By the KING.

A PROCLAMATION

For appointing Thursday, June 26, and Friday, June 27, Bank Holidays and Public Holidays.

EDWARD, R.I.

WE, considering that it is desirable that Thursday the 26th day of June next, being the occasion of the Solemnity of Our Royal Coronation, and Friday the 27th day of the same, being the day of Our Royal Progress through the Chief City of Our Empire, should be observed as Bank Holidays and as Public Holidays throughout the United Kingdom, and in pursuance of the provisions of "The Bank Holidays Act, 1871," "The Bank Holidays Extension Act, 1875," "The Customs Consolidation Act, 1876," and "The Revenue Offices (Scotland) Holidays Act, 1880," do hereby, by and with the advice of Our Privy Council, and in exercise of the powers conferred by the Acts aforesaid, appoint Thursday the 26th day of June next, being the occasion of the said Solemnity of Our Royal Coronation, and Friday the 27th day of the same, being the day of Our said Royal Progress, as special days to be observed as Bank Holidays and as Public Holidays throughout the United Kingdom and every part thereof, under and in accordance with the said Acts, and We do, by this Our Royal Proclamation, command the said days to be so observed, and all Our loving subjects to order themselves accordingly.

Given at Our Court at Saint James', this twenty-fourth day of March, in the year of our Lord one thousand nine hundred

and two, and in the second year of Our Reign.

GOD SAVE THE KING.

At the Court of Saint James', the 24th day of March 1902.

PRESENT,

The KING's Most Excellent Majesty in Council.

This day Sir John Charles Day was, by His Majesty's Command, sworn of His Majesty's Most Honourable Privy Council, and took his place at the Board accordingly.

At the Court at Saint James', the 24th day of March 1902.

PRESENT,

The KING's Most Excellent Majesty in Council.

Whereas by Orders in Council, dated respectively 18th June 1869; 26th February 1880; 3rd May 1882; 7th March 1887; 28th November 1889; 21st March 1890; 6th February 1892; 5th August 1892; and 16th May 1893, certain regulations were made by Her late Majesty for the lettering, numbering, and registering of British Sea Fishing Boats under the provisions of the Sea Fisheries Act, 1868, and the Sea Fisheries Act, 1883:

And whereas the provisions of the Sea Fisheries Act, 1868, and the Sea Fisheries Act, 1883, relating to the lettering, numbering, and registering of British Sea Fishing Boats were repealed by the Merchant Shipping Act, 1894, and the provisions so repealed were re-enacted by Section 373 of the same Act hereinafter partly recited:

And whereas by Section 745 (1) (a) of the said Merchant Shipping Act, 1894, it is provided that any Order in Council or regulation made under any enactment thereby repealed shall continue in force as if it had been made under that Act:

And whereas by Section 373 of the Merchant Shipping Act, 1894, it is (amongst other things) enacted that—

373.—(5) Her Majesty, by Order in Council, may make regulations for carrying into effect and enforcing the entry of fishing boats in the fishing boat register, and any convention with a foreign country relative to the registry, lettering, and numbering of fishing boats, which is for the time being in force by virtue of any statute, and may by such regulations—

- (a) Adopt any existing system of registry or lettering and numbering of boats, and provide for bringing any such system into conformity with the requirements of this Act and of any such convention, and the regulations; and
- (b) Define the boats or classes of boats to which the regulations or any of them are to apply, and provide for the exemption of any boats or classes of boats from the provisions of this section, and from the regulations or any of them; and
- (c) Apply to the entry of fishing boats in the fishing boat register, and to all matters incidental thereto, such (if any) of the enactments contained in this or any other Act relating to the registry of British ships, and with such modifications and alterations as may be found desirable; and
- (d) Impose fines not exceeding twenty pounds for the breach of any such regulations which cannot be punished by the application of any of those enactments.

And whereas by Section 738 of the above-mentioned Act it is enacted as follows:—

738.—(1) Where Her Majesty has power under this Act, or any Act hereafter to be passed amending the same, to make an Order in Council, Her Majesty may from time to time make that Order in Council, and by Order in Council revoke, alter, or add to any Order so made.

