Private Legislation Procedure (Scotland)
Act 1899.

FRASERBURGH WATER.

(Construction of additional Waterworks by Town Council of the Burgh of Fraserburgh; Power to deviate; Power to renew and improve existing and intended Waterworks; Impounding and abstraction of Waters of Stream known as Water of Fedderate and Tributaries thereof; Laying of conduits and mains under and across streets, railways, tramways, etc.; Power to take lands and easements and servitudes over lands; Power to take part only of houses, buildings, manufactories, etc.; Acquisition of mines and minerals under lands; Stopping up of roads, etc.; Discharge of water, etc., into streams; Acquisition of lands and premises and other provisions for prevention of pollution; Pressure of water; New works to be part of water undertaking of Town Council; Provision as to compensation waters; Prescribing and Regulation of water fittings; Power to Town Council to supply fittings; Agreements as to supply of water; Borrowing of money; Water and other rates and assessments; Payment of interest during construction; Costs of Order; Incorporation and amendment or repeal of Acts; and other purposes).

NOTICE is hereby given that application is intended to be made to the Secretary for Scotland by the Provost, Magistrates and Councillors of the Burgh of Fraserburgh (hereinafter respectively called "the Town Council" and "the Burgh") under the Private Legislation Procedure (Scotland) Act, 1899, in December next, for a Provisional Order (hereinafter called "the Order") for all or some of the following amongst other purposes (that is to say):—

1. To authorise the Town Council to make, maintain, and use the waterworks and road diversion next below described (hereinafter called "the intended waterworks") or some of them,

or some part or parts thereof, all in the County of Aberdeen (that is to say):—

Work (No. 1). An Embankment or Dam for the purpose of raising and storing the waters of two confluent streams forming a tributary of the stream known as the Water of Fedderate in the Parish of New Deer, to be placed across the combined streams at a point situated at a distance of 193 yards or thereby below the point of junction of the said two streams or waters and to commence on the south-westerly side of said combined streams at a point about 77 yards measured in a south-westerly direction from the centre of said stream, and thence in a straight line in a north-easterly direction across the said stream, and to terminate on the north-easterly side of the said stream at a point distant about 77 yards measured in a north-easterly direction from the centre of said stream, from which embankment the said water raised and stored as aforesaid will extend along the valley of the combined streams and along and around the course of the southern stream for a distance of 510 yards or thereby, and along and around the course of the northern stream for a distance of 556 yards or thereby, both of said distances being measured in direct line from the centre line of said embankment or dam at the point of its intersection with the said stream.

Work (No. 2). A Conduit or Line of Pipes commencing in the Parish of New Deer at the embankment, (Work No. 1) and continuing thence from through or into the Parishes of New Deer, Old Deer and Strichen, and terminating in said Parish of Strichen, at the junction of said conduit or line of pipes with the Service Reservoir, (Work No. 3) hereinafter described.

Work (No. 3). A Service Reservoir wholly in the Parish of Strichen, and situated on the east side of the Strichen to Fraserburgh turnpike road, at a distance of 700 yards or thereby, north of the centre of the road leading to the farm of Newseat.

Work (No. 4). A conduit or line of pipes commencing in the Parish of Strichen, at the Service Reservoir, (Work No. 3) and continuing thence from through or into the Parishes of Strichen, Rathen, and Fraserburgh, to the filters, (Work No. 5) hereinafter mentioned.

Work (No. 5). Filters wholly situated in the Parish of Fraserburgh in the field on the east side of the turnpike road from Strichen to Fraserburgh immediately to the east of the farmhouse of South Middleburgh.

Work (No. 6). A conduit or line of pipes wholly situated in the Parish of Fraserburgh, commencing at the filters, (Work No. 5) and terminating by junctions with the existing water mains of the Town Council in Dennyduff Road, where that road crosses the old road leading to the Fraserburgh and Banff turnpike.

Work (No 7). A diversion of the accommodation or farm road wholly situated in the Parish of New Deer, leading from the highway at Bonnykelly School, past the Smithy, and Whitecairns Crofts, down to the tributary of the Water of Fedderate,

commencing at a point on said accommodation road 36 yards or thereby south-eastwards from the north-east extremity of the embankment or dam (Work No. 1) above described, and terminating at a point on the existing accommodation road 136 yards or thereby in a straight line measured in a north-westerly direction from said point of commencement.

Together with all necessary and proper embankments, dams, weirs, intakes, intake-weirs, by-wash channels, bridges, roads, accesses, approaches, wells, tanks, gauges, filter-beds, sluices, outlets, drains, aqueducts, culverts, cuts, channels, mains, pipes, pumps, pumping-stations, engines, machinery, buildings, telegraphs, telephones, posts, wires, and other works and conveniences in connection with the intended waterworks or any of them, or necessary or convenient for diverting, taking, collecting, storing, conducting, distributing, and regulating the waters hereinafter mentioned, and for diverting any sewage or drainage which might pollute or otherwise injuriously affect the intended waterworks, or the existing waterworks of the Town Council (hereinafter called "the existing waterworks") and for conducting, inspecting, maintaining, repairing, cleansing, managing, or using the existing and intended waterworks and for the other objects and purposes of the Order.

2. To empower the Town Council to deviate laterally and vertically in the construction of the intended waterworks from the lines, situations and levels thereof as shown on the plans and sections hereinafter mentioned, to the extent delineated thereon respectively, or to such extent as may be prescribed in the Order, and also from time to time extend, alter and enlarge or to reduce the intended waterworks and the existing waterworks of the Town Council, and any part or parts thereof or works or appliances therewith connected, and to increase the number, size and capacity thereof.

3. To empower the Town Council by means of the intended waterworks or by one or other or some of them to take, collect, divert, impound, store, distribute, supply and use for the purpose of their water undertaking and for all or any purposes of the Order, and for the compensation water (if any) hereinafter mentioned all the waters of the tributary streams rising above the site of the said embankment or dam, (Work No. 1) and flowing into the stream known as the Water of Fedderate in the County of Aberdeen, and all such streams, waters and springs which arise under, flow into, or will or may be collected or intercepted by the intended waterworks or any of them or which may be found in, upon or under any lands acquired by or for the time being belonging to the Town Council, or over or in respect of which the Town Council may have or may acquire water or other rights or servitudes.

4. To authorise the Town Council, compulsorily or by agreement, to carry the intended waterworks or any of them through, over, under, along, across, or into and for that purpose to open, break up, interfere with and temporarily or permanently to submerge, stop up, divert or alter, and use any highway or any public or private road or street, footpath or footway, canal, railway, tramway bridge (including the structure of any bridge),

river, stream, culvert, sewer, drain, gas, water, telegraphic, electric or telephone pipes or mains in any of the parishes and places within which the intended waterworks will be situated as aforesaid or the supply of water be afforded, and to acquire by compulsion or agreement, easements, servitudes, or rights of way, or other rights over, in or under any lands, highways, roads, bridges, railways, canals, tramways, streets, paths, culverts, sewers, drains, rivers, streams, watercourses and pipes or mains so far as may be necessary or expedient for the purposes of making, maintaining and using the intended or existing waterworks or any of them, and to exercise all other usual and necessary powers in that behalf.

5. To empower the Town Council to acquire compulsorily or by agreement, and to enter upon, appropriate, take, and use permanently or temporarily all lands, houses, waters, streams, springs, and other property necessary for the execution, maintenance, and use of the intended waterworks or any of them and to hold the same for the purposes of their water undertaking, and of the Order, or to exchange lease feu or otherwise acquire lands houses or other property in all or some of the several parishes and places aforesaid, and also rights of easement or servitude permanent or temporary in and over lands, and also to vary or extinguish all existing rights and privileges connected with such lands, houses, waters, streams, springs, and other property which may in any way interfere with the purposes of the Order or with the existing waterworks and property of the Town Council, and also to confer further and other powers rights and privileges, and to empower the Town Council for the purposes of their water undertaking and of the intended waterworks, and of the Order, notwithstanding Section 90 of the Lands Clauses Consolidation (Scotland) Act 1845, to purchase and take by compulsion part only of any house building or manufactory without being required to purchase the whole thereof, and to authorise the Town Council from time to time to sell feu lease and otherwise dispose of such part or parts of any lands which the Town Council may acquire under the powers of the Order and which may not be required for the purposes thereof or of their water undertaking to such person or persons as the Town Council may think fit or as the Order may provide, and to provide for the disposal of any price or consideration which may be received on such sale or otherwise, and to provide that with respect to such land the provisions of the Lands Clauses Acts as to superfluous lands shall not apply.

6. To authorise and empower the Town Council and the owners of and other parties interested in and any trustees, curators, heirs of entail, life-renters, persons under legal disability, or other persons holding any partial, limited or qualified estate or interest in any lands, houses, springs, streams, waters, and other property required for the construction of the intended waterworks, or any of them, or for the purposes of the Order to sell, convey, and grant the same, and any easements, servitudes, privileges and powers through, in, over, across, or in relation to the same to the Town Council absolutely or by way of feu, lease in perpetuity or otherwise at such price and subject to such feu duty ground annual or rent or for such other consideration and upon such terms and conditions as may have been or may be agreed between such owners, trustees, or other persons aforesaid and to execute sanction and confirm any

agreements, conveyances, contracts of feu, and ground annual leases and other deeds which may have been or may be made with respect to the matters aforesaid.

