Prescribed Dipping.

3.—(1.) All sheep in the Dipping Area during any part of a prescribed dipping period (except those exempted by later provisions of this Article) shall be caused to be dipped within the Dipping Area by the owner or person in charge thereof during that period. The first prescribed dipping period shall commence on the first day of January and terminate on the thirty-first day of August, and the second prescribed dipping period shall commence on the first day of September and terminate on the twelfth day of November.

(2.) In the case of sheep moved into the Dipping Area between the twenty-first day of August and the first day of September, or between the second day of November and the thirteenth day of that month, it shall be sufficient compliance with this Article if the sheep are dipped within ten days after the movement.

(3.) The provisions of this Article shall not apply to the following sheep:—

(i.) Sheep moved by railway through the Dipping Area without being untrucked within the Area.

(ii.) Sheep which, in the opinion of the Local Authority of the District where they are kept, it is impracticable or inexpedient to dip in accordance with the requirements of this Order, on account of their being intended for exhibition or of any other special circumstances, and which are accordingly exempted by an exemption signed by the Clerk of the Local Authority. The exemption may be granted subject to conditions as to subsequent dipping or otherwise. A copy of every exemption shall be sent to the Board. The exemption shall be in the Form A set forth in the Second Schedule hereto, or to the like effect;

4.—(1.) For the purposes of enabling the Local Authority to be represented at the dipping whenever they think such a course desirable, the owner or person in charge of any sheep required to be dipped under the preceding Article, shall give such written notice of his intention to dip his sheep as is hereinafter provided:—

(i.) The notice shall be delivered, or sent by post, to such person as the Local Authority of the District may appoint to receive such notices in respect of sheep in their District.

(iii.) The notice shall state the time and place of the intended dipping, and the ap-

proximate number of sheep intended to be dipped.

(2.) If from any cause the dipping of the sheep on the date specified in a notice becomes impracticable, no further notice shall be required if the sheep are dipped as soon after such date as is practicable.

(3.) A return in the Form B set forth in the Second Schedule hereto, or to the like effect, shall be sent immediately after each dipping by the owner or person in charge of the sheep dipped to the person appointed to receive such returns by the Local Authority of the District in which the sheep are dipped, except in any case in which an Inspector or other officer of the Local Authority is present at the dipping.

by an Inspector of the Local Authority of the District) until all the sheep shall have been dipped after the service of the notice in the presence of an Inspector of the Local Authority or have been slaughtered, and thereupon it shall be unlawful to move the sheep in contravention of the notice.

Cleansing of Dipping Places.

12. The Local Authority may provide and fit up and maintain dipping places, but subject to the approval in writing by the Board of the site of each dipping place; provided that no dipping place shall be used under this provision if its use would injuriously affect the water in any stream, reservoir, aqueduct, well, pond, or place constructed or used for the supply of water for drinking or other domestic purposes.

Power for Local Authority to regulate time and place of Dipping in particular cases.

13. The Local Authority may in any case where they think such procedure desirable serve a notice on the owner or person in charge of any sheep requiring that the sheep shall be dipped at such time and place as is stated in the notice and to the satisfaction of an Inspector of the Local Authority, and the sheep shall thereupon be dipped in accordance with the requirements of such notice. The notice may be in the Form E set forth in the Second Schedule hereto, or to the like effect.

Powers of Entry of Inspectors.
