FOREIGN OFFICE, August 28, 1914.

It is hereby notified that on the 10th instant Señor Don Edmond de la Fuente, Chargé d'Affaires *ad interim* of the Republic of Peru, forwarded, through His Majesty's Secretary of State for Foreign Affairs, the Letters of Recall of Señor Don Carlos G. Candamo as Envoy Extraordinary and Minister Plenipotentiary of that Republic.

FOREIGN OFFICE, August 29, 1914.

The Secretary of State for Foreign Affairs has received from His Excellency the Japanese Ambassador the text of a declaration issued on

the 27th instant by the Imperial Japanese Naval Authorities, announcing the establishment on that date of a blockade of the whole of the littoral of the leased territory of Kiao-Chau.

The coastline affected extends from a point 120° 10' East, and 35° 54' North, to a point 120° 36' East and 36° 7' North.

A period of twenty-four hours was allowed within which vessels of allied or neutral States might leave the blockaded area.

(To be substituted for the Supplement issued on August 31, 1914.)

VESSELS DETAINED IN BRITISH PORTS OR CAPTURED AT SEA BY HIS MAJESTY'S ARMED FORCES.

In order to furnish information to British and other traders who may be interested in cargoes carried on merchant vessels which have been either detained in British ports on the outbreak of war or have been captured by His Majesty's armed forces, it has been decided to publish lists of these vessels. A list is accordingly appended containing such information as is at present available. This list cannot be taken as necessarily complete, and is subject to correction. Supplementary lists will be published from time to time as further particulars are received.

These lists will also be communicated to Chambers of Commerce in the United Kingdom,

to the undermentioned Shipping Associations, &c.,

Baltic Mercantile and Shipping Exchange, Ltd., 24 St. Mary Axe, E.C.

Central News, 5 New Bridge Street, E.C.

and to any other similar bodies who may intimate to the Foreign Office that they wish to receive them.

All persons having any claims in respect of cargoes which are the subject of proceedings in the British Prize Courts should take steps to have their interests represented in accordance with the Prize Court Rules, copies of which may be procured, either directly or through any bookseller, from Messrs. Wyman & Sons, Ltd., 29 Breems Buildings, Fetter Lane, London, E.C. With respect to vessels which may be in the custody of the Prize Courts established in the United Kingdom, attention is called to the following notice issued by the Prize Court:—

"PRIZE COURTS.

"Admiralty Marshal's Office,

"Royal Courts of Justice,

"London, W.C.

"(Registry of the Prize Court in Great Britain and Ireland),

"August 14, 1914.

"All persons having any interest in cargoes other than enemy cargoes laden on enemy ships captured as prizes, and requiring a release of such cargoes or portion of cargoes, should make enquiries in London at the offices of His Majesty's Procurator-General, Treasury Chambers, Whitehall, and in the case of the outports of the United Kingdom, at the offices of the agents for His Majesty's Procurator-General, whose addresses can be obtained from the Collectors of Customs at such outports.

"His Majesty's Procurator-General will require proof of ownership and particulars as to freight, whether paid or unpaid."

In cases where the title of British subjects or of persons domiciled in allied or neutral States, or of friendly aliens domiciled in this country, who are interested in such cargoes, is

clear and established without doubt to the satisfaction of the Procurator-General, such cargoes or portions of cargoes will be released with as little delay as possible, provided that no question of contraband arises, and subject to the adjustment of any matters relating to freight or other charges falling on the cargo. In more doubtful cases recourse to the ordinary Prize Court procedure will be necessary. It will in most cases be convenient that the parties should communicate with the agent of the Procurator-General at the port where the ship is, rather than with the Procurator-General himself.

Due notice will be given of the institution of proceedings in cases in which vessels are in the custody of the Prize Courts in the United Kingdom. Vessels which have been detained in or brought into British ports outside the United Kingdom will be brought before the Prize Courts established in His Majesty's dominions overseas, and interested parties should take steps to have their interests represented before those Courts.