7. To authorise the Town Council to acquire by compulsion or agreement any mines or minerals under the lands which they may have acquired may acquire or lease or use or through which the intended waterworks may pass, notwithstanding the provisions of the Waterworks Clauses Act 1847 with respect to mines.

8. To empower the Town Council to acquire compulsorily or by agreement and temporarily or permanently, a servitude or right of way over or user of so much of the accommodation road in the Parish of New Deer leading from the highway at Bonnykelly School past the Smithy and Whitecairn's Crofts down to the tributary of the Water of Fedderate as lies between the commencement of the road diversion (Work No. 7) hereinbefore described and the junction of the said accommodation road with the said highway.

9. To provide for the stopping up and discontinuance of the portion of road proposed to be diverted in the construction of Work No. 7 and the extinguishment of all rights thereover, and to authorise the Town Council to appropriate the site and soil thereof, and to vest in, and provide for, the management, maintenance and repair of the new portion of road by, and at the expense of, the road authority or other persons liable for the management maintenance and repair of the diverted road or otherwise as may be provided by the Order.

10. To authorise the Town Council at any time to discharge sandwashing waste and other water from their existing or intended waterworks, into any available stream or watercourse or into any stream or watercourse with which any of the existing or intended waterworks may communicate or can be made to communicate or into any stream or watercourse crossed by any aqueduct, conduit or line of pipes and to make provisions for compensating all persons for any damage that may be caused by the exercise of such power.

11. To enable the Town Council to acquire by compulsion or by agreement or take on lease for such term or terms of years as they may think fit or otherwise to acquire any lands and to hold waters, springs and premises and other real or heritable property within the area draining into the existing or intended waterworks or easements, servitudes, or restrictions in or over the same which they may consider desirable or needful for securing the purity of the water in the drainage area of the intended and existing waterworks and for the prevention of pollution, nuisance, encroachment, or injury within the drainage area of any of the intended or existing waterworks, and to provide that no such lands shall be deemed to be superfluous lands within the meaning of the Lands Clauses Acts, and to enable the Town Council to let, sell, feu, or otherwise dispose of such lands so to be acquired by them, on such terms, conditions and restrictions as regards the use thereof as to the Town Council may seem fit, and to provide for the application of the proceeds arising from any such sale.

12. To confer on the Town Council all powers for the execution of works or otherwise necessary for the prevention of pollution of the intended and existing waterworks, and to prevent the fouling or contamination of any streams, springs or waters forming directly or indirectly

any portion of their water supply, and to make provision for the recovery by summary proceeding by the Town Council of penalties for the pollution of reservoirs, streams, watercourses, water springs and drainage areas over which the Town Council have any powers or user or which they may acquire or in which they are interested, and to empower the Town Council and the owners, lessees and occupiers of any lands within the drainage area of the existing or intended waterworks, to enter into and carry into effect agreements for the execution of works for the prevention of pollution from or disposal of the drainage of such lands.

13. To provide that the water to be supplied from any main or pipe of the Town Council, laid, or to be laid, need not be constantly laid on under pressure or be supplied in any case at a level above or at a greater pressure than can be supplied or afforded by gravitation from the service reservoirs or tanks from which the supply is taken.

14. To provide that the existing and intended waterworks shall for all purposes form part of the water undertaking of the Town Council, and to make applicable thereto all or some of the powers and provisions of the Burgh Police (Scotland) Acts, 1892, to 1903, and the Public Health (Scotland) Act, 1897, and Acts amending the same, as the same are amended, varied, enlarged and extended by the Order.

15. To make provision with respect to and to define the quantity or amount and source of compensation water to be given by the Town Council in respect of the proposed taking, impounding, diversion, and abstraction of waters under the powers of the Order, and to make such other provisions as to compensation, in such other way and manner as the Order, may prescribe, or as may be agreed on, or otherwise.

16. To make provision for the replacement of fittings by owners and occupiers or either of them and to confer power on the Town Council to prescribe fittings and to enforce any order which the Town Council may make for providing fittings and for keeping the same in sufficient repair under penalties, and to enable occupiers to repair fittings in case of need, or when called upon at any time by the Town Council, and to deduct the cost of so doing from the rent payable in respect of the premises and to authorise the Town Council to supply, let on hire, alter and renew fittings and to provide that any fittings supplied or let on hire by the Town Council shall not be subject to distress or be liable to be taken in execution under any process of any Court.

17. To regulate, or to authorise the Town Council to make and enforce regulations for the use of water supplied for domestic and other purposes, and for preventing the water from being wasted, contaminated, polluted or improperly used, and for preventing any improper or unauthorised interference with the water or existing or intended waterworks, and to regulate or to enable the Town Council to make and enforce regulations as to the construction and use of cisterns, pipes, taps, fittings and other apparatus for the proper and economical use of water within any dwelling-houses, or other buildings, premises or places to which water may be supplied by them, and to enter such dwelling-houses and other buildings and premises for the purpose of inspecting the said cisterns, pipes, taps, fittings, and other apparatus, and to discontinue the supply of water in cases in which such regulations may be contra-

vened and to provide that no cisterns, pipes, taps, fittings, or other apparatus, shall be used in such dwelling-houses, premises, or other buildings or places, except such as may be authorised by the Town Council.

18. MUIRHEAD TRUST.

(Variation and Reconstitution of the Trust of the late Henry Muirhead; Appointment of additional Trustees; Extension of the Powers of the Trustees; Future Application of the Trust Funds; and other purposes.)

NOTICE is hereby given that application is intended to be made to the Secretary for Scotland on or before the 17th day of December

1909 by Petition under the provisions of the Private Legislation Procedure (Scotland) Act 1899 for a Provisional Order (hereinafter called "the Order") promoted by the surviving testamentary Trustees of the late Henry Muirhead, M.D., LL.D., of Longdales and Bushyhill in the County of Lanark, for the following or some of the following purposes (that is to say):—

To reconstitute the Trust and to provide for the appointment, nomination, or election of additional Trustees and for the representation on the reconstituted Trust of certain public bodies in Glasgow and to make provision for carrying out the nomination and election of such Trustees and to prescribe the duties of the Trustees and to regulate the procedure of the Trust.

To authorise or require the Trustees to hold and administer the funds forming the Trust estate of the late Henry Muirhead (hereinafter referred to as "the Trust Fund") and to make provision for the application thereof for the purposes and in accordance with the provisions which may be prescribed in or sanctioned by the Order.

To provide that notwithstanding the purposes and provisions of the testamentary deeds and writings of the Truster, the said Henry Muirhead, or of the scheme relative to the said Trust and the Endowments thereof approved by the Court of Session on the 12th day of May 1899, the Trust Fund or so much or such part thereof as the Trustees think fit or as the Order may prescribe may be applied in making provision for the endowment and maintenance of certain Medical and Surgical Chairs in the University of Glasgow and to define and regulate the manner in and the condition under which the said objects and purposes are intended to be carried into effect.

To authorise the Trustees to pay out of the Trust Fund or out of the income thereof to the University Court of the University of Glasgow such sum or sums as the Trustees think fit or as may be agreed or as the Order may prescribe and that annually or otherwise in or towards the payment of the emoluments of the aforesaid University Chairs in the University of Glasgow and to be designated and known as "The Muirhead Chair of Medicine" and "The Muirhead Chair of Obstetrics and Gynæcology" or by some other similar names and to prescribe the conditions under which the Trust Fund may be applied and continued in connection with the said two Chairs and to provide for the representation of the Trustees on the Board of Curators in respect of the said Chairs and to further secure the institution of a Chair of Pathology or Pathological Anatomy and a Chair of Surgery at the Royal Infirmary of Glasgow and that all classes to be taught and instruction given by the holders of said Chairs shall be open to students of the University of Glasgow without distinction of sex.

To authorise the Trustees to make a grant or grants from the Trust Fund either from capital or income as they think fit to the Glasgow and West of Scotland Technical College for the erection and institution in the said College of accommodation for women students of the said College and to make provision for carrying out such purpose.

To authorise the Trustees to establish and maintain four "Muirhead Scholarships" at the said Glasgow and West of Scotland Technical College of such annual amount or value as may be prescribed in or sanctioned by the Order for women students at the said College and to be held for such period or periods as the Order may prescribe

and to prescribe such conditions for such Scholarships as the Trustees think fit and to agree with the Trustees of the said Technical College with respect thereto and to authorise the Trustees to add to the number of or to increase the amounts of such Scholarships at the said College if they think fit and to reserve to the Trustees the power to withdraw or cancel any such Scholarships or any of them and to pay the same out of the income of the Trust Fund.

To authorise the Trustees to found a post graduate Scholarship for a woman medical graduate of such amount and tenable for such period as the Trustees think fit or as the Order may prescribe at each of the Royal Samaritan Hospital for Women in Glasgow and the Royal Hospital for Sick Children in Glasgow and to pay the same out of the income of the Trust Fund and to secure to the Trustees the power to withdraw or cancel both or either of said Scholarships.

