MINUTE OF THE COMMITTEE OF COUNCIL ON EDUCATION IN SCOTLAND, DATED THE 3RD JUNE 1909, PROVIDING FOR THE ALLOCATION OF THE BALANCE OF THE EDUCATION (SCOTLAND) FUND FOR 1909-10.

At Dover House, Whitehall, the 3rd day of June 1909.

By the Lords of the Committee of His Majesty's Most Honourable Privy Council on Education in Scotland.

Read:—

Section 16 (2) of the Education (Scotland) Act, 1908.

Resolved:

That after providing for the first charges on the Education (Scotland) Fund for 1909-10, under Section 16, Subsections (1) (a) to (1) (f) of the Act of 1908, the balance of £421,831 be allocated as follows:—

1. There shall be allocated to each Secondary Committee District a fixed sum consisting of the following items:—

- (a) The average amount of the "Residue Grant" under Section 2 (iii) (b) of the Local Taxation (Customs and Excise) Act, 1890, allotted to the various local authorities within such district for the five years preceding 1st April 1909;
- (b) the amount of the grant receivable by secondary schools under the Minute of the Department dated 27th April 1899, in the year 1908-9;
- (c) the amounts which each district received under the Minute of the Department dated 25th February 1908, providing for the distribution of the General Aid Grant, in respect of (1) staff of small schools (Section II.D); (2) special grants to Highland districts (Section II.C(1)); (3) grants for Gaelic-speaking teachers (Section II.C(2)); and (4) sums reserved for additional bursaries in certain counties (Section II.B paragraph 2).

2. After providing for the foregoing fixed payments, the remainder of the sum available shall be distributed as regards two-thirds of the amount according to the population of the various districts, and as regards one-third of the amount according to the population multiplied by the cost of education and divided by the valuation of the district.

A further sum of £127 shall be allocated to the district of the County of Kinross from any receipts to the Fund in excess of the estimate, or—as a first charge—from moneys receivable in 1910-11.

3. For the purposes of the foregoing section, the "population" shall be taken to mean the population given in the census report last made.

The "cost of education" shall be taken to mean the sum of (a) the amounts shown by

the return of the Accountant of the Scotch Education Department to have been expended in the preceding year by School Boards upon day schools, whether primary or secondary, and upon continuation classes; and (b) the amounts expended by managers of voluntary schools or of endowed schools in receipt of grants from the Department upon the schools under their charge as such expenditure shall be ascertained by the Department.

The "valuation of the district" shall be taken to mean that shown by the valuation rolls last available for the parishes or burghs within the district.

4. The actual sums to be allocated to the various District Education Funds for the year 1909-10, as calculated in accordance with the foregoing section, shall be those shown in column 4 of the following table:—