It is hoped that arrangements may shortly be made for the publication of similar notice in respect of proceedings in those Prize Courts.

His Majesty's Government are endeavouring to obtain from the Governments of France, Russia, and Japan lists of merchant vessels which may be similarly detained or captured by the armed forces of those States. All such information as soon as received will be published in the same way.

A separate notification is being published* as regards German vessels detained in Belgian ports on the outbreak of hostilities.

All the information in the possession of His Majesty's Government will in this way be made public, and it is hoped that the necessity of applying to Government Departments for information in particular cases will be eliminated.

GERMAN MERCHANT VESSELS DETAINED AT ANTWERP ON THE OUTBREAK OF HOSTILITIES.

His Majesty's Government have received information that certain German merchant vessels, the names of which are shown in the list hereunder, have been detained by the Belgian authorities at Antwerp on the outbreak of hostilities, and that a Commission has been constituted, by Decree of August 11, 1914, to prepare inventories of the cargoes of these vessels, discriminating between enemy goods and those owned by the subjects of allied or neutral States.

By a further Decree of 17th August 1914, it is provided that claims arising in consequence of the capture of enemy and neutral vessels and their cargoes shall be submitted to the Tribunal of First Instance at Antwerp, to whom the above Commission is to report.

It is therefore desirable that British subjects interested in such cargoes should take steps in order to protect their interests before the Tribunal by furnishing to their agents at Antwerp documentary evidence in support of their claims, employing for the purpose such legal assistance as may be necessary.

In the meantime His Majesty's Consul-General at Antwerp is taking steps to safeguard the interests of British cargo owners, under Article 3 of the Decree of 11th August 1914, which provides for the intervention before the Commission of the Consular officer of the country concerned.

RULES.

1. 2. The claim shall be accompanied with all necessary vouchers and supporting documents and such explanatory statement as may be required to make clear the nature of the claim and the grounds thereof.
3. Each claim shall be considered by the Admiralty, who shall negotiate with the claimant with a view to the adjustment and settlement thereof by agreement.
4. If the Admiralty and the claimant fail to arrive at an agreement within a reasonable time, to be determined in each case by the President of the Board of Arbitration, the Admiralty shall report the matter with the necessary papers to the President, who shall refer the claim to two Arbitrators selected by him from the panels of Arbitrators for consideration and report. The Arbitrators so

selected shall have regard to any directions or instructions they may receive from the President; they may call for such further papers, evidence and particulars as they may require, and—if they think fit—may call upon the Admiralty and the claimant either to argue the matter before them or to submit written arguments on any points.

5. The joint award of such Arbitrators shall be final. If they are unable to agree, the matter shall be referred to the President of the Board of Arbitration as Umpire, who may require such further papers, evidence, particulars or argument as he may deem necessary. The award of the President shall be final.

6. The President may direct that any claim coming before the Board may be heard and disposed of by a Tribunal consisting of the President or Vice-President sitting with two Arbitrators selected by the President from the Panel, and that the award of any two members of such Tribunal shall be final and conclusive and shall not be subject to appeal or review.

7. The President may, from time to time, vary or supersede the existing Rules for regulating the procedure of the Board, or of the Arbitrators nominated by him to such extent as he may consider necessary or desirable, and may also make additional rules of procedure.

8. The President may, from time to time, authorise the members of the Panel as a body, or any of them, and whether with or without the inclusion of himself or of the Vice-President, to act as a Board for the consideration of questions of general applicability such as the approximate monthly rate of hire for vessels of different classes and similar matters. Arbitrators nominated by the President in particular cases may have regard to, and consider, but shall not be bound by, the conclusions of any Board so constituted upon the questions submitted to such Board, and the fact that any Arbitrator appointed by the President in a particular case has been a member of any such Board, shall be no objection to his competency as an Arbitrator in such particular case.

The President may authorise any person or persons who, in his opinion, will efficiently and sufficiently represent the interests of parties concerned in any such question of general applicability submitted to any such Board, to appear before the Board and represent such interests accordingly.