To authorise the surviving testamentary Trustees and the Trustees constituted under the Order and the Governors of the several public institutions after-mentioned or one or more of them to enter into and carry out agreements, that is to say, the University of Glasgow, the Governors of the Glasgow and West of Scotland Technical College, the Governors of the Royal Infirmary of Glasgow, the Governors of the Royal Samaritan Hospital for Women in Glasgow, the Governors of the Royal Hospital for Sick Children in Glasgow, and the Governors of St. Mungo's College, and with any other bodies or persons in relation to all or some of the purposes of the Order and for more effectually carrying out such purposes.

To provide for the discharge of the testamentary Trustees acting under the said testamentary deeds and writings of the Truster and to confer upon the Trustees powers of investment of the Trust Funds and powers to sell and to realise the Trust Fund and the Trust Estate and any and every part of the same and to make rules and regulations and bye-laws for the better administration and management of the Trust Fund in accordance with the provisions of the Order.

To provide that the Trustees may receive and apply any additional donations or endowments in connection with the purposes of the Order and of the Trust and in carrying out such purposes.

To make provision for any deficit in the Trust Fund which may arise in carrying out the purposes of the Order and for the preferential or rateable distribution of the Trust Fund as the order may prescribe.

To rescind and abrogate the aforesaid Scheme approved by the Court of Session in connection with the Muirhead Endowments and also the provisions of the testamentary deeds and writings of the Truster the said Henry Muirhead so far as the same are inconsistent with the provisions of the Order.

To provide for the foundation of scholarships and to make grants for educational purposes and to make rules and regulations with respect thereto.

To make such further and other provisions as may be necessary or expedient for effecting the objects and purposes of the Order and to vary and extinguish all rights and privileges which may interfere with the purposes of the Order and to confer other rights and privileges.

To provide for the payment of the costs of the Order out of the Trust Fund as the Order may provide.

The Petition for the Order and printed copies thereof and of the draft Order will be lodged at the Office of the Secretary for Scotland, London, on or before the 17th day of December next and on or before the same date a printed copy of the draft Order will be deposited in the Office of the Clerk of the Parliaments and in the Private Bill Office of the House of Commons.

The subsequent procedure will be by way of Provisional Order unless it is otherwise decided in terms of the Private Legislation Procedure (Scotland) Act 1899 in which case the procedure may be by way of Private Bill and this Notice and the deposits will be subject to the Standing Orders of Parliament apply to such Bill.

To authorise the Trust to enter into, and carry into effect, agreements and arrangements with or between any Corporation, County Council, Local or Road Authority, Commission, Trust, Company, Body, or person, with respect to any of the objects and purposes of the Order, and any incidental matters relating thereto, and to confirm any agreements made or to be made in relation to the objects, powers, and purposes of the Order.

To alter, vary, amend, or extinguish tolls, rates, duties, exemptions, obligations, assessments, and charges, and to authorise other tolls, rates, duties, exemptions, obligations, assessments, and charges, and to authorise the Trust or the Corporation of Edinburgh or the North British Railway Company to commute or extinguish by the payment of a capital sum or otherwise any annual tolls, rates, or duties or annual payments presently payable in respect of any lands or other property vested in the Trust by the Order.

To provide specially for the method of valuation of all lands and other property now held by the North British Railway Company or by the Corporation of Edinburgh to be vested in the Trust by the Order or to be transferred by the Order from the possession, ownership, or occupation of the North British Railway Company or of the Corporation of Edinburgh, and to provide for the constitution of the capital sums ascertained by means of such method of valuation, and under the deductions ascertained under other provisions of the Order, as capital debts or burdens of the Trust or upon the lands and other property of the Trust, to be secured by Bonds to be granted by the Trust, or otherwise.

To authorise the Trust to grant to any owners and occupiers of lands adjacent to the Canal, at any part thereof shown upon the Plans, or to any other lands belonging to the Trust, access to the site thereof on such terms as the Trust may deem proper.

To authorise the Trust to sell the lands and other property vested in them by the Order or acquired by them by agreement or otherwise, or to feu, excamb, lease, or deal in any other manner with such property, or themselves to occupy and utilise such property, always under the conditions prescribed in the Order.

To authorise the transfer of the lands at Slatford required for Work No. 1, from the owners and occupiers and others from whom the same shall be acquired under the provisions of the Order, whether by agreement or compulsion, directly to and in favour of the North British Railway Company and to authorise the North British Railway Company to make, construct, lay down, form, use and maintain Work No. 1, above mentioned, or some part or parts thereof, with all necessary and proper works and conveniences connected therewith.

To authorise the transfer of any of the lands not required for Work No. 1, directly to and in favour of the Corporation of Edinburgh, and to authorise the Corporation of Edinburgh to make, construct, lay down, form, use and maintain Works Nos. 2, 3, 4, 5, 6, 7, and 8, or some of them or some part or parts thereof, with all necessary and proper works and conveniences connected therewith.

To authorise the North British Railway Company to use and maintain for traffic the new Canal basin

to be constructed under the Order at Slateford together with the approaches thereto and all wharves, towing-paths, yards, buildings, erections and works to be formed in connection therewith with the same rights and privileges now enjoyed by the North British Railway Company in respect of the existing Canal and Canal basins, and subject to the same limitations and duties of whatsoever kind, to charge dues therefor, except in so far as the rights, privileges, limitations and duties are modified, increased, limited or ended by the provisions of the Order.

To provide for the valuation of the lands and property of whatsoever kind held by the Trust and for the transfer of the whole of such property or any proportion or part thereof to the North British Railway Company or to the Corporation of Edinburgh or to both and for the winding up, ending and dissolution of the Trust and of the undertakings in the hands of the Trust.

To authorise the Corporation of Edinburgh to levy a rate under the third or fifth heads of Section 66 of the Edinburgh Municipal and Police Act, 1879, and to expend the proceeds thereof upon any of the works authorised by the Order to be carried out by the Corporation of Edinburgh upon lands acquired by the Corporation under the provisions of the Order or to pay over the proceeds thereof to the Trust for the purposes of the Order; and also to authorise and empower the Corporation of Edinburgh to grant guarantees on security of such rate or otherwise for the payment of interest and repayment of capital to the creditors of the Trust.

To authorise the Trust to appoint on such terms as they think proper such officials as they deem necessary, and to promote Provisional Orders and Private Bills.

And notice is also hereby given that Plans and Sections in duplicate describing the lands to be taken and the lines, situations and levels of the works proposed to be authorised by the Order, together with a Book of Reference to such Plans, containing the names of the owners and lessees, or reputed owners and lessees, and of the occupiers of such lands, and a copy of this notice, as published in the *Edinburgh Gazette*, will be deposited for public inspection on or before the 30th day of November instant with the Town Clerk of the City of Edinburgh at his office therein and in the Office at Edinburgh of the Principal Sheriff Clerk of the County of Midlothian; and with the Clerk of the City Parish of Edinburgh and the Clerk of the Parish Council of Colinton at their respective offices.

The Petition for the Order and printed copies thereof and the draft Order will be lodged with the Secretary for Scotland at his office, Whitehall, London, on or before the 17th day of December 1909 and on or before the same date a printed copy of the Draft Order will be deposited in the office of the Clerk of the Parliaments, House of Lords, and in the Private Bill Office of the House of Commons.

The procedure subsequent to the deposit of the Petition for and the draft Order in the office of the Secretary for Scotland will be by way of Provisional Order, unless it is otherwise decided in terms of the Private Legislation Procedure (Scotland) Act, 1899, in which case the procedure may be by way of Private Bill, and this notice and other notices and the deposits of plans, sections, Books of Reference and copies of the

Gazette notice above mentioned will, subject to the Standing Orders of Parliament, apply to such Bill.

Dated this 19th day of November 1909.

IN THE COUNTIES OF ABERDEEN AND BANFF.

Work No. 20.—A road commencing in the Parish of Strathdon, in the County of Aberdeen, at the point where the road leading from Delnadamp Lodge joins the public road leading to Strathdon, and terminating in the Parish of Kirkmichael, in the County of Banff, at or near the dam or embankment of the intended Avon Reservoir (Work No. 1) hereinbefore described.

The works hereinbefore described will be made in or will pass from, through, or into the parishes

of Strathdon, Logie-Coldstone, Tarland, Coull, Lumphanan, Tough, Kincardine O'Neil, Midmar, Echt, Skene, Newhills, and Peterculter, in the County of Aberdeen, and Kirkmichael, in the County of Banff.

To empower the Corporation, in connection with the works hereinbefore described, to make and maintain all proper dams, walls, embankments, filters, overflows, shafts, tunnels, adits, aqueducts, culverts, cuts, sluices, water-courses, weirs, washouts, meters, gauges, manholes, rails, railways, tramways, sidings, bridges, engines, machinery, channels, conduits, mains, pipes, stand-pipes, water-towers, junctions, valves, drains, hydraulic and electric apparatus, telegraphs, telephones, apparatus, roadways, approaches, fences, buildings, quarries, works, and conveniences connected with the works hereinbefore described or any of them, or incidental thereto, or necessary or convenient for constructing, controlling, inspecting, cleansing, repairing, or managing the works hereinbefore described, and to confer on them full power and right at all times of approach and access to the said works or any of them, and the works ancillary thereto, all of which works hereinbefore described or mentioned, and the works ancillary thereto, are hereinafter referred to as "the intended Waterworks."

