No person shall, except with the leave of the conductor or other duly authorised officer as aforesaid, enter a disabled or injured carriage.

19. No passenger shall wilfully alter or deface his ticket so as to render the number or any material portion thereof illegible, or shall use or attempt to use a ticket on any day for which such ticket is not available, or use a ticket which has already been used on a previous journey.

20. No person, other than an artisan, mechanic, or daily labourer with the true intent and meaning of the said Orders, shall use or attempt to use any ticket intended only for such artisans, mechanics, or daily labourers.

21. 23. No person except a passenger or intending passenger shall enter or mount any carriage, and no person shall hold or hang on by or to any part of any carriage or travel therein otherwise than on a seat provided for passengers (except as herein provided).

25. No person shall enter, mount, or leave, or attempt to enter, mount or leave any carriage whilst in motion; and no person shall stand on the steps of any carriage longer than is necessary to enter or leave the carriage.

26. No unauthorised person shall interfere in any way with the electrical equipment or other mechanical apparatus of any carriage. Any person acting in contravention of this regulation shall be liable to the penalty prescribed by these bye-laws and regulations, in addition to the liability to pay the amount of any damage done to such electrical equipment or other mechanical apparatus.

JOHN BEGG, Town-Clerk.  
City Chambers,  
Perth, 2nd January 1906.

## (II.) NOTICE OF BYE-LAWS AND REGULATIONS AS TO STREET TRAFFIC.

THE Lord Provost, Magistrates, and Councillors of the Burgh of Perth, as Local Authority of said Burgh under "The Tramways Act 1870," in virtue of the powers conferred by Section 46 of said Act, and by the Perth Corporation (Tramways) Order, 1905, and the Perth Corporation Order, 1904, and of every other power enabling them in that behalf, do hereby make and enact the following Bye-Laws and Regulations, viz. :—

1. The bye-laws and regulations hereinafter set forth shall extend and apply to all streets, roads, and thoroughfares within the Burgh of Perth in which tramways are laid, which streets, roads, or thoroughfares are hereinafter referred to as "streets."

2. The expression "slow-going traffic" as used in these bye-laws and regulations includes all vehicles proceeding at a walking pace, and shall also include cattle, sheep, and other animals driven along the streets.

3. The driver of any traffic which at the time may be going on the centre of the street at a slower rate of speed than a tramway car proceeding in the same direction, shall, as soon as possible, upon warning being given by the driver of the tramway car either by ringing a bell or by blowing a whistle, draw to the side of the street so as to admit of the car getting past, unless the driver can quicken the pace so as to keep clear of the tramway car.

4. Any vehicle intending to go down a side street, which shall necessitate such vehicle crossing the tram lines, must keep its own side of the street until abreast of the side street down which such vehicle is to be taken or turned, and then cross over the tram lines direct.

5. Any vehicle emerging from a side street on to a street on which tram lines are laid with the intention of crossing such tram lines, shall be brought to a stand until the driver thereof has ascertained that no tramway car is in the way.

6. When it is necessary that a vehicle should stand on the street, it shall be drawn close to the kerb, and shall be kept there no longer than can be reasonably avoided. Any Police Constable may order the person in charge of a standing vehicle, which has been obstructing the traffic for an undue time, to move it to some place where it will not obstruct the traffic.

7. In the event of any vehicle breaking down on any street or any load falling from a vehicle, the person in charge of the vehicle shall immediately remove the vehicle or load from the street, and if he fail to do so, the Town Council may, through any of their officials in their option, remove such vehicle or load.

8. The driver of any vehicle who intends to turn out of the line of traffic in which he is then driving shall, when practicable, give a signal by holding up his hand to other drivers who may be following him.

9.
