THE KING'S POLICE MEDAL.

THE King has been pleased to issue a Warrant under His Majesty's Royal Sign Manual to the following effect :—

EDWARD R. & I.

EDWARD THE SEVENTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas King, Defender of the Faith, Emperor of India, to all whom these Presents shall come, Greeting!

Whereas We have taken into Our Royal consideration the good services which are rendered by officers of the Constabulary Forces and by persons serving in Fire Brigades within Our Dominions and in Territories under Our Protection or Jurisdiction and the heroic acts of courage and instances of conspicuous devotion to duty of such persons which are from time to time brought to Our notice :

And whereas we are desirous of distinguishing such meritorious conduct by some mark of Our Royal favour :

We do by these Presents for Us, Our Heirs and Successors, institute and create a new Medal to be awarded for such acts of courage and conspicuous devotion to duty.

Firstly.—It is ordained that the Medal shall be designated and styled "The King's Police Medal."

Secondly.—It is ordained that the King's Police Medal shall consist of a circular Medal of Silver with Our Effigy on the obverse, and on the reverse a design emblematic of Protection from

danger, and shall bear on the rim the name of the person to whom the Medal is awarded.

Thirdly.—It is ordained that the Medal shall only be awarded to those of Our Faithful Subjects and others who being members of a recognized Police Force or of a properly organized Fire Brigade within Our Dominions or in Territories under Our Protection or Jurisdiction, have performed acts of exceptional courage and skill or have exhibited conspicuous devotion to duty ; and that such award shall be made only on a recommendation to Us by Our Principal Secretary of State for the Home Department.

Fourthly.—It is ordained that the names of those upon whom We may be pleased to confer this Decoration shall be published in the London Gazette, and that a register thereof shall be kept in the Office of Our Principal Secretary of State for the Home Department.

Such Register shall show the name and rank of the person holding the Medal, the Police Force or Fire Brigade of which he is or was a member, and particulars of the action for which the Medal has been awarded.

Fifthly.—It is ordained that each Medal shall be suspended from the left breast, and the riband, of an inch and three-eighths in width, shall be dark blue with a narrow silver stripe on either side.

Sixthly.—It is ordained that any act of gallantry which is worthy of recognition by the award of the King's Police Medal, but is performed by one upon whom the Decoration has already been conferred, may, on the recommendation to Us by Our Principal Secretary of State for the Home Department, be recorded by a Bar attached to the riband by which the Medal is suspended ;

and for every such additional act an additional Bar may be added.

Seventhly.—In order to make such provision as shall effectually preserve pure this honourable Decoration, it is ordained that if any person on whom the Decoration is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the same, this Medal shall, by an especial Warrant under Our Royal Sign Manual, be forfeited, and his name shall be forthwith erased from the Register of those upon whom the said Decoration shall have been conferred. And every person to whom the said Medal is given shall before receiving the same enter into an agreement to return the same, if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstances demanding such forfeiture.

Given at Our Court at Saint James', the seventh day of July one thousand nine hundred and nine, in the ninth year of Our Reign.

By His Majesty's Command,

H. J. GLADSTONE.

The following Regulations shall be observed in recommending His Majesty to grant the King's Police Medal:—

1. A list of the names of officers of recognized Police Forces, or of properly constituted Fire Brigades, who are recommended for the Medal, shall be submitted once in each year to His Majesty by the Secretary of State for the Home Department.

Provided that a recommendation may be made at any time when His Majesty so commands.

2. A list of officers recommended by the Secretary of State for the Colonies and the Secretary of State for India shall be forwarded to the Home Office in the month of October in each year.

3. Each list shall contain the name and rank of each person recommended, the Police Force or Fire Brigade of which he is or was a member, and particulars of the action or service for which the grant of the Medal is recommended.

4. The number of Medals awarded in any one year shall not exceed one hundred and twenty, of which at the most forty shall be awarded for service in the United Kingdom of Great Britain and Ireland, the Channel Islands, and the Isle of Man, thirty for service in His Majesty's Dominions beyond the Seas, and fifty for service in the Empire of India.

5. In very special circumstances, which, in His Majesty's opinion, would justify an exceptional grant, His Majesty may award Medals exceeding the above number.

6. The qualifications for the grant of the Medal shall be as follows:—

(a) Conspicuous gallantry in saving life and property, or in preventing crime or arresting criminals; the risks incurred to be estimated with due regard to the obligations and duties of the officer concerned.

(b) A specially distinguished record in administrative or detective service.

WHITEHALL, July 7, 1909.

His Majesty the King has been pleased to award the Edward Medal to the under-mentioned miners employed at the Kimberley Diamond Mine:—

Medal of the First Class.

Arthur Torr Blakemore.
Benjamin Kelly.
James Brack Barnes.
Thomas Menzies.
Alfred Francis.
Joseph Graham Richardson.

Medal of the Second Class.

Martinus.
Coco.
Thomas.
Elias.
Aaron.
Isaac.

On the 30th January 1909 a mud rush occurred in the Kimberley Mine, causing six natives to be completely cut off by 65 feet of mud.

An attempt was made to clear the mud away, but a second rush took place, and it was decided that the only possible method of reaching the men was by working over the top of the mud and handing the mud back in small quantities. The men concerned, after most arduous labour—they could only work stretched on planks—succeeded in rescuing the miners who had been entombed forty hours. There was great risk of a further rush, which would have overwhelmed the workers.