To empower the Corporation, during the construction and after the completion of the intended Waterworks, or some part thereof, to take, divert, impound, collect, store, and use so much of the waters of the River Avon and the tributaries thereof, and of all such brooks, streams, springs, and surface or other drainage waters as may or can be intercepted or taken by means of the intended Waterworks, all of which waters now flow into the River Avon, a tributary of the River Spey.

To make provision with respect to the supply of water to the owners of lands adjoining the River Avon, and any other persons using the waters thereof, and of the streams which the Corporation may, under the powers of the intended Order, be authorised to intercept and take, and to provide that such supply of water shall be accepted in satisfaction of all claims for compensation in respect of the taking of such waters, or to make such other provisions as to compensation for water intercepted or taken as may in the circumstances be deemed expedient.

To authorise the Corporation to acquire, by compulsion or agreement, the lands and buildings shown upon the plans to be deposited as hereinafter mentioned, and servitudes in, under, or over the said lands, and to appropriate and use, sell, let, hold, or dispose of lands, buildings, and servitudes.

To provide that any question of disputed compensation for compulsory purchase of lands or servitudes shall be referred to the determination of a sole arbiter, and to enable such arbiter to determine all questions of expenses in any arbitration.

To authorise the Corporation to occupy and make temporary use of any lands adjoining the intended Waterworks during the construction thereof without being required to purchase such lands.

To authorise the Corporation, notwithstanding anything contained in Section 90 of the Lands Clauses Consolidation (Scotland) Act, 1845, to purchase and acquire by compulsion parts of any houses, buildings, or manufactories, without being

required or compelled to purchase the whole of any such houses, buildings, or manufactories, and to purchase and acquire by compulsion or agreement, servitudes in, under, or over any lands for the construction of aqueducts and other underground works without being required to purchase the surface of such lands, and to acquire by compulsion or agreement any mines or minerals under any such lands, notwithstanding the provisions of the Waterworks Clauses Act, 1847, with respect to mines.

To empower the Corporation for the purposes of the intended Waterworks, or for any of the purposes of the intended Order, to break up, alter, divert, and interfere with, either permanently or temporarily, and to cross over, under, or upon all such roads, highways, thoroughfares, ways, bridges, footpaths, railways, tramways, rivers, canals, navigations, streams, water-courses, sewers, drains, gas, and water, and other pipes, and telegraphic, telephonic, and electric wires, tubes, pipes, boxes, and other apparatus as may be necessary or convenient.

To provide that any altered or diverted portions of roads, which may be constructed by the Corporation under the powers of the intended Order, shall in all respects form respectively parts of the roads in lieu of the portions for which the same are respectively substituted under the said powers, and shall be maintained by the respective parties liable to maintain the said existing roads, or such other parties as shall be specified in the intended Order.

To authorise the Corporation to make such deviations from the situations, lines, and levels of the intended works shown on the plans and sections to be deposited as hereinafter mentioned, as may be indicated by the limits of deviation shown on the said plans and sections or prescribed or authorised by the intended Order.

To make provision, by means of bye-laws or otherwise, for the protection of the intended Waterworks, and of the waters proposed to be taken, and for preventing such waters from being diverted, taken, polluted, or discoloured, and to empower the Corporation to make and carry into effect agreements with any owners, lessees, or occupiers of any lands within the drainage area of the proposed reservoir (Work No. 1) hereinbefore described, with reference to the execution by the Corporation, or any such owners, lessees, or occupiers, of such works as may be necessary for the purpose of draining such lands, or any of them, or for more effectually collecting, conveying, and preserving the purity of the waters flowing to, upon, or from such lands directly or derivatively into such works.

To authorise the discharge of water from the intended Waterworks into any streams, cuts, ditches, drains, or watercourses crossed by or near to the intended Waterworks, and, if thought fit, to provide for compensating any person sustaining damage through the exercise of such powers.

To provide that the intended Waterworks shall form part of the existing water undertaking of the Corporation, and to extend and apply thereto all or some of the enactments relating to that undertaking, and to extend and apply all or some of the provisions of the intended Order to the existing water undertaking of the Corporation.

To empower the Corporation from time to time to alter, extend, enlarge, or improve all or any of the intended Waterworks.

To authorise the Corporation to enter into and

carry into effect agreements and arrangements with any corporations, companies, bodies, or persons, with respect to any of the objects and purposes of the intended Order and any incidental matters relating thereto, and to confirm any agreements made or to be made in relation to the objects, powers, and purposes of the intended Order.

To enable the corporation and any local authority, company, or person to enter into and carry into effect contracts for the supply of water by the Corporation to such authority, company, or person from the intended Waterworks.

To authorise the Corporation to apply to the purposes of the intended Order any funds, moneys, rates, charges, or assessments now belonging to them, or which they are now authorised to raise or levy, or which may come into their possession under their existing powers or any further powers which may from time to time be conferred on them.

To remove doubts as to the powers of the Trustees of the Trust for the improvement of the water supply of the City constituted under the trust disposition and settlement of the deceased George Low Calder, sometime of Calcutta, and thereafter residing in Aberdeen, dated the 2nd day of October, 1897, to apply the fund of the said trust, and any accumulations thereof, towards the purposes of the intended Waterworks, and, if deemed expedient, to vary the terms of the said trust and to transfer and convey to the Corporation, for the purposes of the intended Waterworks, the said fund and any accumulations thereof, and to provide for the discharge of the Trustees.

To authorise the Corporation, for the purposes of the intended Order and for the purposes of the existing water undertaking of the Corporation, to borrow further moneys, and from time to time to re-borrow, on mortgage, bond, annuity, or cash credit, on the security of the property, funds, rates, revenues, and assessments for the time being belonging to them, or which they now are or by the intended Order may be authorised to assess, levy, and collect, or by the issue of Corporation stock under the powers of the Aberdeen Corporation Act, 1891, or otherwise, to provide out of the existing and future revenues of the Corporation for the accumulation of a fund to pay the interest on moneys to be borrowed, to make provision for the repayment of such moneys by sinking fund or otherwise, to provide for the payment of interest out of borrowed money, to prescribe the payments to be made to the sinking fund, and, if deemed expedient, to postpone the commencement of such payments into the sinking fund until the completion of the intended Waterworks, or such other period as the intended Order may define, and to make other provisions with regard thereto as the intended Order may prescribe.

To authorise the Corporation to continue or to alter or vary the existing rates, assessments, and charges leviable under their existing Acts or any of them, or to impose and levy new special and increased or additional rates, assessments, and charges for the several objects and purposes of the intended Order on or from the owners and occupiers of lands, buildings, heritages, or other property within the City, and on any persons to whom water may be supplied by the Corporation, and to make such other provisions with respect to rates, assessments, and charges as the intended Order may prescribe.

To provide for the application of any surplus of revenue of the existing water undertaking to the purposes of the intended Waterworks, and to provide that the public water rate, domestic water rate, and the rates, rents, and charges for all supplies of water now charged by the Corporation, may be continued, and be the minimum rates, assessments, and charges to be levied and assessed during the period of construction of the intended Waterworks.

To make provision for securing to the Corporation a preferential right of full payment of water rates, rents, and charges in cases of insolvency or bankruptcy of any person liable in payment of the same and to provide for the recovery of the same.

The intended Order will alter, vary, or extinguish all rights and privileges inconsistent with or which would or might in any way impede or interfere with the objects or purposes of the intended Order, and will confer other rights and privileges, and will incorporate with and make applicable to the intended Waterworks with or without modification or alteration all or some of the provisions of the Lands Clauses Acts, the Railways Clauses Consolidation (Scotland) Act, 1845, with respect to the crossing of roads and the temporary occupation of lands near the railway during construction, and the Waterworks Clauses Acts, 1847 and 1863, and will vary, amend, alter, or repeal all or some of the provisions of the Aberdeen Police and Waterworks Act, 1862, and any other Act or Order relating to or affecting the Corporation or their waterworks undertaking.

And notice is hereby given, that duplicate plans and sections describing the lines, situations, and levels of the intended works and plans of the lands and other property in, upon, or through which they may be made or which may be taken compulsorily for the purposes of the intended Order, together with a Book of Reference to such plans, containing the names of the owners and lessees, or reputed owners and lessees, and occupiers of such lands and other property, and a copy of this Notice as published in the Edinburgh Gazette will, on or before the 30th November instant, be deposited for public inspection with the Principal Sheriff Clerk for the County of Aberdeen, at his office at Aberdeen, and with the Principal Sheriff Clerk for the County of Banff, at his office at Banff, and on or before the same day a copy of so much of the said plans, sections, and Book of Reference as relates respectively to the parishes of Kirkmichael, Strathdon, Logie-Coldstone, Tarland, Coull, Lumphanan, Tough, Kincardine O'Neil, Midmar, Echt, Skene, Newhills, and Peterculter, together with a copy of the said Notice, will be deposited for public inspection with the Clerk of the Parish Council of each such Parish, at his office, or, if he has no office, at his residence.

