OFFICE OF THE COMMISSIONERS
Appointed by Act of Parliament under the Convention with the United States of America.

ORDERED,
THAT for the purpose of preventing the inconvenience and subsequent delay which would ensue, if (as occurred under the 6th article of the treaty, and as there is reason at present to apprehend may occur under the convention) numerous Claims were kept back till the very eve of the expiration of the term allowed for preferring claims before this Board; and also for the purpose of preventing an erroneous expectation that claims may, on special grounds, be received after the expiration of the said term, notice be given to all persons who claimed at Philadelphia under the 6th article of the Treaty of Amity with the United States, and who have not yet availed themselves of the act of Parliament, and the instructions contained in the various notices from this Office, which were published in the London Gazette and different newspapers, by claiming before this Board, that Claims from such persons, in the form of memorials, addressed to the Commissioners, and signed by the Claimants or their Agents respectively, referring to their Claims under the 6th article of the treaty, and stating the precise amount of each claim in Sterling money (which amount must not exceed the amount claimed under the 6th article, with the additional interest thereon), will, as before intimated, be received at this Office on or before the 1st day of June next; but that the Board are absolutely barred by the act of Parliament from receiving, after the expiration of the above term, any claim or new application, on any ground of excuse whatsoever. And that for the reason above assigned, the Board expect that all those who claimed as above under the said 6th article, and who think themselves entitled, and mean to claim before this Board, will do so as soon as possible.

ORDERED further,—That in every case where the claim has already been or shall be signed by an agent, an authority in writing, under the hand of the Claimant, either confirming what the agent has so done, or empowering him so to do, be lodged at this Office before the expiration of the above term.

ORDERED,—That copies of this order be transmitted to the persons above described, whose places of residence are known, or to their Agents; and that the same be also published in the London Gazette and other newspapers.
