In order to furnish information to British and other traders who may be interested in cargoes carried on merchant vessels which have been either detained in British ports on the outbreak of war or have been captured by His Majesty's armed forces, it has been decided to publish lists of these vessels. A list is accordingly appended containing such information as is at present available. This list cannot be taken as necessarily complete, and is subject to correction. Supplementary lists will be published from time to time as further particulars are received.

These lists will also be communicated to Chambers of Commerce in the United Kingdom,
