N.B.—These Regulations are liable to alteration for future Examinations.

1. Open Competitive Examinations of Candidates for Clerkships in the Second Division of the Civil Service will be held from time to time at such places as may be deemed expedient.

2. These Examinations are open, under such general restrictions as may be laid down, to all natural-born or naturalised British subjects, being of the prescribed age and of good health and character; but a candidate will not be eligible for assignment or appointment to the Admiralty, the War Office, or the Colonial Office unless he is a British subject and the son of a father also a British subject, except by special permission from the Head of the Department concerned; and no

candidate will be eligible for assignment to the Foreign Office unless he be a natural-born British subject and born within the United Kingdom of parents also born therein, except when special permission is given to the Civil Service Commissioners by the Secretary of State for Foreign Affairs. The under-mentioned special conditions are at present in force:—

(i.) The following classes of persons are eligible under certain conditions only, that is to say:—

- (a) Persons actually serving in the Army.
- (b) Persons actually serving in the Navy.

No person actually serving in the Army will be eligible unless he produces to the Civil Service Commissioners, when called upon to do so, the permission of his Commanding Officer to attend the examination, dated before the commencement of the competition and given in accordance with such orders as may from time to time be issued by or under the authority of the Army Council.

No person actually serving in the Navy will be eligible unless he produces to the Civil Service Commissioners, when called upon to do so, the permission of his Commanding Officer to attend the examination, dated before the commencement of the competition and given in accordance with such orders as may from time to time be issued by or under the authority of the Lords Commissioners of the Admiralty.

3. The limits of age are 17 and 20. If an examination begins in one of the first six months of any year, candidates must be of the prescribed age on the first day of March in that year. If an examination begins in one of the last six months of any year, candidates must be of the prescribed age on the first day of September in that year.

In reckoning age for competition, the following allowances will be made, viz.:—(1) Persons who have served in the Army or Navy may deduct from their actual age any time during which they have served; (2) Members of the Militia, the Imperial Yeomanry, the Honourable Artillery Company, or the Volunteers (whether commissioned or non-commissioned), may deduct from their actual age any time spent on actual military service, such time being
