FRIDAY, FEBRUARY 21, 1913.

At the Court at Buckingham Palace, the 11th day of February 1913.

PRESENT,

The King's Most Excellent Majesty in Council.

**W**HEREAS by "The Burial Grounds (Scotland) Act, 1855," as amended by "The Secretary for Scotland Act, 1885," it is provided that it shall be lawful for His Majesty from time to time, by Order in Council, upon the Representation of the Secretary for Scotland that a copy of an Interlocutor of a Sheriff of a County of Scotland as in the said first-named Act provided has been received by him, in pursuance thereof to order that no new burial ground shall be opened within certain limits specified in such Order, save with the previous approval of the Secretary for Scotland or (as the case may require) that after a time mentioned in the Order burials within certain limits, or in certain burial grounds or places of burial shall be discontinued wholly, or subject to any exceptions or qualifications mentioned in such Order, and that such Order in Council shall thereupon have like force and effect as if the same were embodied in the said first-named Act: provided always, that notice of such Representation and of the time it shall please His Majesty to order the same to be taken into consideration by the Privy Council, shall be transmitted to the Crown Agent in Edinburgh, and the Sheriff-Clerk of the County in which such burial ground is situated; and that the same shall be by them respectively published in the Edinburgh Gazette, and fixed on the doors of the church of, or on some other conspicuous places within, the parish affected by such Representa-

tion, one month before such Representation is so considered.

And whereas the Secretary for Scotland has made a Representation that he has received a copy of an Interlocutor of the Sheriff-Substitute at Ayr, dated the 19th November 1912, and made on a Petition of the Parish Council of Maybole, in the County of Ayr, finding that the Old Kirkbride Burial Ground, situated at Dunduff, Fisherton, is overcrowded and in a condition which is offensive or contrary to decency under Section 4 of the said Act:

And whereas in the said Representation it is recommended that the said Burial Ground should be closed as hereinafter directed.

And whereas by an Order in Council of the 16th day of December 1912, notice of such Representation was given, and it was ordered that the same should be taken into consideration by a Committee of the Privy Council on the 27th day of January 1913, and that the said Order in Council or notice thereof should be published in the Edinburgh Gazette, and that copies of the said Order in Council or notice thereof should be fixed on the doors of the church of, or on some other conspicuous places within, the parish affected by such Representation one month before the said 27th day of January 1913.

And whereas notice of the said Representation and of the time when it pleased His Majesty to order the same to be taken into consideration by the Privy Council has been duly published in the Edinburgh Gazette and has been fixed in the manner required by the said Order in Council.

Now, therefore, His Majesty, by and with the advice of His Privy Council, is pleased to order, as it is hereby ordered, as follows, viz. :—

That burials be forthwith discontinued in the Old Kirkbride Burial Ground, situated at Dunduff, Fisherton, in the County of Ayr, in terms of the said Act, subject to the following exception, that is to say, for the interment of a wife beside her husband, and of a husband beside his wife, provided that the written approval of the Medical Officer of the County of Ayr prior to interment is forthcoming, and subject to the further conditions, as regards all interments in the said Burial Ground after the date of this Order, that the exercise of the right of burial shall not be injurious to public health, and that no interment shall be made unless the coffin can be laid at a depth of four feet from the surface of the ground to the upper side of the coffin, and that without the exposure of another coffin.

PRESENT,

The King's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 10th day of January 1913, in the words following, viz. :—

"Whereas by section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is enacted, *inter alia*, that all pay, pensions, or other allowances in the nature thereof, payable in respect of services in Your Majesty's Naval or Marine Force to a person being or having been an Officer, Seaman, or Marine therein, shall be paid in such manner and subject to such restrictions, conditions, and provisions as are from time to time directed by Order in Council :

"And whereas an allowance at the rate of 6s. a day was authorised for Officers employed in Submarine Vessels by Order in Council of the fourth day of November 1901, no distinction being made between the various grades of Officers :

PRESENT,

The King's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 3rd day of February 1913, in the words following, viz. :—

"Whereas by section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is enacted, *inter alia*, that all pay, pensions, and other allowances in the nature thereof, payable in respect of services in Your Majesty's Naval or Marine Force to a person being or having been an Officer, Seaman, or Marine therein, shall be paid in such manner and subject to such restrictions, conditions, and provisions as are from time to time directed by Order in Council.

"And whereas by Order in Council of His late Majesty bearing date the 13th day of May 1901 the establishment was sanctioned of a list of Emergency Officers consisting of Officers

formerly in the Royal Navy whose commissions have been restored to them.

“And whereas in the said Order in Council it is laid down that the restoration or retention of commissions shall not carry promotion whilst Officers are unemployed.