(2) Every such Order in Council shall be published in the London Gazette, and shall be laid before both Houses of Parliament within one month after it is made, if Parliament be then sitting, or if not, within one month after the then next meeting of Parliament.

(3) Subject to any special provisions of this Act, upon the publication of any such Order the Order shall, as from the date of the publication, or any later date mentioned in

the Order, take effect as if it were enacted by Parliament.

And whereas by Section 30 of the Interpretation Act, 1889, it is enacted as follows:—

30. In this Act and in every other Act, whether passed before or after the commencement of this Act, references to the Sovereign reigning at the time of the passing of the Act or to the Crown shall, unless the contrary intention appears, be construed as references to the Sovereign for the time being, and this Act shall be binding on the Crown.

And whereas it is expedient that the said Orders in Council, dated respectively the 18th June 1869; the 26th February 1880; the 3rd May 1882; the 28th November 1889; the 21st March 1890; the 6th February 1892; the 5th August 1892; and the 16th May 1893, and the regulations therein respectively referred to should be revoked, and that Articles I. and II. of the Regulations referred to in the Order in Council, dated the 7th March 1887, should also be revoked:

Now, therefore, His Majesty, in exercise of the powers vested in Him in manner hereinbefore recited, by and with the advice of His Privy Council, is pleased to revoke and doth hereby revoke the Orders in Council, dated respectively the 18th June 1869; the 26th February 1880; the 3rd May 1882; the 28th November 1889; the 21st March 1890; the 6th February 1892; the 5th August 1892; and the 16th May 1893, and the Regulations therein respectively referred to, and also Articles I. and II. of the Regulations referred to in the Order in Council, dated the 7th March 1887, and the same are revoked accordingly as and from the 1st day of May 1902, and His Majesty is pleased to make in lieu of the Regulations so revoked the Regulations which are set forth in the Schedule hereunto annexed, and doth order and direct that the same shall come into force on the first day of May one thousand nine hundred and two.

A. W. FITZROY.

SCHEDULE.

REGULATIONS for the REGISTRY, LETTERING, and NUMBERING of BRITISH SEA FISHING BOATS, under Part IV. of the MERCHANT SHIPPING ACT, 1894, and under the SEA FISHERIES ACTS, 1868 and 1883.

1.—(1) These regulations shall apply to and be observed in the case of every British sea fishing boat belonging to or hailing from any port or place in the British Islands, except—

- (a) Yachts or pleasure boats not used for catching fish for profit;
- (b) Pilot boats, also used as fishing boats and marked and numbered in accordance with a law or regulation requiring the same to be so marked and numbered; and
- (c) Open and undecked boats navigated by oars only, if such boats are otherwise marked in accordance with Section 176 of the Customs Consolidation Act, 1876. (The expression "undecked boats" shall mean boats not sufficiently decked to afford any sleeping accommodation.)
- (d) Such boats employed in fishing and dredging for scientific purposes as may be exempted by the Board of Trade.

(2) The boats hereby excepted shall be deemed to be exempted from the provisions of Section 373 of the Merchant Shipping Act, 1894.

(3) The expression "boat," when hereafter used in these regulations, shall mean a boat to which these regulations apply.

2. The ports and places set forth in the first column of the First Schedule hereto shall be ports or places of registry for boats, and the letter or letters set forth in the second column of that schedule shall be the distinguishing letter or letters for those ports or places respectively.

3. The officers named in the fourth column of the First Schedule shall be the officers appointed to carry out the work of registration and the provisions of these regulations within the limits set forth in the fifth column, and are hereafter referred to as Registrars.

4. A register in the form set forth in the Second Schedule hereto, or in such other form as may be prescribed from time to time by the Board of Trade, with a consecutive series of numbers, shall be kept at each port or place of registry.

5.—(1) The owner of any boat shall make application to have such boat entered in the fishing boat register, and shall obtain for every boat belonging to him a certificate of registry in accordance with these regulations.

(2) The application shall be made in the form set forth in the Third Schedule hereto, and with the particulars therein indicated, or in such other form as may be prescribed from time to time by the Board of Trade, to the Registrar of the port or place of registry to which the boat belongs or from which she hails or is for the time being employed or nearest thereto, or may be made in duplicate in like form and with like particulars to the officer of Coast Guard or Customs in charge of the nearest station, and in Scotland may also be made in duplicate in like form and with like particulars to any officer of the Fishery Board for Scotland. Any such officer, other than the Registrar, receiving the application shall forthwith forward one copy of the same to the Registrar and shall retain and file the other copy.