9. The Arbitrators, or, in the event of their disagreement, the President, or Vice-President, may make interim awards as regards any of the questions submitted to them.

10. It shall be competent for the Arbitrators, adjudicating upon any claim, to receive as evidence any information, statements or testimony which may appear to them likely to be of assistance notwithstanding that the same may not be evidence according to law.

11. Any matter or question of procedure not disposed of by these rules or any question arising thereon shall be determined by the President of the Board of Arbitration as in his discretion he shall think fit to direct.

12. The Vice-President of the Board of Arbitration may by direction of the President act in any matter hereunder for the President, and he may also act as President should the President for any reason at any time be unable to act. Any direction or decision of the Vice-

President when so acting for or as the President shall be as effectual as though made or given by the President.

A PROCLAMATION.

VARYING the Proclamations in respect of the Postponement of Payments, dated respectively the second day of August, the sixth day of August, and the twelfth day of August, and revoking the Proclamation dated the first day of September, nineteen hundred and fourteen.

GEORGE R.I.

WHEREAS under the Postponement of Payments Act, 1914, We have power, by Proclamation, to authorise the postponement of the payment of any bill of exchange, or of any negotiable instrument, or any other payment in pursuance of any contract, to such extent, and for such time, and subject to such conditions or other provisions as may be specified in the Proclamation :

AND WHEREAS, in pursuance of that power, We have issued Proclamations in relation to the postponement of payments due before We were in a state of war or due in respect of contracts made before that time, dated the sixth day of August, and the twelfth day of August, nineteen hundred and fourteen; and on the second day of August, nineteen hundred and fourteen, We also issued a Proclamation which is confirmed by the said Postponement of Payments Act, 1914, and is deemed to have been issued under that Act :

AND WHEREAS, under the said Act, We have power to vary, extend, or revoke any Proclamation under that Act by a subsequent Proclamation :

AND WHEREAS it is desirable in the best interests of Our Realm at the present juncture that all persons who can discharge their liabilities should do so without delay, but it is at the same time for certain purposes expedient that Our said Proclamations should be varied, and for that purpose We issued a Proclamation, dated the first day of September, nineteen hundred and fourteen :

AND WHEREAS it is expedient to revoke the last-mentioned Proclamation and to substitute therefor such variations of Our other Proclamations as are hereinafter set forth :

NOW, THEREFORE, We have thought fit, by and with the advice of Our Privy Council, to issue this Our Royal Proclamation, and We do hereby proclaim, direct, and ordain as follows :—

1. If on the presentation for payment of a bill of exchange which has before the fourth day of September, nineteen hundred and fourteen, been re-accepted under the terms of Our said Proclamation, dated the second day of August, nineteen hundred and fourteen, the bill is not paid, then, the said Proclamation shall, in its application to that Bill, have effect as if the period of two calendar months had been in the Proclamation substituted for the period of one calendar month, and the sum

mentioned in the form of re-acceptance under the said Proclamation shall be deemed to be increased by the amount of interest on the original amount of the bill for one calendar month calculated at the Bank of England rate current on the date when the bill is so presented for payment as aforesaid.

2. Our said Proclamation, dated the sixth day of August, nineteen hundred and fourteen, as extended by Our said Proclamation, dated the twelfth day of August, nineteen hundred and fourteen, shall apply to payments which become due and payable on or after the fourth day of September and before the fourth day of October, nineteen hundred and fourteen (whether they become so due and payable by virtue of the said Proclamations or otherwise) in like manner as it applies to payments which became due and payable after the date of the said first-mentioned Proclamation and before the beginning of the fourth day of September, nineteen hundred and fourteen.

3. Nothing in this Proclamation shall affect the payment of interest under the Proclamations extended thereby, or prevent payments being made before the expiration of the period for which they are postponed.

4. Our said Proclamation, dated the first day of September, nineteen hundred and fourteen, is hereby revoked.

Given at Our Court at Buckingham Palace, this third day of September, in the year of our Lord one thousand nine hundred and fourteen, and in the Fifth Year of Our Reign.