Notice is hereby further given that the subsequent procedure on the application for the intended Order will be by way of Provisional Order, unless it is otherwise decided in terms of the Private Legislation Procedure (Scotland) Act, 1899, in which case the procedure may be by way of Private Bill, and this Notice and the deposits with reference to the said application will, subject to the Standing Orders of Parliament, apply to such Bill.

The Petition for the intended Order and printed copies thereof, and of the draft of the

intended Order, will be deposited at the office of the Secretary for Scotland, Whitehall, London, on or before the 17th day of December next, and on or before the same date printed copies of the draft of the intended Order will be deposited in the office of the Clerk of the Parliaments, House of Lords, and in the Private Bill Office of the House of Commons.

NOTICE is hereby given, that application will be made to Parliament in the ensuing Session by the Assam Railways and Trading Company Limited (hereinafter referred to as "the Company") for leave to bring in a Bill for the following among other purposes, viz. :—

To increase the nominal capital of the Company and to provide for the rearrangement and re-adjustment of such capital, and the satisfaction and discharge of the arrears of dividend on the A shares of the Company.

To define the capital of the Company as proposed to be constituted after the passing of the intended Act.

To convert into A stock with such preferential and other rights and incidents as may be defined by the Bill the A shares of the Company or to authorise and provide for such conversion.

To convert into like stock the unissued new six pounds per centum preference shares created by resolution of the Company passed on the 29th June, 1893, and confirmed on the 14th July, 1893, or to authorise and provide for such conversion.

To create or to authorise and provide for the creation of such A stock to such amount as may be necessary for the purposes aforesaid and for enabling the Company to issue further amounts of A stock to the holders of A shares of the Company as hereinafter mentioned.

To convert into B stock of such nominal amount and with such rights and incidents as may be defined in the Bill the existing B shares of the Company or to authorize and provide for such conversion and to create or to authorize and provide for the creation of such B stock accordingly.

To provide for the issue to holders of A shares of A stock in substitution for such shares and of such further amount of such stock as may be specified in the Bill in satisfaction and discharge of, or in substitution for, the accumulated arrears of interest on such A shares.

To provide for the issue to the holders of B shares of such nominal amounts of B stock as may be specified in the Bill in substitution for the said B shares.

To cancel the existing A shares and B shares and to provide that all the A stock and B stock to be issued under the intended Act shall be deemed to be fully paid up and to fix or to provide for fixing the date as from which such stock shall rank for dividend.

To require the holders of A shares and B shares to accept the stock to be issued to them under the provisions of the intended Act in satisfaction and discharge of all rights vested in them as holders of such shares.

To cancel as from such date as may be speci-

fied in the Bill all arrears of dividend on the existing A shares and to extinguish the rights of the holders of such shares in respect of such arrears.

To cancel and extinguish such liability (if any) of the holders of the existing B shares or any of them as may at present exist for the payment of calls on such shares and to provide either expressly or by implication that all such shares shall be deemed as from their issue to have been fully paid.

To make all such provisions as may be necessary or expedient with respect to the issue of stock certificates and the calling in and cancellation of existing share certificates.

To empower and require trustees and others holding in a representative or fiduciary capacity to accept and hold all or any of the stock to be issued under the intended Act in substitution for or in respect of any A shares or B shares held by them and the arrears of dividend on such A shares and if and so far as may be deemed necessary or expedient to define the rights and interests of tenants for life and other persons having limited interests in shares so held to and in all or any part of the stock so to be issued, and if thought fit to provide for the issue to such tenants for life of part of such stock as their absolute property.

To define the trusts, powers, provisions, charges, and liabilities upon and subject to which the stock to be issued under the intended Act is to be held.

To make provision as to the mode of transfer of A stock and B stock to be issued under the intended Act.

To define the order of ranking for dividend of the various classes of shares and stock of the Company and the rights of members of the Company of voting at general meetings, and if and so far as may be thought fit to vary and amend the existing rights

To make provision as to the distribution of assets of the Company in the event of its dissolution, and for the allocation of such assets among the holders of the various classes of shares or stock of the Company and to define the rights of such holders or any of them in respect of any return of capital during the continuance of the Company whether in consequence of any sale to the Secretary of State for India of any part of the property of the Company or otherwise, and if and so far as may be deemed necessary or expedient for the purposes aforesaid to vary the rights of such holders as defined in the memorandum and articles of association of the Company and the Assam Railways and Trading Company's Act, 1897, or either of them, in regard to the matters aforesaid or any of them.

To alter the rights of the holders of shares or stock of the Company to receive a bonus upon the dissolution of the Company or any repayment of capital during the continuance of the Company, and to confer new rights with respect to such bonus upon the holders of such class or classes of such shares or stock (to the exclusion of any other class or classes) as may be specified in the Bill.

To authorise and provide for the making of all such alterations in the register of members and other books and documents of the Company as may be necessary for giving effect to the objects of the intended Act.

To repeal, alter or amend so far as may be necessary for the purposes of the intended Act all or some of the provisions of the said Assam Railways and Trading Company's Act, 1897.

To vary and amend the memorandum and articles of association of the Company to such extent as may be necessary for the purposes of the intended Act or as may be specified in the Bill.

To confer upon the Company all such powers, rights and privileges as may be necessary or expedient for effecting the purposes aforesaid, and to vary and extinguish all rights and privileges which would interfere with the objects of the intended Act, and to confer other rights and privileges.

Printed copies of the proposed Bill will be deposited in the Private Bill Office of the House of Commons on or before the 17th day of December next.

All of which works and lands, above described, forming the existing water works and property of the Town Council will be, by the Order, confirmed and declared to be part of the water undertaking of the Town Council under the Order.

(2.) To authorise the Town Council to make, construct, maintain, and use the water works, hereinafter described, or some of them or some part or parts thereof, together with all proper embankments, reservoirs, bridges, roads intakes, approaches, ways, weirs, wells, tanks, channels, basins, sluices, gauges, filters, filter-beds, and apparatus, catchwater drains, culverts, cuts, aqueducts, tunnels, main and distributing pipes, meters, dams, sluices, waste weirs, outlets, outfalls, discharge pipes, adits, shafts, bye-washes, conduits, sewers, drains, mains, pipes, junctions, valves, engines, apparatus conveniences, houses, buildings, connected with the said intended works, and all other works which may be necessary or convenient for appropriating, intercepting, diverting, conducting, taking, collecting, inspecting, storing, regulating, maintaining, repairing, cleansing, managing, and using and distributing the waters hereinafter mentioned, and the waters of the existing water works, and for the other purposes and objects of the Order, and also from time to time to extend, alter, enlarge, duplicate, and replace the works, mains, and pipes, and the existing works, mains, and pipes, and to increase the number and size of the works, mains, and pipes, and for the purposes of the Order to take, appropriate, acquire, compulsorily or by agreement, or to take a compulsory user in or over the lands and streams shown on the deposited plans and described in the Book of Reference, to be deposited as afterwards mentioned, for the purposes of the said intended works or so far as may be necessary therefor. The said water works intended to be authorised are the following:—

(24.) A heck or grating (work number 24) in the bed of the River North Esk, in the Parish of Logie-Pert and County of Forfar, to be placed opposite to the intake of Kinnaber Mill Lade before mentioned.

(25.) A widening, enlargement, and straightening of Kinnaber Mill Lade (work number 25), commencing at the intake from the River North Esk, hereinbefore mentioned, in the Parish of Logie-Pert and County of Forfar, and passing through the Parishes of Logie-Pert and Montrose in the said County, and the Parish of St. Cyrus

in the County of Kincardine, and terminating by a junction with the River North Esk at a point 100 yards or thereabouts to the north-west of the Ice House, near Fisher Hills, in the Parish of Montrose and County of Forfar.

(26.) A measuring weir or gauge (work number 26) in the said Kinnaber Mill Lade, situate in the Parish of Logie-Pert and County of Forfar, at a point 30 yards or thereabouts, measured in a southerly direction, from the intake to the said Lade hereinbefore mentioned.

(27.) An aqueduct, conduit, or line of pipes (work number 27), situate in the Parish of Montrose and County of Forfar, commencing in the said Kinnaber Mill Lade at a point immediately to the south-east of the pump house at Upper Mills of Kinnaber, and terminating in the pump well at the said Upper Mills of Kinnaber, together with a measuring gauge to regulate the quantity of water authorised to be abstracted from the said Kinnaber Mill Lade by the Order.

(28.) A sluice with gate (work number 28) across the said Kinnaber Mill Lade, situate partly in the Parish of Montrose and County of Forfar and partly in the Parish of St. Cyrus and County of Kincardine, and at a point 150 yards or thereabouts, measured in a south-westerly direction, from the junction of the Bye-Lade or Bye-Pass channel, being the existing work number 10 before mentioned, with the said Kinnaber Lade.

(29.) A heck or grating (work number 29), situate in the Parish of Montrose and County of Forfar, across the termination of the said Kinnaber Mill Lade at a point 100 yards or thereabouts to the north-west of the Ice House near Fisher Hills.

(30.) A filter house, water tower, and filters (work number 30), situate in the enclosure number 120 on the 25 inch Ordnance Survey Map of the Parish of Montrose and County of Forfar, 2nd Edition, 1904, adjacent to the existing Service Reservoir of the Town Council.