(3) The Registrar on the receipt of the application and having no reason to doubt the correctness of the particulars contained therein shall cause the boat to be registered and shall appoint a number for the boat, and shall issue the certificate of registry to the applicant. The certificate shall be in the form set forth in the Fourth Schedule hereto, or in such other form as may be prescribed from time to time by the Board of Trade, and the letter or letters to be inserted in the certificate shall be the distinguishing letter or letters of the port or place of registry.

(4) A certificate issued under these regulations shall be a certificate of registry or official paper within the meaning of the Sea Fisheries Act, 1868, and Part IV. of the Merchant Shipping Act, 1894, and an official document within the meaning of the Sea Fisheries Act, 1883, and as such must at all times be carried on board the boat. Provided that the Board of Trade shall have power to exempt from this requirement boats of any class or boats engaged in any class of fishing.

6. When any boat has not already a port of registry and a port to which she belongs by

reason of her registry under Part I. of the Merchant Shipping Act, 1894, the port or place at which that boat is registered under these regulations shall be deemed to be the port or place to which she belongs. But boats belonging to any Customs port by reason of their registry under Part I. of the Act must be registered as fishing boats at the same port of registry by the Officer of Customs.

7. For the purposes of these regulations boats shall be divided into three classes, namely:—

1st Class, which shall include all steamers of 15 tons gross tonnage and upwards, and all boats (other than steamers) of 15 tons register tonnage and upwards.

2nd Class, which shall include all steamers of less than 15 tons gross tonnage and all boats (other than steamers) of less than 15 tons register tonnage or of 18 feet keel and upwards.

3rd Class, which shall include all boats under 18 feet keel, other than those navigated by oars only and marked in accordance with Section 176 of the Customs Consolidation Act, 1876.*

Provided that in the case of canoes or other boats built without keels the measurement shall be made from stem to stern over all.

8.—(1) At least once in every year, and in any case immediately upon a change of skipper, the owner of any boat shall submit the certificate of registry of his boat for examination to a Registrar or other officer empowered by these regulations to receive applications for registry, and shall report the change of skipper, if any, and also any alteration respecting the boat or her employment. Any owner who fails to submit the certificate or to report in accordance with this regulation shall be liable to a fine not exceeding five pounds.

(2) The officer to whom the certificate is submitted shall endorse on the certificate his name and the date of examination, and in the case of a change of skipper shall endorse the change, and shall at the same time make a record of the facts in such form as the Board of Trade may prescribe. If he is not the Registrar he shall report the examination to the Registrar of the port or place, and in the case of any change being reported respecting the boat, he shall forward the certificate of registry to the Registrar for correction. The Registrar shall forthwith make such alterations as may be necessary in the register and certificate of registry.

9.—(1) A report respecting any entry made in the register shall, except so far as it relates to a change of owner or skipper, be forwarded to the Registrar-General of Shipping and Seamen, who shall by these means maintain a central register.

(2) The Registrar shall also forward annually to the Registrar-General a list of all the boats which have appeared on the register during the preceding year.

10. After registration on change shall be made in the name of any boat unless the Board of Trade are satisfied that the application for such

* The Customs Consolidation Act, 1876, Section 176, requires all vessels and boats under 100 tons to have the name of the owner and of the port painted outside the stern, but this does not apply to boats registered as fishing boats.

change of name is made on reasonable and sufficient grounds, and direct that the name may be changed. In the event of any such direction being given, the name of the boat may be changed and the register and certificate altered accordingly. In all cases of change of name the former name shall appear in the register and on the certificate.

11.—(1) On a change of ownership of any registered boat—

- (a) The new owner shall make application for the registry of the boat in the manner prescribed by these regulations.
- (b) The previous owner shall deliver up the certificate of registry to the Registrar of the port or place of registry, and the Registrar shall thereupon cancel the certificate, and note the cancellation in the register against the registry of the boat.

