, gifts, endowments, and bursaries held by any of the Universities or Colleges thereof existing at the passing of the said Act, or by any person in trust for or on behalf of the same, or for the benefit of any Professors, Students, or others therein, which have taken effect for more than twenty-five years previously to the passing of the said Act, or if given within less than twenty-five years, are wholly or partially inoperative or dormant; and in particular (a) to alter the conditions or directions affecting the same, if it shall appear to the Commissioners that the interests of learning and the main design of the donor, so far as is consistent with the promotion of such interests, may be better advanced by such alteration; and by section 14, sub-section 8, to found new Lectureships where such course seems desirable, and where there are sufficient means for their endowment or support, either from the funds administered by the Commissioners or otherwise, and to determine in what authority the patronage of such Lectureships shall be vested: And whereas by will dated the sixteenth day of July eighteen hundred and sixty-one, and relative codicils, dated respectively the twenty-fourth day of July eighteen hundred and sixty-eight and the fifteenth

And whereas the last-mentioned foundation is regulated by Ordinance numbered 40 of the Commissioners under the Universities (Scotland) Act, 1858: And whereas it appears to the Commissioners under the said Act that the interests of learning and the main design of the donors would be better advanced by an alteration of the conditions and directions affecting the said two foundations, in manner hereinafter provided:

III. No appointment to any of the said bursaries shall hereafter be made for the same period of tenure as heretofore; but in the event of the said bursaries not falling vacant at the same time, the Senatus Academicus may select deserving students to hold the bursary or bursaries which shall first fall vacant during the period which may elapse before all the said bursaries become vacant, or may allow the same to remain vacant, and the income to be added to the capital funds of the respective foundations. As soon as all the said bursaries have become vacant, an appointment shall be made of one scholar, who shall receive the total free income of the foundation of the Reverend George Bruce, together with thirty pounds per annum from the foundation of Dr. James Fraser.

Therefore the Commissioners under the first-mentioned Act statute and ordain, with regard to the said foundation in the University of Aberdeen, as follows :—

I. There shall hereafter be nine bursaries and one scholarship on the said foundation.

The said scholarship shall be awarded for distinction in one of the Honours groups of subjects for the degree of Master of Arts specified in Section XI. of Ordinance No. 11 [General, No. 6.—Regulations for Degrees in Arts], or in one of the groups of subjects for the final examination for the degree of Bachelor of Science specified in Section IX. of Ordinance No. 12 [General, No. 7.—Regulations for Degrees in Science], as the Senatus Academicus, with the approval of the University Court, may from time to time determine ; and the scholar shall be selected by the Senatus Academicus on a report by the Faculty of Arts or by the Faculty of Science, as the case may be.

V. It shall not be competent to the Senatus Academicus to appoint to the said scholarship any person who has not passed all the examinations necessary for admitting him to the degree of Master of Arts or Bachelor of Science, as the case may be.

VI. The Senatus Academicus, with the approval of the University Court, shall have power to make from time to time such regulations as they may deem necessary for appropriating the said scholarship to various departments of study.

VII. No appointment to any of the five existing bursaries of the annual value of twenty pounds shall hereafter be made, for the same period of tenure as heretofore; but until all the said bursaries have become vacant the Senatus Academicus may select deserving students to hold the bursaries, which shall successively fall vacant during the unexpired period of the tenure of the remaining bursaries; and the Senatus Academicus, with the approval of the University Court, shall determine in what year an appointment shall first be made to the said scholarship, having special regard to the expediency of distributing as far as possible among students of different years the benefits of the foundations belonging to the University.

VIII. Each of the said nine bursaries of the annual value of fifteen pounds shall be tenable for four years and no longer, subject to the provisions of Section II. of the Ordinance mentioned in the immediately succeeding section thereof.