(31.) A conduit, aqueduct, or line of pipes (work number 31), situate in the enclosure number 120 on Ordnance Map of the Parish of Montrose and County of Forfar, commencing by junctions with the existing aqueducts, conduits, or lines of pipes of the Town Council, being the existing works, 16, 17, and 21 before mentioned, near the north-east corner of the existing Service Reservoir, and terminating in the water tower part of the filter house (work number 30).

(32.) An aqueduct, conduit, or line of pipes (work number 32), situate in the Parish of Montrose and County of Forfar, commencing in the water tower part of the filter house (work number 30), and terminating in the Storage Reservoir (work number 33) hereinafter described.

(33.) A Storage Reservoir (work number 33), situate in the Parish of Montrose and County of Forfar, partly in the enclosure number 45 and partly in the enclosure number 46 on the said Ordnance Survey Map of the Parish of Montrose, Second Edition, 1904.

(34.) An aqueduct or line of pipes (work number 34), situate in the Parish of Montrose and County of Forfar, commencing in the Storage Reservoir (work number 33), and terminating in the filter house (work number 30) hereinbefore described.

(35.) An aqueduct, conduit, or line of pipes (work number 35), situate in the Parish of Mon-

trose and County of Forfar, commencing in the Storage Reservoir (work number 33), and terminating in the aforesaid Kinnaber Mill Lade at a point 25 yards or thereabouts measured in a south-easterly direction from the bridge which carries the service road leading to the Upper Mills of Kinnaber, the Haugh of Kinnaber, and the cottage at Ponage Pool over the said Mill Lade.

(36.) A clear water or Service Reservoir (work number 36), situate in the Parish of Montrose and County of Forfar, in the enclosure number 120 on the said 25 inch Ordnance Survey Map of the Parish of Montrose, Second Edition, 1904, adjacent to the filter house and water tower (work number 30).

(37.) An aqueduct, conduit, or line of pipes (work number 37), situate in the said enclosure number 120 on the said Ordnance Survey in the Parish of Montrose and County of Forfar, commencing in the filter house (work number 30), and terminating in the Service Reservoir, being number 19 of the existing works of the Town Council hereinbefore described.

(38.) An aqueduct, conduit, or line of pipes (work number 38), situate in the said enclosure number 120 on the said Ordnance Survey in the Parish of Montrose and County of Forfar, commencing in the filter house (work number 30), and terminating in the clear water or Service Reservoir (work number 36).

(39.) An aqueduct, conduit, or line of pipes (work number 39), situate in the said enclosure, number 120 on the said Ordnance Map, in the Parish of Montrose and County of Forfar, commencing in the Clear Water or Service Tank (work number 36) and terminating by junction with the existing aqueduct, conduit, or line of pipes of the Town Council, being number 20 of the existing works before mentioned, at or near the southern end of the existing Service Reservoir.

(40.) An aqueduct, conduit, or line of pipes (work number 40), situate in the said enclosure, number 120 on the said Ordnance Map, in the Parish of Montrose and County of Forfar, commencing in the Filter House (work number 30), and terminating by junction with the existing aqueduct, conduit, or line of pipes of the Town Council, being number 21 of the existing Water Works before mentioned.

The said intended works and lands above described will be situate in or will pass through the Parishes of Logie-Pert and Montrose in the County of Forfar, and in the Parish of St. Cyrus in the County of Kincardine.

(3.) To authorise the Town Council to purchase and acquire compulsorily, or by agreement, and to hold and use the following lands of, or in connection with, the water undertaking of the Town Council, that is to say:—

The Lands situated within the Parish of Montrose and County of Forfar, being the lands numbered 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, and 46 on the deposited plans and described in the deposited Book of Reference.

(4.) To authorise the Town Council to maintain, use, and apply the said intended new and additional Water Works and the existing Water Works of the Town Council, or one or other, or some part or parts of the same, for carrying and distributing the Water Supply to and within the limits of supply of the Town Council, or within

such limits as may be defined in the Order, or to apply, and use, and maintain such new and existing Water Works, or any part thereof, for all, or one, or any of the purposes to which the Town Council may apply the same, or otherwise in such manner as the Town Council may from time to time determine, or as may be defined by the Order.

(5.) To authorise the Town Council to lay down, maintain, use, alter, renew, relay, extend, enlarge, add to, and discontinue within the limits of supply, or beyond the said limits, or any part thereof, mains, pipes, works, and other conveniences for the distribution and supply of water, and from time to time to alter, renew, relay, extend, and enlarge, and add to, and discontinue the same, and for that purpose to confer on them the powers contained in the Water Works Clauses Acts, 1847 and 1863, and in the Order, of opening and breaking up streets, roads, highways, and other public and private roads and passages and places within such limits.

(6.) To authorise the Town Council within as well as beyond the intended limits of supply to supply water for domestic, trading, and public purposes, and also water in bulk, or otherwise for sanitary, trading, manufacturing, and other purposes, and to make agreements, and to confirm any agreements which may be made before the passing of the Order; to levy, impose, assess, and recover rates, assessments, rents, and charges for, and in respect of, the supply of water for domestic, and public, and trading purposes from the owners and occupiers, or other persons, or one or other of them, of all lands and heritages within the limits of supply and within the limits of compulsory supply to be defined in the Order, and in such proportions, and in such way and manner as the Order may provide; to alter, vary, enlarge, or increase existing rates, assessments, rents and charges; to impose, assess, levy, and recover new, additional, and increased, and other rates, assessments, rents, and charges throughout the limits of supply and compulsory limits of supply; and to confer, vary, and extinguish exemptions from the payments of rates, assessments, rents, and charges now leviable, or which may become leviable under the Order, and to confer other rights and privileges.

(7.) To make provision for imposing, levying, assessing, collecting, and recovering the said rates, assessments, rents, and charges under the provisions of the Burgh Police (Scotland) Acts, 1892 to 1903, or under the Public Health (Scotland) Act, 1897, or otherwise under the Order, or under any one or more of them, or in such other way and manner as the Order may provide.

(8.) To provide that the Town Council may charge for any supply of water for any purpose whatever, other than for domestic purposes, such sum, and on such terms and conditions, and in such way and manner as shall be agreed upon between them and the Local Authority body or person requiring such supply, or, in the discretion of the Town Council, such sums as they may consider reasonable; and also to provide that all special rates for water supplied shall be sufficiently intimated and published if such rates are exhibited in the office of the Town Clerk, and that such exhibition after advertisement shall be equivalent to an agreement with respect to the amount of such rates, and shall be binding on all persons obtaining a special water supply.

(9.) To authorise the Town Council to sell and supply water by meter or otherwise as well within as beyond the compulsory limits of supply, and to purchase, hire, manufacture, provide, lease, or sell meters to parties supplied with water, and to charge rates or rents for the use of meters, and to make and carry out agreements for effecting such purposes.

(10.) To empower the Town Council, and any other Town Councils, Corporations, Companies, Bodies, Sanitary Authorities, County Councils, Parish Councils, Local Authorities, or other public bodies or persons within or beyond the limits of supply to enter into agreement with each other for the supply of water by the Town Council, or for the laying of mains, pipes, or other works within the limits of supply, or beyond those limits, and to confirm any such agreements already made, or which may be made previously to the passing of the Order, and to enable such Town Councils, Corporations, Sanitary Authorities, or other Local Authorities to borrow money and to levy rates or assessment for those purposes, and to defray the expenses to be incurred by them in respect of such supply out of the rates or assessments which they may from time to time be authorised to levy, or as may be prescribed by the Order.

(11.) To authorise the Town Council by means of the intended Water Works and the existing Water Works of the Town Council, or one or other, or some part or parts of the same to abstract, intercept, divert, take, appropriate, impound, collect, store, distribute, supply, and use for the purposes of the Order.

(1.) The waters of the spring or well on the Glenskenno Estate, known as the well or spring of Glenskenno, and all waters, springs, or drains feeding the same, and all other springs or supplies of water on the said estate of Glenskenno, in the Parish of Dun and County of Forfar.

(2.) All waters lying in or upon the lands belonging to the Town Council, and known as the Haugh of Kinnaber, partly in the Parishes of Logie-Pert and Montrose in the County of Forfar, and partly in the Parish of St. Cyrus in the County of Kincardine.

(3.) The waters of the River North Esk flowing down the Mill Lade, known as the Kinnaber Mill Lade, in the said Parishes of Montrose and Logie-Pert in the County of Forfar, and the Parish of St. Cyrus in the County of Kincardine, which waters now flow into the River North Esk and thence into the sea.

(12.) To define the limits of supply of water and the limits of compulsory supply.

