UNIVERSITIES (SCOTLAND) ACT, 1889.

52 and 53 Vict. c. 55.

ORDINANCE No. 103.

[ABERDEEN, No. 11.—REGULATIONS FOR COWE AND CLERIHEW FOUNDATIONS.]

At Edinburgh, the sixth day of March eighteen hundred and ninety-five years.

WHEREAS by the Universities (Scotland) Act, 1889, the Commissioners under the said Act are empowered by section 14, sub-section 1, to regulate the foundations, mortifications, gifts, endowments, and bursaries held by any of the Universities or Colleges thereof existing at the passing of the said Act, or by any person in trust for or on behalf of the same, or for the benefit of any Professors, Students, or others therein, which have taken effect for more than twenty-five years previously to the passing of the said Act; and in particular (a) to alter the conditions or directions affecting the same if it shall appear to the Commissioners that the interests of learning and the main design of the donor, so far as is consistent with the promotion of such interests, may be better advanced by such alteration; (b) to com-

bine or divide bursaries, and to establish bursary funds: And whereas there are now in the University of Aberdeen a bursary in the Faculty of Arts, on the foundation of Alexander Cowe, surgeon, of date in or about the year eighteen hundred and fifty-eight, and a bursary in the Faculty of Arts on the foundation of George Clerihew, builder in Aberdeen, of date in or about the year eighteen hundred and thirty-two: And whereas the value of the said two bursaries is now small, and it appears to the Commissioners that the interests of learning and the main design of the donors would be better advanced by an alteration of the conditions and directions affecting the said two foundations, in manner hereinafter provided:

Therefore the Commissioners under the said Act statute and ordain, with regard to the said foundations in the University of Aberdeen, as follows:—

I. The said bursary on the foundation of the said Alexander Cowe, and the said bursary on the foundation of the said George Clerihew, shall hereafter be conjoined into one bursary, to be called the Cowe and Clerihew Bursary, the holder of which shall annually, during his tenure thereof, receive the free income of the said two foundations.

II. The said Cowe and Clerihew Bursary shall be tenable for four years, and no longer, subject to the provisions of Section II. of the Ordinance mentioned in Section V. hereof.

III. No appointment to the bursary on the foundation of the said Alexander Cowe alone, or to the bursary on the foundation of the said George Clerihew alone, shall hereafter be made for the same period of tenure as heretofore; but in the event of the said existing bursaries not falling vacant at the same time, the Senatus Academicus may select a deserving student to hold the bursary which shall first fall vacant during the unexpired period of the tenure of the other bursary; or the University Court may, on the report of the Senatus Academicus, allow the same to remain vacant, and the income to be added to the capital fund of the foundation. As soon as the said existing bursaries on the said foundations are both vacant, and not sooner, an appointment shall be made of one bursar, and no more, to the said Cowe and Clerihew Bursary; and so on as often as the said Cowe and Clerihew Bursary shall thereafter become vacant.

IV. The said Cowe and Clerihew Bursary shall be open by competition to all students entering on their first year of attendance on a course of study for graduation in the Faculty of Arts in the said University.

V. The provisions of Ordinance No. 57 [General, No. 19.—Regulations as to Bursaries, Scholarships, and Fellowships] shall apply to the said Cowe and Clerihew Bursary.

VI. This Ordinance shall come into force from and after the date of its approval by Her Majesty in Council; provided that nothing herein contained shall extend to or affect the interests of any bursar on either of the said foundations at the date of its coming into force.

In witness whereof these presents are sealed with the seal of the Commission.
