**ADMIRALTY-OFFICE—April 27. 1805.**

Copy of a Letter from the Right Honourable Lord Keith, K. B. Admiral of the Blue, &c. to William Marsden, Esq. dated on board his Majesty's ship Monarch, off Ramsgate, 25th of April 1805.

Sir—You will be pleased to acquaint their Lordships, that I understand that seven Dutch schuyts, part of a convoy passing towards Bou-

logne from the eastward, were yesterday cut off by some of the Boulogne Squadron; the particulars of which, however, have not yet reached me; but I inclose a copy of a letter from Lieut. Shirley, of the Gallant gun-brig, to Vice-Admiral Holloway, reporting the particulars of the discovery, and first attack upon this convoy.

I have the honour to be, &c. KEITH.

His Majesty's Gun Vessel Gallant,  
Downs, 24th April 1805.

Sir—I have the honour to state to you, for the information of the Commander in Chief, while sailing guard off Ambletuse this day, at six A. M. Rear-Admiral Douglas made the Watchful and Gallant's signals to chase N. E.; on which bearing I discovered a number of the enemy's schuyts under Dutch colours, endeavouring to round Cape Grifnez, from the eastward. I made all possible sail, in company with the Watchful gun-brig, standing well in to cut them off. About eight o'clock I closed in with the enemy, and commenced a well-directed fire with round and grape, which threw them into great confusion; but, unfortunately, having received four shot between wind and water from heavy batteries, I was obliged to haul to the wind on the starboard tack, in order to stop the leaks, which were gaining very fast. Under these circumstances I was prevented from capturing the chief part of this flotilla. One of them I perceived struck to the Watchful; and I have the satisfaction of adding, that the inner shore squadron was in pursuit of the remainder. I am happy to say the Gallant has not a man hurt, although she was engaged within musket-shot of the batteries for nearly an hour. The officers and crew under my command conducted themselves with great bravery. Mr. Joseph Derby, my Sub-Lieu-

tenant, I beg leave to recommend strongly to my Lords Commissioners of the Admiralty for his meritorious conduct in attending so well to my orders. I have the honour to be, &c.

THO. SHIRLEY.

Vice-Admiral Holloway, &c.

Copy of another Letter from Admiral Lord Keith, to William Marsden, Esq. dated Monarch, off Ramsgate, 25th April 1805.

Sir—I transmit, for their Lordship's information, copies of a letter from Captain Honyman, of his Majesty's ship the Leda, to Rear-Admiral Douglas, and of the list to which it refers, reporting the capture of seven vessels of the enemy's flotilla, part of a division yesterday attacked on their passage from the eastward, towards Boulogne. I have the honour to be, &c.

KEITH.

Sir, Leda, off Boulogne, April 24. 1805.

I have the honour of informing you, about six o'clock this morning, twenty-six of the enemy's vessels were discovered coming round Cape Grifnez: I immediately made the signal for the detached squadron to get under weigh, which consisted of the vessels named in the margin\*, and have great pleasure in acquainting you, that after engaging them about two hours, we succeeded in cutting off seven schuyts, a list of which I inclose. I am happy to acquaint you, there was only one slightly wounded on board the Archer, and that both officers and men who were employed on this service, performed it to my satisfaction.

The Gallant having received some damage in her hull, bore up for the Downs, which prevented my getting her report.

I am, &c.

ROB. HONYMAN.

Rear-Admiral Douglas, &c.
