NOTICE TO MARINERS.

[No. 292 of the year 1915.]

UNITED KINGDOM.

Pilotage stations established at certain Ports on account of defensive Minefields.

Former Notice.—No. 154 of 1915; hereby cancelled.

With reference to the extension of the system of Mine defence, notice is hereby given that Pilotage is now compulsory at the following ports for all vessels (including fishing vessels) which have a draught of over eight feet, and that it is highly dangerous for any vessel to enter or leave such ports without a pilot. Fishing and other small vessels having a draught of over eight feet are to assemble at the Pilotage stations and will be conducted into and out of port in groups.

(1) FIRTH OF FORTH. All incoming vessels are only permitted to enter the Firth of Forth during daylight hours; they are to pass between the Isle of May and Anstruther Wester, thence they must steer a direct course for Kinghorn Ness. On approaching Inchkeith, the Pilot vessel in the North channel is to be closed, and a pilot embarked.

Vessels are warned that they should on no account pass to the southward of a line joining the north point of the Isle of May and Kinghorn Ness, until in the longitude of 3° W., when course may be shaped for the centre of North channel.

Outward bound vessels should steer to pass the longitude of 3° W. in latitude 56° 06' 30" N., then shape course to pass between Anstruther Wester and the Isle of May.

The above orders apply to vessels proceeding to any port in the Firth of Forth, whether to the eastward of Inchkeith or not.

(2) MORAY FIRTH. All vessels bound to Cromarty or Inverness must call for a pilot at Wick or Burghead.

Outgoing vessels are to discharge their pilots at one or the other of these places.

It is dangerous for any vessel to be under way to the south-westward of a line joining Findhorn and Tarbetness without a pilot.

(3) SCAPA FLOW. All entrances are dangerous and entry is absolutely prohibited by any of them except as provided in succeeding paragraphs.

Examination services have been established in the entrances to Hoxa and Hoy sounds; vessels wishing to enter must communicate with the Examination vessel and follow the instructions received from her very carefully.

The only vessels permitted to enter Hoy sound from the westward are those bound for Stromness: vessels cannot enter Scapa Flow from Stromness.

Vessels are not permitted to enter Hoxa or Hoy sounds by night.

Passing through Cantick sound is entirely prohibited.

Note.

This Notice is a repetition of Notice No. 154 of 1915, with additions to paragraph (3).
