13th July 1916.

## NOTICE.

Whereas by an Order dated the 8th June 1916, the Army Council, in pursuance of the powers conferred on them by Regulation 30A of the Defence of the Realm (Consolidation) Regulations, 1914, applied such Regulation to certain War Material, to wit, raw wool grown or to be grown on sheep in Great Britain or Ireland during the season of 1916:

And whereas the Army Council deem it desirable that the purchase, sale, or other dealing in wool pulled before the 1st September 1916, from the skins of sheep which have been clipped during the season of 1916, should be permitted:

Now, therefore, the Army Council give notice that they hereby authorise and permit the purchase, sale, or other dealing in wool pulled before the 1st September 1916, from the skins of sheep which have been clipped during the season of 1916.

R. H. BRADE.

The above notice exempts Rubbings, pulled before the 1st September 1916, from the prohibition of purchase and sale of British and Irish wool. It does not exempt from the prohibition Combing or long wool pulled from the skins of sheep or lambs which have not been clipped during 1916.