(2) Any person who fails without reasonable cause, proof whereof shall lie on him, to deliver up to the Registrar the certificate of a boat on his ceasing to be the owner thereof, or account for the same to the satisfaction of the Registrar, shall be liable to a fine not exceeding five pounds.

12. On the transfer of any boat to another port or place of registry, the owner of such boat may apply in writing to the Registrar of the port or place to which the boat belongs to transfer the registry of the boat from that port or place to the new port or place of registry, and shall deliver up the existing certificate of registry for cancellation, or account for the same to the satisfaction of the Registrar, and the Registrar shall transmit the application, together with all necessary particulars relating to the boat, to the Registrar of the port or place at which it is desired that the boat should be registered, and the last-named Registrar shall thereupon enter the boat in the register of his port or place, and shall grant a fresh certificate of registry, and the previous registry should cease to have effect.

13.—(1) In the event of a registered boat being either actually or constructively lost, burnt, or broken up, or ceasing to be a British sea fishing boat, the owner of the boat shall immediately give notice thereof to the Registrar of the port or place of registry, and shall deliver up to the Registrar the certificate of registry, or account for the same to the satisfaction of the Registrar. The Registrar shall thereupon cancel the certificate, and note the cancellation in the register against the registry of the boat.

(2) Any owner who fails without reasonable cause, proof whereof shall lie on him, to give notice in accordance with this regulation, or to deliver up or account for the certificate, shall be liable to a fine not exceeding five pounds.

(3) If from any representation made by the owner or otherwise, the Board of Trade are satisfied that any boat has ceased to exist as a British Sea Fishing Boat, although the owner may have omitted or been unable to give notice of the same as required, they may direct that the register of such boat shall be cancelled.

(4) The provisions of this and the two preceding regulations, so far as they refer to the cancellation of registry or to a boat ceasing to be a British Sea Fishing Boat, shall not apply to boats as to which there is an existing registration under the provisions of the Sea Fishing Boats (Scotland) Act, 1886.

14. When the owner of a boat applies to and proves to the satisfaction of the Registrar of the port or place of registry that the certificate of registry of the boat has been mislaid, lost, or destroyed, the Registrar may, upon payment of a fee of one shilling, grant to the owner a copy of the certificate of registry of the boat certified under his hand to be a true copy, and that copy shall have all the effect of the original.

15. The name of each boat and that of the port or place of registry shall be painted in white oil colour on a black ground outside the stern of the boat in letters which shall not be less than three inches in height and half an inch in breadth.

16. Every boat shall bear in the following manner the letter or letters and the number assigned to the boat in her register:—

- (a) The letters shall precede the number.
- (b) The letters and numbers shall be placed on each bow of the boat three or four inches below the gunwale, and so as to be clearly visible.
- (c) In the case of steamers, the letters and number shall, in addition, be placed in a similar manner on each quarter and on the funnel twelve inches from the top of a conspicuous size, and as far as possible on the foremost half of the circumference.
- (d) The letters and number shall be painted in white oil colour on a black ground.

17.—(1) The same letters and number shall be painted in oil colour on each side of the centre cloth or cloths of the mainsail of the boat immediately above the close reef, and in such a manner as to be plainly visible. They shall be painted on white sails in black, and on black sails in white, and where the sails are of an intermediate shade, the said letters and number shall be painted in black on sails of light shade, and in white on sails of dark shade.

(2) Provided that in the case of a lug sail boat the letters and number shall be placed on the sail which is commonly used when the boat is engaged in fishing.

(3) Whenever the Registrar of the port or place of registry reports to the Board of Trade that he is in doubt as to the effectiveness for the purposes of these regulations of the colour of the letters and number in the case of a boat having any sail of intermediate shade, or whenever any question arises as to the effectiveness for the purposes of these regulations of the colour of the letters and number for any sail of intermediate shade, the letters and number shall be painted in black or in white as the Board of Trade may in each case direct.

18.—(1) For boats of the first class the letters and numbers shall be, on the hulls, 18 inches in height and $2\frac{1}{2}$ inches in breadth, and on the sails, one-third larger every way.

(2) For boats of the second class, the letters and numbers shall be, on the hulls, 10 inches in height and $1\frac{3}{4}$ inches in breadth, and, on the sails, one-third larger every way.

