ORDER OF THE BOARD OF

(DATED 5TH APRIL 1904.)

EPIZOOTIC LYMPHANGITIS ORDER
OF 1904.

The Board of Agriculture and Fisheries, by virtue and in exercise of the powers in them vested under the Diseases of Animals Acts, 1894 to 1903, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:—

Separation of Diseased and Suspected Animals;
Notice of Disease.

1.—(1) Every person having or having had in his possession or under his charge a horse affected with, or suspected of, epizootic lymphangitis shall (a) as far as practicable keep that horse separate from horses not so affected or suspected; and (b) with all practicable speed give notice of the fact of the horse being so affected or suspected to a constable of the police force for the police area wherein the horse so affected, or suspected, is or was.

(2) Every person licensed to slaughter horses who has in his possession a carcase of any horse affected with epizootic lymphangitis shall with all practicable speed give notice of that fact to a constable of the police force for the police area wherein the carcase is.

(3) The constable receiving such notice shall forthwith give information of the receipt by him of the notice to an Inspector of the Local Authority, who shall forthwith report the same to the Local Authority.

(4) Where the notice of disease relates to a carcase of a horse that has died or been slaughtered in the district of a Local Authority other than the Local Authority which received the notice, the latter shall forthwith inform the other Local Authority of the receipt of the notice.

Duty of Inspector to act immediately.

(2) An Inspector of a Local Authority on receiving in any manner whatsoever information of the supposed existence of epizootic lymphangitis, or having reasonable ground to suspect the existence of such disease, shall proceed with all practicable speed to the place where such disease, according to the information received by him, exists, or is suspected to exist, and shall there and elsewhere put in force and discharge the powers and duties conferred and imposed on him as Inspector by or under the Act of 1894 and this Order.

Veterinary Inquiry by Local Authority as to
existence of Epizootic Lymphangitis.

3.—(1) A Local Authority on receiving information of the existence, or supposed existence, of epizootic lymphangitis shall forthwith cause inquiry to be instituted as to the correctness of such information with the assistance and advice of a Veterinary Inspector, or of a veterinary practitioner qualified according to the Act of 1894 to be a Veterinary Inspector.

(2) The owner and occupier of any premises on which there is a horse affected with, or suspected of, epizootic lymphangitis, or the carcase of any such horse, shall give all reasonable facili-

ties for the inquiry by the Local Authority under this Article, and any person failing to give such facilities shall be deemed guilty of an offence against the Act of 1894.

Prohibition of Movement by Inspector of—
Local Authority.

4.—(1) A Local Authority, on being satisfied by an inquiry under the preceding Article of the existence of epizootic lymphangitis, shall forthwith take such steps as may be practicable to secure the isolation of any horse affected with, or suspected of, that disease, and for that purpose an Inspector of a Local Authority may serve a Notice in writing (in the Form A set forth in the Schedule to this Order or to the like effect) on the owner or person in charge of any horse requiring that such horse be detained on or in any field, yard, stable, shed, or other place specified in the Notice, and after the service of such Notice it shall not be lawful for any person, while such Notice is in force—

(a) to move such horse from or out of such place of detention; or

(b) to permit any other horse to come in contact with any horse to which the Notice applies; or

(c) to remove from or out of such place any carcase of a horse, or any dung, fodder, litter, or other thing that has been in contact with any horse to which the Notice applies, without the written permission of an Inspector of the Local Authority.

(2) An Inspector of the Local Authority, if satisfied that the movement of any horse to which a Notice applies to some other place of detention is expedient for purposes of isolation or other necessary purpose, may serve a further similar Notice on the owner or person in charge of the horse requiring that the horse be detained on or in such other place, and thereupon such horse may be moved, subject to the directions of the Inspector, by the nearest available route and without unnecessary delay, to such place of detention, and, when so moved, shall be there detained and isolated in accordance with such further Notice.

(3) A Notice under this Article shall remain in force until it is withdrawn by a further Notice in writing (in the Form B set forth in the Schedule to this Order or to the like effect) signed by an Inspector of the Local Authority.