(13.) To authorise the Town Council to purchase, acquire, enter upon, take, and use, either compulsorily or by agreement, all such lands, houses, buildings, rivers, waters, streams, and other property, as may be necessary or convenient for the purposes of the said several works and of the Order, or the compulsory user thereof, and compulsory servitudes and easements in and over the same, without acquiring the lands; and all other privileges and powers over, in, or under the same, and to abolish all rights, grants, or authority in favour of any body or person for sinking wells, or taking water, from any part of the lands that may be so acquired, and to withdraw and cancel any right

held by the Directors of the Royal Lunatic Asylum, Infirmary and Dispensary of Montrose to sink wells or draw water from any part of the lands known as the Haugh of Kinnaber; to cross, stop-up, appropriate, alter and divert temporarily, or permanently, or to acquire easements, servitudes, or rights of way over, in, or under any lands, highways, county, statute labour, occupation, or other roads and water-courses, so far as may be necessary or expedient for the purpose of making and maintaining the said works, and to exercise all other usual and necessary powers; and to purchase so much only of any lands or property as they may require for the purposes of the Order, without being subject to the liability imposed by Section 90 of the Lands Clauses Consolidation (Scotland) Act, 1845.

(14.) To authorise and empower the Town Council to purchase and acquire, or to lease, feu, rent in perpetuity, or otherwise from any local authority, Company, Corporation, Commissioners, Trustees, and others bodies or persons, whether under legal disability or not, by agreement such lands or additional lands and heritages as they may deem necessary for any of the purposes of the Order, or for the purity of the water supply and the prevention of contamination, and also from time to time to sell, feu, let or lease, or otherwise dispose of such part or parts of any lands and heritages which they may acquire under the powers of the Order, and which may not be required for the purposes of their undertaking, and in such way and manner and to such person or persons as the Town Council may think fit, or as the Order may provide, and to provide for the disposal of any price or consideration which may be received on such sale or otherwise.

(15.) To empower the Town Council at any time for any purposes connected with any of their existing works, or with any of the works to be authorised by the Order, to cause any water to be discharged into any available stream, drain, or water-course.

(16.) To make and enforce regulations for the use of water supplied for domestic and other purposes, and for preventing the water from being wasted, contaminated, polluted, or improperly used, and for preventing any improper or unauthorised interference with the water or works, and to make and enforce regulations as to the construction and use of cisterns, pipes, taps, fittings, and other apparatus for the proper and economical use of water within any dwelling-houses or other buildings and places to which water may be supplied by them, and to enter such dwelling-houses and other buildings for the purpose of inspecting the said cisterns, pipes, taps, fittings, and other apparatus, and to discontinue the supply of water in cases in which such regulations may be contravened, and to provide that no cisterns, pipes, taps, fittings, or other apparatus shall be used in such dwelling-houses or other buildings or places except such as may be authorised or approved, and to provide that the water to be supplied need not be constantly laid on under pressure.

(17.) To deviate laterally from the lines and situations of the water works, within the limits shown on the plans hereinafter mentioned, and to deviate vertically from the levels, as shown on the sections to be deposited, as hereinafter mentioned, to such extent as may be provided by the Order.

(18.) To transfer to and vest in the Town

Council a portion of the East Links of the Burgh of Montrose, in the Parish of Montrose, shown on the deposited plans, and coloured pink thereon, and described in the deposited Book of Reference, and containing an area of 39 acres or thereby imperial measure, and the absolute ownership and right of property in and over the said portion of the East Links, freed and discharged from all rights and restrictions in and over the same and from any right of user therein.

(19.) To authorise the Town Council from time to time to sell, feu, or lease the said portion of the East Links, or any part thereof, in such lots or divisions and in perpetuity, or for such periods, and for such prices, ground annuals, feu-duties, rents, or considerations, and on such terms and conditions as they may think fit, and to provide for the application or investment of the prices, ground annuals, feu-duties, and rents, to be received by the Town Council for, or in respect of, the selling, feuing, or leasing of the said portion of the East Links.

(20.) To authorise the Town Council to appropriate and take and to add to the lands in the North Links of the Burgh of Montrose, now used as a common and for golfing and other public purposes, the lands shown on the deposited plans, and coloured green thereon and described in the deposited Book of Reference, being parts of the lands of Southfield, Broomfield, and Seafield, and other lands situated in or near to the North Links, in the said burgh and parish, or any of them now belonging to the Town Council, and occupied by their lessees or tenants.

(21.) To vary or extinguish all existing rights and privileges of the burgesses or inhabitants of the said burgh, or other persons in, over, or connected with the said portion of the East Links, and all other rights and privileges which would prevent or interfere with the sale, feuing, or leasing of the said portion of the East Links, or the appropriation and using of the said lands in the North Links for the execution of the purposes of the Order, and to confer all such powers, rights, and privileges as may be necessary for carrying the same into effect.

(22.) To authorise the Town Council from time to time to control and regulate and to make and repeal, vary, or add to, and enforce bye-laws for the management, regulation, and control of the lands and Links and others, forming the common good of the Town Council, and of all or any golf courses or places for the playing of golf or other games thereon, and for the licensing and regulation of caddies, professional golfers or golf experts, and others who may be employed on the golf links for remuneration or reward, and for the prevention of unlicensed persons being employed, or taking employment on the said lands and on the golf courses, and for the orderly conduct of persons frequenting or using the same, or engaging in golf or other games thereon, or on any part of the said lands, and to provide for the summary trial and punishment of offences against any such bye-laws by and before the Magistrates of Montrose, or the Sheriff of the County of Forfar, or any of his substitutes, or in any manner and before any Court of competent jurisdiction as the Order may provide, and for the imposition and recovery of penalties for the breach of any such bye-laws.

(23.) To enable the Town Council to levy and enforce rates and charges on persons or bodies of persons using the golf courses formed, or which

may be formed on the said lands, for the upkeep and maintenance of the same, and further, to levy and enforce rates and charges on persons or bodies of persons who may at any time use any new or additional golf courses which may from time to time be laid out or opened up by the Town Council, or by others on any part of such lands, and to levy and enforce rates and charges from persons or bodies of persons using the said ground, or any portion thereof, for the playing of games thereon, or any of the purposes for which the same or any part is used.

(24.) To authorise the Town Council to borrow, and from time to time to re-borrow money for the construction of the aforesaid works and for the purchase of lands, and for the other several purposes or any of the purposes hereinbefore mentioned, and for the repayment of money already borrowed by the Town Council for their water undertaking, and for the extinction of the existing debts and obligations affecting the water supply of the Town Council, and for the other purposes of the Order on mortgage, bond, annuity, cash-credit, or otherwise, and upon the security of such property, rates, rents, charges, or assessments, as may arise or be levied and received under the Order, or under the Burgh Police (Scotland) Acts, or as may be defined by the Order; to make provision for repayment of borrowed money, and for renewal of works, plant, and apparatus, and for meeting depreciation thereof, and for these and other purposes or any of them to create a Sinking Fund or Sinking Funds, and to fix the amount thereof and the mode of application of the same, and to extend the period for repayment of money already borrowed and to be borrowed for the existing and intended Water Works.

(25.) To make, alter, vary, and rescind bye-laws, rules, orders, and regulations for or with respect to any of the objects of the Order, and to impose and enforce payment of penalties for breach or non-observance of such bye-laws, rules, orders, and regulations, and to provide for the recovery and application of penalties. To make provision for securing preferential rights of full payment of water rates, rents, and charges in cases of insolvency or bankruptcy of any persons liable to the same, and to use all diligence for recovery. To vary or extinguish all rights and privileges which may interfere with any of the objects of the Order, and to confer all rights and privileges necessary or expedient for effecting those objects, or in relation thereto.

(26.) To make provision for maintaining and keeping in repair the Dam Dyke in the River North Esk, known as the Morphie Dam Dyke, and to provide for the apportionment of the cost of maintaining the same, and to charge all persons interested therein, or using the water flowing down the Morphie and Kinnaber Mill Lades, with such cost, or such proportion of the cost, as may be agreed, or failing agreement, as may be fixed by the Sheriff of the County of Forfar, or otherwise ascertained, to require all such persons to make such payments accordingly, and to provide for the recovery of the same.

(27.) To incorporate with and extend and make available and applicable to the purposes of the Order all, or some, of the provisions of the Lands Clauses Acts: the Water Works Clauses Acts, 1847 and 1863: the Burgh Police (Scotland) Acts, 1892 to 1903: the Local Government (Scotland) Acts, 1889 to 1908: the Public Health Act, 1897, and Acts amending or extending any

of those Acts, and the provisions of the Railway Clauses Consolidation (Scotland) Act, 1845, with respect to the temporary occupation of lands near the railway during the construction thereof, and with respect to the crossing of roads, or other interference therewith, with such exceptions from, or alterations or modifications, or amendments of the provisions of those Acts, or any of them, as may be thought expedient or be prescribed by the Order, and to amend and interpret the same.

(28.) To alter, amend, and extend, or to repeal, so far as may be necessary or desirable for the purposes of the Order, the Burgh Police (Scotland) Acts, 1892 to 1903, the Local Government (Scotland) Acts, the Roads and Bridges (Scotland) Act, 1878, and all other Acts of, or relating to, the roads, and Acts amending or extending the said Acts: Section 12 of the Salmon Fisheries (Scotland) Act, 1868, the Caledonian Railway Company Act, 1845, Caledonian Scottish Central Railway Amalgamation Act, 1865, the North-British Edinburgh and Dundee and West of Fife Railways Amalgamation Act, 1864, and the several Acts of Parliament of and relating to, those Companies, or all or any Sections or provisions in any of the before mentioned Acts relating to any Company, body, or person who, or whose property and interest may be affected by any of the powers or provisions of the Order.