(3) For boats of the third class, the letters and numbers shall be, on the hulls, 6 inches at least in height and $\frac{3}{4}$ inch at least in breadth, and on the sails, one-third larger every way.

(4) Provided that in boats which have a "bend piece" or "rubbing streak" the letters and numbers shall be as high as the space above it will admit. In boats where the space between the gunwale and water-line is not sufficient for the

prescribed height, the letters and numbers shall be as high as the space will admit.

(5) In all cases, a space equal to one-third of the height of the letters shall be left between every two letters and every two figures forming the number, and the letters shall be separated from the number by twice the same space.

19.—(1) The names, letters and numbers herein prescribed shall at all times be effectively kept up and renewed when required, and a boat shall not have either on its outside or on its sails any name, letter, or number other than those herein prescribed.

(2) Provided that in the case of any boat only temporarily engaged in fishing for purposes of sale, so much of these regulations as requires that letters and numbers shall be permanently affixed to the hull and sails or funnel, shall not apply if such letters and numbers are temporarily affixed thereto during the whole period of fishing by means of board, canvas, or iron, in a manner otherwise according with these regulations.

20.—(1) If any boat is not marked with name, letters, and number in accordance with these regulations, the owner and the skipper of the boat shall each be liable to a fine not exceeding twenty pounds.

(2) If any person effaces, alters, makes illegible, covers, or conceals in any manner whatsoever the names, letters, or numbers, or is a party or privy to so doing, he shall be liable to a fine not exceeding twenty pounds.

21.—(1) All small boats carried by, or attached to, sea fishing boats as tenders or otherwise, and all the buoys, barrels, and principal floats, all other fishing implements, and all grapnels and anchors shall be marked with the same letters and numbers as the boats to which they belong, so as to be easily distinguished. The owners of any small boats, buoys, barrels, floats, implements, grapnels, or anchors may further distinguish them by any private marks they think proper.

(2) Provided that in the case of fishing implements belonging to fishermen who are not the owners of the boat in which they are engaged in fishing, it shall be held sufficient if such implements are marked so as to indentify the true owners. It shall lie upon the fishermen to satisfy any sea fishery officer that the implements properly form part of the fishing gear in use on the boats with which they may be found.

(3) The owner and the skipper of any boat not having the small boat, or the implements

used in connection with his boats, duly marked in the manner herein directed, shall each be liable to a fine not exceeding five pounds.

22. The ports and places set forth in the first column of the Fifth Schedule hereto shall henceforth cease to be ports or places of registry for sea fishing boats, and the register of boats kept at these places respectively shall be delivered into the custody of the Registrar of the port or place named in the second column of the said schedule, and no further entries shall be made therein, except such as relate to existing registries. All entries made by the Registrar to whose custody the register is delivered shall have the same effect as if made by the Registrar of the port or place from which the register is transferred.

23. These regulations shall come into operation on the first day of May one thousand nine hundred and two.

24.—(1) The provisions of the Orders in Council mentioned in the Sixth Schedule hereto are hereby revoked to the extent specified in the last column of that schedule, provided that the revocation shall not affect anything done or suffered under any of the provisions so revoked.

(2) Provided that any registry, naming, lettering, or numbering of a sea fishing boat already effected in accordance with any regulation contained in the Orders in Council hereby revoked, although not in accordance with these regulations, shall, so long as the prescribed marks on the boat are duly maintained, be deemed sufficient in the case of that boat until the boat is required by these regulations to be registered again.

NOTES.

(1) The Merchant Shipping Act, 1894, section 373, provides as follows: "If a fishing boat required to be entered in the fishing boat register is not so entered and is used as a fishing boat the owner and skipper of such boat shall as such be liable for each offence to a fine not exceeding twenty pounds, and the boat may be detained."

(2) The Sea Fisheries Act, 1868, section 26, provides that a skipper who fails to have the certificate of registry or official paper on board his boat shall be liable, together with his boat and crew, to be taken into port by any sea fishery officer and to a penalty not exceeding twenty pounds.

(3) The Sea Fisheries Act, 1883, section 12, provides that when it appears to a British sea fishery officer that any provisions of that Act or of any Order in Council have been contravened, he may take the offender and his boat and crew into port and detain them in order to bring the offender before a Court.