(4) An Inspector shall with all practicable speed send copies of any Notice served by him under this Article to the Local Authority, and to the police officer in charge of the nearest police station of the District, and also to the Board.

(a) The place shall be swept out, and all litter, dung, or other thing that has been in contact with, or used about, any such horse shall forthwith be well mixed with quicklime and be effectually removed therefrom; then

(b) The floor of the place and all other parts thereof with which such horse has come in

contact shall be thoroughly washed, or scrubbed, or scoured, with water; then

(c) The same parts of the place shall be washed over with lime-wash or some disinfectant approved by the Local Authority.

(d) In the case of a field, yard, or other place which is not capable of being so cleansed and disinfected, it shall be sufficient if such field, yard, or place be cleansed and disinfected so far as may be practicable.

(e) Every utensil, manger, feeding-trough, pen, hurdle, harness, or other thing used for or about such horse, shall, as soon as practicable after being so used and before being used for any other horse, be cleansed and disinfected by being thoroughly washed, or scrubbed, or scoured, with water, and, where practicable, washed over with lime-wash, or with some disinfectant approved by the Local Authority.

(2) If any person fails to cleanse and disinfect any place, or any utensil, manger, feeding-trough, pen, hurdle, harness, or other thing, in accordance with this Article, it shall be lawful for the Local Authority, without prejudice to the recovery of any penalty for the contravention of this Article, to cause such place or such utensil, manger, feeding-trough, pen, hurdle, harness, or other thing to be cleansed and disinfected, and to recover the expenses of such cleansing and disinfection from such person in any court of competent jurisdiction.

Disposal of Carcasses.

6.—(1) The carcase of every horse that was affected with epizootic lymphangitis at the time when it died or was slaughtered shall be disposed of by the Local Authority as follows:

(i.) Either the Local Authority shall cause the carcase to be buried as soon as possible in its skin in some proper place, and to be covered with a sufficient quantity of quick-lime or other disinfectant, and with not less than six feet of earth;

(ii.) Or the Local Authority may, if authorised by Licence of the Board, cause the carcase to be destroyed, under the inspection of the Local Authority, in the mode following: The carcase shall be disinfected, and shall then be taken, in charge of an officer of the Local Authority, to premises approved for the purpose by the Board, and shall be there destroyed by exposure to a high temperature, or by chemical agents.

(2) With a view to the execution of the foregoing provisions of this Article the Local Authority may make such Regulations as they think fit for prohibiting or regulating the removal of any carcase of a horse, or for securing the burial or destruction of the same: Provided that the power to make Regulations under this Article shall be exercised only by the Local Authority or their Executive Committee and shall not be deputed to any other Committee or Sub-Committee.

(3) Where under this Article a Local Authority cause a carcase to be buried, they shall first cause its skin to be so slashed as to be useless.

(4) A Local Authority may cause or allow a carcase to be taken into the District of another Local Authority to be buried or destroyed, with the previous consent of that Local Authority or

with a Licence in that behalf of the Board, but not otherwise.

11. Nothing in this Order applies to horses in stables of military barracks or camps, if the horses are under the care and supervision of the Army Veterinary Department, or to horses in stables of any Veterinary College affiliated to the Royal College of Veterinary Surgeons; Provided that nothing in this Article shall be deemed to apply to the carcase of any horse, nor to exempt a Local Authority from any obligation imposed on them in regard to the disposal of carcasses.

Offences.

12.—(1) If a horse, or carcase of a horse, or other thing is moved in contravention of this Order, or of any Regulation made under this Order, or of a Notice given under this Order, the owner of the horse, carcase, or thing, and the person for the time being in charge thereof, and the person causing, directing, or permitting the movement, and the consignee or other person receiving or keeping it knowing it to have been moved in contravention as aforesaid, and the occupier of the place from which the horse, carcase, or thing is moved, shall, each according to and in respect of his own acts and defaults, be deemed guilty of an offence against the Act of 1894.
