

in respect of the Baronetcy of Turing of Foveran was approved by The King.

2. On the 17th March, 1913, The King approved their Report that the name of Anthony Cope should be placed on the Roll in respect of the Baronetage of Hanwell and Bramshill.

In the other two cases the advice of the Committee was that the names of the claimants should not be placed on the Roll.

Each Baronetcy named in the Roll bears, as far as can be ascertained, the name under which it was created; but, where the original name is no longer borne by the holder of the title, the present name is also inserted.

In the preparation of the Roll the Registrar has received much valuable assistance from Dr. Horace Round in connection with difficult genealogical points, and from Mr. F. W. Pixley, Registrar of the Standing Committee of the Baronetage, who made suggestions as to the Form and Contents of the Roll.

R. F. REYNARD,
Assistant Registrar of the Baronetage.

W. P. BRYNE,
Registrar of the Baronetage.