“And whereas we are of opinion that an exception to this rule should be made in the case of Sub-Lieutenants as well as in the case of Lieutenants whose promotion under certain conditions was sanctioned by Order in Council of the 11th day of July 1905 :

“We beg leave humbly to recommend that Your Majesty may be graciously pleased by Your Order in Council to authorise us at our discretion to promote Sub-Lieutenants on the Emergency List to the rank of Lieutenant under the following conditions, namely :

“(1) Sub-Lieutenants placed on the Emergency List to be eligible for promotion to the rank of Lieutenant after attaining three years' seniority.

“(2) Officers so promoted to be treated in all respects as Lieutenants on the Emergency List when called out or under training.

“We further beg leave to recommend that these arrangements may be applied retrospectively to meet the case of an Officer whose seniority as Sub-Lieutenant dates from the 30th March 1904.

“The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in these proposals.”

“And whereas by the Regulations for the government of Your Majesty's Naval Service it is provided that Warrant Officers and Commissioned Warrant Officers may be allowed to retire voluntarily at our discretion on attaining the age of 50.

“And whereas a similar condition was laid down by His late Majesty's Order in Council

on the 28th March 1903, in respect of Lieutenants, Engineer Lieutenants, and Carpenter Lieutenants promoted to those ranks under the provisions of that Order.

The Board of Agriculture and Fisheries, by virtue and in exercise of the powers vested in them under the Diseases of Animals Acts, 1894 to 1911, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows :

*Interpretation.*

1. In this Order—

- “The Board” means the Board of Agriculture and Fisheries :  
 “Local Authority” means a Local Authority for the purposes of the Act of 1894 :  
 “The Act of 1894” means the Diseases of Animals Act, 1894 :  
 “Inspector” includes Veterinary Inspector :  
 “Bovine animal” means a bull, cow, ox, heifer, or calf :  
 “Cow” includes a heifer that has calved :

Other terms have, where the context so permits, the same meaning and scope as in the Act of 1894.

*Notice of Disease.*

2.—(1) Every person having in his possession or under his charge

- (i.) any cow which is, or appears to be, suffering from tuberculosis of the udder, indurated udder, or other chronic disease of the udder ; or  
 (ii.) any bovine animal which is, or appears to be, suffering from tuberculosis with emaciation,

shall without avoidable delay give information of the fact to a constable of the police force for the area wherein the animal is, or to an Inspector of the Local Authority, and the constable or Inspector shall transmit the information to the Local Authority, who, if not themselves the Sanitary Authority, shall inform that Authority.

(2) The person in possession or having charge of the animal shall forthwith take such steps as are necessary to secure compliance with Article 9 (*Precautions to be adopted with respect to Milk, &c.*) and Article 10 (*Detention and Isolation of Suspected Animals*).

*Notification of Disease by Veterinary Surgeons.*

3.—(1) A veterinary surgeon or veterinary practitioner who in his private practice is employed to examine any animal, and is of opinion that the animal, if a cow, is suffering from tuberculosis of the udder, indurated udder, or other chronic disease of the udder, or, if a bovine animal, is suffering from tuberculosis with emaciation, shall with all practicable speed give notice of the existence or suspected existence of such disease to an Inspector of the Local Authority, who shall transmit the information to the Local Authority, who, if not themselves

the Sanitary Authority, shall inform that Authority.

(2) A veterinary surgeon or veterinary practitioner who under and in accordance with this Article gives notice of the existence or suspected existence of disease to an Inspector of the Local Authority shall be entitled to receive from the Local Authority a fee of two shillings and sixpence for each notification.

(3) Where two or more animals are examined by a veterinary surgeon or veterinary practitioner on the same premises and at the same time, and are found to be diseased, one fee only shall be payable to him under this Article in respect of the notification of the existence or suspected existence of disease in such animals.

*Inspection and Examination of Animals.*

4.—(1) Where a Local Authority, by reason of information received under the preceding Articles or otherwise, have reasonable ground for supposing that on any premises in their District there is a cow which is suffering from chronic disease of the udder or giving tuberculous milk, or a bovine animal which is suffering from tuberculosis with emaciation, the Local Authority shall with all practicable speed cause such veterinary examination of the bovine animals on such premises to be made by a Veterinary Inspector as in the opinion of the Local Authority is necessary to ascertain whether any cow thereon is suffering from tuberculosis of the udder or giving tuberculous milk, or whether any bovine animal thereon is suffering from tuberculosis with emaciation, and for that purpose the Inspector may, with the previous consent in writing of the owner of the animal or of his agent, but not otherwise, apply the tuberculin test to any cow which the Inspector suspects of suffering from tuberculosis of the udder, or of giving tuberculous milk, or to any bovine animal which he suspects of suffering from tuberculosis with emaciation.

(2) For the purpose of such examination, a Veterinary Inspector may at all reasonable hours enter on any part of the premises and examine any bovine animal thereon, and require any cow to be milked in his presence, and may take samples of the milk, and the milk from any particular teat shall if he so require be kept separate, and separate samples thereof shall be furnished.

(3) The Inspector may also take samples of the fæces or urine of any bovine animal on the premises, or of any abnormal discharge from any bovine animal thereon.

