“We further beg leave to recommend that Officers thus entered should be eligible for the award of compensation for injuries and wounds on the scales applicable to their corresponding Rank on the Permanent List, and that, in the event of their death from causes attributable to the Service, their dependants should be eligible for such awards as would, in similar circumstances, be granted to the dependants of Officers of corresponding rank in the Royal Navy :

“The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in these proposals.”

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.