(29.) To repeal, vary, or extinguish all rights, powers, authorities, jurisdictions, privileges, and exemptions which may in any way interfere with any of the objects and purposes of the Order, and to confer, vary, or extinguish other rights, powers, authorities, jurisdictions, privileges, and exemptions.

(30.) To provide for the payment of the costs of the Order as the Order may prescribe.

Notice is hereby also given that plans and sections and duplicates thereof respectively describing the lines, situations, and levels of the works proposed to be authorised as before specified, and the lands and property intended to be taken, or which may be taken, or in which a compulsory user and servitude may be acquired, for the purposes of the Order, with a Book of Reference to the plans, containing the names of the owners, or reputed owners, lessees, or reputed lessees, and occupiers of the said lands and other property will, together with a copy of this Notice, as published in the Edinburgh Gazette, be deposited for public inspection on or before the 30th November, 1909, in the offices respectively at Dundee and Forfar of the Sheriff Clerk of the County of Forfar, and at Stonehaven of the Principal Sheriff Clerk of the County of Kincardine, and a copy of so much of the said plans, Sections, and Book of Reference respectively as relate to the Parishes before mentioned in which works are to be executed, or lands or property taken, together with a copy of the said Notice, will, on or before the said 30th day of November, be deposited with the Clerk of the Parish Council of each such Parish at his office, and, as relates to the Burgh of Montrose, with the Town Clerk of the said Burgh at his office in Montrose.

The Petition for the Order, and printed copies thereof, and of the Draft Order will be lodged at the offices of the Secretary for Scotland, London, on or before the 17th day of December next, and on or before the said date a printed copy of the draft Order will be deposited in the office of the Clerk of the Parliaments and in the Private Bill Office of the House of Commons.

The subsequent procedure will be by way of Provisional Order, unless it is otherwise decided, in terms of the Private Legislation Procedure (Scotland) Act, 1899, in which case the procedure may be by way of Private Bill, and this Notice and the deposits will, subject to the Standing Orders of Parliament, apply to such Bill.

Dated this 17th day of November, 1909.

RIVER DON (SALMON FISHERIES).

(Improvement and Maintenance of Salmon and other Fishings; Co-operation between Owners of Fishings and Riparian Industries; Construction and Maintenance of New Works by Riparian and/or Fishing Proprietors; Re-construction and Continuance by Riparian and/or Fishing Proprietors of Existing Works; Subsidiary Works; Alteration, Improvement, &c., of Works; Deviation from Lines and Levels; Acquisition of Lands and Servitudes; Abstraction and Diversion by means of Works of Water from River Don; Regulation of Diversion and Use of Water by Riparian Proprietors and other Persons; Declaration and Definition of Rights of Riparian Proprietors and other Persons Entitled to Divert and Use Water of River Don; Alteration of Points at which Riparian Proprietors are entitled to Abstract Water; Inspection of Works by and Powers to River Don Fishery Board; Empowering Life-Renters, Companies, &c., to Contribute towards Cost of Executing Order, &c.; Penalties, their Recovery and Application; Extinguishing and Conferring Rights and Privileges; Incorporation, Amendment, and Repeal of Acts; and other Purposes.)

NOTICE is hereby given, that application is intended to be made by Alex. Pirie and Sons, Limited, and C. Davidson and Sons, Limited, by Petition to the Secretary for Scotland, under and in pursuance of the Private Legislation Procedure (Scotland) Act, 1899, in December next for a Provisional Order (hereinafter called "the Order") for effecting all or some of the following amongst other purposes (that is to say):—

1. To give effect by the Order to all or some of the provisions of or to sanction or confirm an Agreement made or to be made between the Right Honourable the Earl of Kintore, The Right Honourable Lord Sempill, The Right Honourable Lord Forbes, The Honourable Athol

Monson Forbes, Sir Arthur Henry Grant, Baronet, Neil M'Lean, James Ogston, James Milne, Alex. Pirie and Sons, Limited, C. Davidson and Sons, Limited, J. and J. Crombie, Limited, William Roger Paton, and the River Don Fishery Board, with respect to inter alia the diversion and use by riparian proprietors and others of the waters of the River Don, and the construction of works for regulating such diversion and facilitating the passage of fish up and down the said River.

2. To make provision for the improvement and preservation of salmon and other fishings in the River Don, in the County of Aberdeen, and for the maintenance of adequate water passes and other works for the passage of fish up and down the said River, and for facilitating the continuance of an equable flow of water in certain reaches of the said River, and to provide for co-operation in that behalf between persons owning or interested in manufactories and industries on the banks of and fishings in the said River.

3. ST. MUNGO'S COLLEGE.

Variation and Extension of the Powers of the Governors of St. Mungo's College, Glasgow : Application of Funds for the Foundation and Maintenance of Chairs of Pathology or Pathological Anatomy and Surgery in the University of Glasgow : and other purposes.

NOTICE is hereby given that application is intended to be made to the Secretary for Scotland on or before the 17th day of December, 1909, by Petition under the provisions of the Private Legislation Procedure (Scotland) Act, 1899, for a Provisional Order (hereinafter called "the Order") promoted by the Governors of St. Mungo's College, Glasgow, for the following or some of the following purposes, that is to say :—

To authorise the Governors of St. Mungo's College, Glasgow, notwithstanding anything contained in the Memorandum and Articles of Association of the said College or in the conditions under which any contributions forming part of the Funds of the said College are held, to apply such Funds or so much thereof as the Governors may think fit or may find necessary for the purpose of endowing and maintaining and to endow and maintain a Chair in the University of Glasgow to be known and designated as "the St. Mungo Chair of Pathology or Pathological Anatomy," or by some other similar name, at the Royal Infirmary of Glasgow, and to pay and contribute from and out of the free annual income of the College Funds to the University Court while and so long as the Chair is continued and maintained and is connected with the Royal Infirmary as a University Chair such amount yearly as may be prescribed in or sanctioned by the Order.

To provide for the appointment by the Governors of St. Mungo's College of representatives on the Board of Curators or other Board having the right of election or presentation to the said Chair.

To authorise the Governors of the said College on and after the establishment of a Chair of Surgery in connection with the Royal Infirmary to be designated and known as the St. Mungo Chair of Surgery, or by some other similar name, to pay and contribute such a yearly sum as they think fit or as the Order may prescribe out of the annual revenues of the College Funds towards the salary of the Professor for the time being occupying the said Chair, and further to provide that the said Chair shall be connected with the Royal

Infirmary of Glasgow as a Chair in the University of Glasgow.

To provide for the appointment by the Governors of St. Mungo's College of representatives on the Board of Curators or other Board having the right of election or presentation to the said Chair.

To prescribe and secure the conditions on which the contributions aforesaid should be made and continued, that is to say :—That the said two Chairs before-mentioned shall be established and maintained in the University of Glasgow and that two other Chairs shall also be established and maintained in the said University—namely, a Chair of Medicine and a Chair of Obstetrics and Gynæcology, both also at the Royal Infirmary of Glasgow ; and, further, to provide and secure that the classes to be taught by the holders of the said four Chairs shall be open to students of the University of Glasgow without distinction of sex ; and to provide and secure that in the event of the instruction given by the holders of any of the said four Chairs ceasing to be open to women the Governors of the St. Mungo's College may in their discretion withhold such payments or any part thereof.

To provide that the Governors of St. Mungo's College may receive any additional donations or endowments for the purposes of or incidental to the Order, and may apply any such additional donations or endowments in such manner as the Governors of the said College deem most expedient for carrying out the general purposes of the Order. The Governors may also accept and receive donations and endowments for any specific objects, or having any specific conditions attached thereto, not inconsistent with the provisions of the Order.

To vary, alter, and amend and extend the aforesaid Memorandum and Articles of Association of St. Mungo's College, or some part or parts thereof, and the conditions and provisions of any deeds of gift to the said College so far as may be necessary for carrying out the purposes of the Order.

To make such further and other provisions as may be necessary or expedient for carrying out the objects and purposes of the Order, and to vary and extinguish all rights and privileges which may interfere with such purposes and to confer other rights and privileges.

To authorise the Governors of St. Mungo's College and the Governors of the public institutions after-mentioned, or any of them, mutually to enter into and carry out agreements in relation to all or some of the purposes of the Order, and for the more effectual carrying out of such purposes, that is to say :—The University of Glasgow, the Governors of the Royal Infirmary of Glasgow, the Muirhead Trustees and any other bodies or persons interested.

To provide for the payment of the costs of the Order out of the funds of St. Mungo's College as the Order may provide.

The Petition for the Order and printed copies thereof and of the draft Order will be lodged at the Office of the Secretary for Scotland, London, on or before the 17th day of December next, and on or before the same date a printed copy of the draft Order will be deposited in the office of the Clerk of the Parliaments and in the Private Bill Office of the House of Commons.

The subsequent procedure will be by way of Provisional Order unless it is otherwise decided

in terms of the Private Legislation Procedure (Scotland) Act, 1899, in which case the procedure may be by way of Private Bill, and this Notice and the deposits will, subject to the Standing Orders of Parliament, apply to such Bill.