(4) The occupier of the premises and the persons in his employment shall render such reasonable assistance to the Inspector as may be required for all or any of the purposes of this Article, and any person refusing such assistance shall be deemed guilty of an offence against the Act of 1894.

(5) The Inspector shall as soon as possible send to the Local Authority a report showing the result of his inspection and examination and of the examination of any sample taken by him. The Local Authority, if not themselves the Sanitary Authority, shall send a copy of the report to that Authority.

(6) If the report of the Inspector as to any animal does not show that it is suffering from tuberculosis of the udder, or giving tuberculous milk, or suffering from tuberculosis with emacia-

tion, the Local Authority shall forthwith give notice in writing to the owner or person in charge thereof that the provisions of this Order relating to precautions to be adopted with respect to milk and detention and isolation of suspected animals have ceased to apply to the animal.

5.—(1) Where a Local Authority are satisfied by the report of the Inspector that in their District there is a cow which is suffering from tuberculosis of the udder, or giving tuberculous milk, or a bovine animal which is suffering from tuberculosis with emaciation, the Local Authority shall with all practicable speed give notice in writing (in the Form set forth in the Schedule hereto or to the like effect) to the owner or person in charge of the animal, and also to the Board, and cause the animal to be slaughtered; provided that if, before the slaughter is carried out, the owner of the animal, or any person on his behalf, gives notice in writing to the Local Authority or to their Inspector or other officer directed to carry out such slaughter, that the owner objects to the animal being slaughtered under the provisions of this Order, it shall not be lawful for the Local Authority to cause the animal to be slaughtered without the special authority of the Board first obtained; provided also that this special authority shall not be given in the case of any animal valued under this Order at more than thirty pounds, if and so long as the animal is detained and isolated, and the milk (if any) is dealt with in accordance with the provisions of this Order.

(2) If the value of an animal proposed to be slaughtered, as agreed or certified under this Order, exceeds thirty pounds, the Local Authority shall not proceed with its slaughter unless so directed by the Board.

(2) In ascertaining the value of an animal, regard shall be had to any Act, Order, or Regulation dealing with the sale or use of milk milk products, or carcasses for human food.

(3) The value shall be ascertained both on the basis of the certificate of examination hereinafter required showing that the animal was suffering from tuberculosis, and also on the basis of its not showing that the animal was suffering from tuberculosis, and the amount to be paid for compensation shall depend on such certificate accordingly.

*Post-mortem Examination of Slaughtered Animals.*

7.—(1) In the case of every animal slaughtered under this Order, the Local Authority shall cause the carcass, at the time of slaughter or as soon as practicable thereafter, to be examined by a

Veterinary Inspector of the Local Authority, or (if so required by the owner or person in charge of the animal before it is slaughtered) by some other veterinary surgeon, who, failing agreement between the Local Authority and such owner or person, shall be nominated by the Board but paid by the Local Authority.

(2) The Veterinary Inspector or other veterinary surgeon shall at the conclusion of his examination give to the Local Authority and to the owner of the animal a certificate of the result of the examination in the Form set forth in the Schedule hereto or to the like effect.

*Compensation.*

8.—(1) If the Local Authority fail to carry out the examination required by the preceding Article, or if the certificate of such examination does not show that the animal was suffering from tuberculosis, the Local Authority shall, by way of compensation, pay to the owner thereof a sum equal to the value of the animal as agreed or certified in manner aforesaid and a further sum of twenty shillings.

(2) If the certificate of the examination shows that the animal was suffering from tuberculosis (not being advanced tuberculosis), the Local Authority shall, by way of compensation, pay to the owner a sum equal to three-fourths of the value of the animal as agreed or certified in manner aforesaid, after deducting from such sum one-half of their reasonable costs of any valuation of the animal by a valuer appointed by the Board, and of any examination of its carcass by a veterinary surgeon other than the Veterinary Inspector.

(3) If the certificate of the examination shows that the animal was suffering from advanced tuberculosis, the Local Authority shall, by way of compensation, pay to the owner a sum equal to one-fourth of the value of the animal, as agreed or certified in manner aforesaid, or the sum of thirty shillings, whichever sum is the greater, after deducting from such sum one-half of their costs of valuation and examination as in the preceding case.

- (a) When there is miliary tuberculosis of both lungs;
- (b) when tuberculous lesions are present on the pleura and peritoneum;
- (c) when tuberculous lesions are present in the muscular system, or in the lymphatic glands embedded in or between the muscles; or

*Precautions to be adopted with respect to Milk, &c.*

9.—(1) The milk produced by any cow which is, or appears to be, suffering from chronic disease of the udder or tuberculosis with emaciation, shall not be mixed with other milk until the cow has been examined by a Veterinary Inspector in accordance with the provisions of this Order, and until the owner or person in charge thereof has been notified that this Article has ceased to apply to the cow; and all milk affected by this Article shall forthwith be boiled or otherwise sterilised, and any utensil in which such
