NOTICE TO IMPORTERS AND EXPORTERS.

1. The attention of importers and exporters is directed to the provisions of His Majesty's Proclamation dated the 9th September 1914, relating to Trading with the Enemy. By paragraph 5 (7) of this Proclamation all persons resident, carrying on business, or being in His Majesty's dominions are warned "not directly or indirectly to supply to or for the use or benefit of, or obtain, from an enemy country or an enemy any goods, wares, or merchandise; nor directly or indirectly to supply to or for the use or benefit of, or obtain from any person any goods, wares, or merchandise, for or by way of transmission to or from an enemy country or an enemy; nor directly or indirectly to trade in or carry any goods, wares, or merchandise destined for or coming from an enemy country

or an enemy." It is further provided by paragraph 3 that the expression "enemy" in the Proclamation means "any person or body of persons of whatever nationality resident or carrying on business in the enemy country, but does not include persons of enemy nationality who are neither resident nor carrying on business in the enemy country. In the case of incorporate bodies, enemy character attaches only to those incorporated in an enemy country." By the Proclamation of 16th February 1915, the prohibitions in the above-mentioned Proclamation of 9th September 1914, are extended so as to apply to territory in the effective military occupation of an enemy as they apply to an enemy country.

2. It is hereby notified that with a view to preventing breaches of this Proclamation, importers may be required to produce Certificates of Origin issued by His Majesty's Consular Officers, and exporters to make Declarations of the Ultimate Destination of their goods.

3. Declarations of the Ultimate Destination of goods exported to any foreign place in Europe or on the Mediterranean Sea, with the exceptions of those situated in Russia and France, are now, in view of the provisions of section 5 (1) of the Customs (War Powers) Act, 1915, required to be made to the Collectors or other proper Officers of Customs and Excise, in accordance with the Customs Order issued under section 139 of the Customs Consolidation Act, 1876, as extended by section 2 of the Customs (War Powers) Act. The Statutory Declarations hitherto made before

Justices of the Peace or Commissioners of Oaths will no longer be required.

4. For the present Certificates of Origin will not be required in respect of imports of the *bona-fide* personal and household effects of persons entering this country, of foodstuffs, of timber of any kind (including pit-props), straw board, mechanical wood pulp, cut flowers, flax or flax seed, iron ore, granite, granite setts for paving, paving stones, kerbstone, slatestone, cod liver oil, ice, marble, alabaster, siena earth, tar, carbide of calcium or cyanamide of calcium, or in respect of any imports from places other than those situated in Norway, Sweden, Denmark, Holland, Switzerland, and Italy, or in respect of goods imported from an allied country by way of a neutral country on a through bill of lading or by through postal parcel, or in respect of goods of enemy origin imported under licence. The Certificates referred to must be in the form prescribed by the schedule hereto.

5. Any goods, wares, or merchandise imported from the above-mentioned foreign places, except as provided in paragraph 4, unaccompanied by Certificates of Origin will be detained by the Commissioners of Customs and Excise until the requisite certificates are produced. The Commissioners are, however, authorised in such cases, and at their discretion, to allow delivery of the goods on the security of a deposit or of a bond to the amount of three times the value of the goods with a view to the production of the necessary certificates within a prescribed period, provided that they see no reason for suspecting that the goods emanate from enemy territory.

6. This notice will take effect as from the 3rd May 1915.
