SIR, Surveillante, May 3. 1805.

I beg leave to inform you, that his Majesty's ship under my command has this day, in lat. 20 deg. 37 min. N. long. 82 deg. 36 min. W. captured the Spanish schooner privateer El Refusco, mounting 3 guns, and having on board 53 men. She has been out 15 days, and taken nothing.

I have the honour to be, &c.

JOHN BLIGH.

His Majesty's sloop Peterel, May 13. 1805, off St Jago de Cuba.

SIR,

I have the honour to inform you, his Majesty's sloop under my command captured this day, at four A. M. after a chase of two hours, a remarkable fine Spanish privateer schooner, carrying a long eighteen pounder and four sixes, and had on board 106 men. She failed from St Jago 24 hours previous to her falling into our hands, and had taken nothing.

I have the honour to be, &c.

J. LAMBORN.

His Majesty's ship Racoon, off Lucca, May 13. 1805.

SIR,

I beg leave to acquaint you, on the 11th instant, being at the anchorage of Montego Bay, observed an enemy's schooner boarding a droger. I immediately slipped and gave chase; but, from her superiority in rowing and sailing in light winds, she effected her escape with her prize into Cape Cruz. On my return to this station, I had the good fortune to fall in with, and capture the Spanish Felucca privateer San Felix El Socoro, had 40 men on board, and one six-pounder thrown

PRICE 6d.

overboard in chase, out from St Jago 11 days, and had taken but one droger.

I have the honour to be, &c.

EDWARD CROFTON.

SIR, His Majesty's ship Seine, off Heniaga, April 30. 1805.

This afternoon, I captured La Perseverante French schooner privateer, after a chase of three hours. She is a remarkable fast sailing fine vessel, three years old, new coppered and fastened with composition bolts, of large dimensions, has 4 four-pounders, and 1 long twelve, her complement 90 men, and had 84 on board when taken. She has been out 12 days from Guadaloupe, and captured an English sloop the Apollo of Bermudas. I have the honour to be, &c.

DAVID ATKINS.

N. B. The Packet was in company with me at the capture of the privateer, and rendered essential service.

SIR, Seine, off Aguadilla, Porto Rico, May 27. 1805.

This morning, Lieutenant Bland of marines, commanding the Seine's barge, captured the Spanish schooner Conception of 2 guns long six-pounders and 10 men. She had many passengers on board, who assisted in making some resistance, but they could not withstand the gallant attack of the barge. The passengers escaped in a small boat. The Conception is from Santa Maxta Martha, laden with logwood, a new schooner, and sails very fast. The prisoners, nine in number, appear sickly, and I shall land them immediately to prevent the introduction of disease into the Seine, which I trust will meet your approbation.

I have the honour to be, &c.

DAVID ATKINS.

His Majesty's ship Heureux, Port Royal, Jamaica, June 3. 1805.

SIR,

I have the honour to inform you, that, on the 31st ult. off Cape Nichola Mole, I fell in with and captured the French Felucca privateer La Desiree, of 1 carriage gun and 40 men.

I have the honour to be, &c.

G. YOUNGHUSBAND.

His Majesty's ship Blanche, off Point Nevea, St Domingo, June 10. 1805.

SIR,

I beg leave to acquaint you of my having this morning captured L'Amitie French national schooner, Monsieur Francis Dupuis, Lieutenant de Vaisseau commander, pierced for 14 guns and 85 men, with dispatches from General Ferrand to St Jago de Cuba, after a chase of 11 hours.

L'Amitie is a remarkable fine vessel, coppered and fastened; and in every respect fit for his Majesty's service. During the chase she threw overboard 1 long brass eighteen and 6 six-pounders.

I am, &c.

ZACHARY MUDGE.

To Rear Admiral Dacres, Commander in Chief.

[Rear-Admiral Dacres also transmits to William Marsden, Esq. a list of vessels captured, recaptured, and destroyed, between 1st March and 1st June 1805, amounting to thirty-three.]

Copy of a letter from Captain Poyntz, Commander of his Majesty's ship the Melampus, to William Marsden, Esq. dated in Plymouth Sound the 22d inst.

SIR,

I beg you will be pleased to inform my Lords Commissioners of the Admiralty of my arrival at this port with the Hydra, prize to the Melampus; for the particulars of which I beg to refer you to a copy of my letter to Admiral Cornwallis, herewith inclosed.

I am, &c.

STEPHEN POYNTZ.

Melampus, Plymouth-Sound, July 22, 1805.

SIR,

I have the honour to acquaint you, that, in execution of Admiral Lord Gardner's orders

his Majesty's ship under my command, the 13th instant, in lat. 50. deg. N. long. 20. deg. W. captured the Hydra Spanish private ship of war, of 28 guns, mounting 22 long nines on the main deck, leaving two spare ports, and six sixes on the quarter-deck, with a compliment of 192 men, three of whom were killed, and several wounded in the skirmish. Her cruize of four months terminated on the seventeenth day without any loss to the trade of this country; and her superior qualifications induce me to recommend her for his Majesty's service.

I have the honour to be, &c.  
S. POYNTEZ.

Copy of a Letter from Rear-Admiral Drury to William Marsden, Esq. dated at Cork, the 21st instant.

SIR,  
You will please to acquaint the Lords Commissioners of the Admiralty, that his Majesty's ships Topaze and Venus arrived here this day, with L'Hirondelle, a French brig privateer, of 16 guns and 90 men, prize to the latter. Inclosed I transmit a letter from Captain Matson, which will inform their Lordships of the particulars of the capture.

I beg leave to mention, that Captain Matson describes this brig as sailing extraordinary well; that the Venus took her by having her to leeward, and out-carrying her, and that by the wind she sails much faster than the Venus.

I am, &c. W. O'B. DRURY.

SIR, Venus, Cork Harbour, July 21. 1805.  
I have the satisfaction to acquaint you, that his Majesty's ship under my command, on the morning, at day-light, of the 10th instant, being in the lat. 48 deg. 24 min. N. and about the long. 14 deg. W. gave chase to a sail bearing W. and after a run of sixty-six miles W.N.W. with a fine breeze from the N.E. in six hours came up with and captured L'Hirondelle French privateer brig, belonging to Dunkirk, mounting 16 guns, 4 sixes, and the rest three-pounders; two of the former were thrown overboard in the chase, and having on board 90 men; left Gigeon in Spain 27th of last month, and has not since made any captures.

This brig, on her former cruize, fell in with and took the Queen Charlotte packet (Captain Mudge), after an action of two hours, on the 16th of May last, in the lat. 47 deg. 20 min. N. and long. 12 deg. 20 min. W. and captured several other vessels.

I have the honour to be, &c.  
H. MATSON.

W. O'Bryen Drury, Esq. Rear-Admiral of the Blue, and Commander in Chief, &c.

JUDICIAL SALE OF LANDS  
In the Stewartry of Kirkcudbright,

Which belonged to the deceased ROBERT MUIR of Dunmuir.

To be SOLD, by authority of the Lords of Council and Session, upon Wednesday the 4th day of December next, within the Parliament or New-Session House of Edinburgh, before the Lord Ordinary on the bills between the hours of five and six o'clock afternoon,

ALL and WHOLE the LANDS of DUNMUIR, being one-fourth Share of the LANDS of FUF-FOCH, as divided and ascertained by decret arbitral thereanent, dated the 18th day of November 1793, with the whole parts and pendicles of the same, which belonged to the late Robert Muir of Dunmuir, and lying within the parish of Crofsmichael, and stewartry of Kirkcudbright. The total gross rent of the lands, stock and teind, under sale is, 34l. 2s. 6d. and deducting one-fifth part thereof, being 6l. 16s. 6d. for teind, as it does not appear the common debtor has any right thereto, there remains of gross rent of stock L. 27 6 0

Which leaves of free rent, L. 27 3 4  
The lands are held blench of Sir Alexander Gordon and James Balmain, Esq. as superiors.  
The school salary payable yearly out of the lands amounts, per certificate produced, to O 2 8

And which amounts, at 25 years purchase, to L. 679 3 4

The fifth part of the gross rent set apart for teind is L. 6 16 6

The stipend payable to the minister of Crofsmichael is two pecks three lippies bear, three pecks three lippies and one-half meal, and 6s. 1½d. Sterling of money; and this stipend, conform to the fairs price of grain for crop 1803, amounted to 12s. 6d. 4-12ths, at which it may be slated on an average, O 12 6 4-12

There remains of free teinds L. 6 3 11 8-12

Which sum of free teind valued at five years purchase, extends to L. 30 19 10 4-12

Amounting, the total price or value of the lands, stock, and teind, to L. 710 3 2 4-12  
At which sum they will be exposed to sale.

Since the proven rental was made up, and the upset price fixed by the Court, it has been discovered that the common debtor has right to the teinds, and before the day of sale arrives, authority will be obtained from the Court for including the teinds in the subjects under sale. The teind, after deducting the stipend now payable to the minister of Crofsmichael, amounts to 6l. 3s. 11d. 8-12ths, which, at twenty-five years purchase, amounts to 154l. 19s. 3d. 8-12ths, and deducting the 30l. 19s. 10d. 4-12ths, as five years purchase, at which the teinds have been already valued, there will remain of addition to the value of the subjects under sale 123l. 19s. 5d. 4-12ths, which will make the total upset price of the lands and teinds to be 834l. 2s. 7d. 8-12ths Sterling.

As the lands adjoin the burgh roads of Castle-Douglas and the marle loch, and there are good roads in all directions, they can be set to high advantage, in separate fields; and as the situation commands so many advantages of prospect, and a genteel and populous neighbourhood, it is excellently adapted for a villa.

The articles of roup and title-deeds may be seen in the office of M. Bruce, depute clerk of Session; or in the hands of Alexander Young and Roger Aytoun, writers to the signet; to whom, or to James Hannay at Lochbank, application may be made for further particulars.
