A PROCLAMATION

UNDER THE MUNITIONS OF WAR ACTS, 1915
 AND 1916.

GEORGE R.I.

WHEREAS by section three of the Munitions of War Act, 1915, as amended by the Munitions of War (Amendment) Act, 1916, it is provided that the differences to which Part I of the first-mentioned Act applies are differences as to rates of wages, hours of work, or otherwise as to terms or conditions of or affecting munitions work, and also any differences as to rates of wages, hours of work, or otherwise as to terms or conditions of or affecting employment on any other work of any description, if that Part of that Act is applied to such a difference by His Majesty by Proclamation, on the ground that in the opinion of His Majesty the existence or continuance of the difference is directly or indirectly prejudicial to the manufacture, transport, or supply of Munitions of War; and it is also provided that the said Part of the said Act may be so applied to such a difference at any time, whether a lock-out or strike is in existence in connection with the difference to which it is applied or not: Provided that if in the case of any industry the Minister of Munitions is satisfied that effective means exist to secure the settlement without stoppage of any difference arising on work other than on munitions work, no Proclamation shall be made under the said section with respect to any such difference:

And whereas a difference within the meaning of the said section exists between employers and persons employed on the work of card room and blowing room operatives in the Lancashire Cotton Mills as to rates of wages, hours of work, and otherwise as to terms and conditions of or affecting employment on the work carried on by such operatives:

And whereas the Board of Trade have investigated the matter, and the Minister of Munitions having considered the results of the investigation made by the Board of Trade and their representations to him, is not satisfied that effective means exist to secure the settlement of the said difference without stoppage, being a difference arising on work other than munitions work:

And whereas in Our opinion the existence or continuance of the said difference is directly and indirectly prejudicial to the manufacture, transport, and supply of Munitions of War:

Now, therefore, We, by and with the advice of Our Privy Council, are pleased to proclaim, direct and ordain, that Part I. of the Munitions of War Act, 1915, shall apply to the said difference.

The KING's Most Excellent Majesty in Council.

WHEREAS by an Order in Council, dated the twenty-eighth day of November nineteen hundred and fourteen, His Majesty was pleased to make regulations (called the "Defence of the Realm (Consolidation) Regulations, 1914"), under the Defence of the Realm Consolidation Act, 1914, for securing the public safety and the defence of the realm:

And whereas the said Act has been amended by the Defence of the Realm (Amendment) Act, 1915, the Defence of the Realm (Amendment) (No. 2) Act, 1915, and the Munitions of War Act, 1915:

And whereas the said regulations have been amended by various subsequent Orders in Council:

And whereas it is expedient further to amend the said regulations in manner hereinafter appearing:

Now, therefore, His Majesty is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, that the following amendments be made in the said regulations:—

1. After regulation 2k the following regulation shall be inserted:—

"2L.—(1) Where the Board of Agriculture and Fisheries are of opinion that, with a view to maintaining the food supply of the country, it is expedient that they should exercise the powers given to them under this regulation as respects any land, the Board may enter on the land

(a) without any consent, if the land is for the time being unoccupied, or was unoccupied on the twenty-ninth day of November nineteen hundred and sixteen, or if the land is common land, and

(b) in any other case, with the consent of the occupier and the person in receipt of the rent of the land,

and cultivate the land, or arrange for its cultivation by any person either under a contract of tenancy or otherwise.

"(2) The Board may after entry on any land do or authorise to be done all things which they consider necessary or desirable for the purpose of the cultivation of the land or for adapting the land to cultivation, including fencing, and may also during their occupation of the land or on the termination thereof remove any such fencing or work of adaptation.

"(3) Any person who cultivates land under any such arrangement shall, on the determination by or on behalf of the Board, of the arrangement, if the determination takes effect before the first day of January nineteen hundred and eighteen, receive from the Board such compensation as may have been agreed under the terms of the arrangement, or, in default of any such agreement, as the Board may consider just and reasonable, and shall not be entitled to any other compensation."

"(4) On the determination of the occupation of any land by the Board under this regulation, compensation shall be paid by the Board to any person injuriously affected by any deterioration of the land caused by the exercise of the powers under this regulation, the amount of that compensation to be determined, in default of agreement, by a single arbitrator under and in accordance with the provisions of the Second Schedule to the Agricultural Holdings Act, 1908.

"(5) The Board may with respect to any land authorise any local authority to exercise on behalf of the Board any of the powers of the Board under this regulation.

"(6) In this regulation the expressions 'occupied' and 'unoccupied' refer to such occupation as involves liability to payment of poor rates, and the expression 'common land' includes any land subject to be enclosed under the Inclosure Acts, 1845 to 1882, and any town or village green and any other land subject to any right of common.

"(7) This regulation (except the last preceding subsection) shall apply to Scotland with the substitution of the Board of Agriculture for Scotland for the Board of Agriculture and Fisheries, of arbiter for arbitrator, and of the Agricultural Holdings (Scotland) Act, 1908, for the Agricultural Holdings Act, 1908; and as regards Scotland 'unoccupied land' shall mean land in respect of which no person was entered as tenant or occupier in the valuation roll for the year ending on the fifteenth day May nineteen hundred and seventeen.

2. At end of Regulation 9c the following proviso shall be inserted:—

"(4) If any person, other than an authorised person or a person licensed to import or to manufacture cocaine, has in his possession any cocaine, he shall be guilty of a summary offence against these regulations unless he proves that the cocaine was supplied on and in accordance with such a prescription as aforesaid.

"(5) If any person sells any article into the composition of which cocaine enters, in a package or bottle which has not plainly marked on it the amount and percentage of cocaine in the article, he shall be guilty of a summary offence against these regulations.

"(6) If any person sells, gives, procures, or supplies, or offers to sell, give, procure, or supply, opium to or for any person, other than an authorised person, in the United Kingdom, or if any person, not being an authorised person or a person licensed to import opium, has any opium in his possession, he shall be guilty of a summary offence against these regulations.

"(7) If any person prepares opium for smoking, or deals in or has in his possession any

opium so prepared, he shall be guilty of a summary offence against these regulations.

"(8) Every person who deals in cocaine or opium shall keep a record, in such form as may be prescribed by a Secretary of State, of all dealings in cocaine or opium effected by him (including sales to persons outside the United Kingdom), and if he fails to do so he shall be guilty of a summary offence against these regulations; every such record shall be open to inspection by any person authorised for the purpose by a Secretary of State.

"(9) If any person holding a general or special permit from a Secretary of State to purchase or to be in possession of any drug to which this regulation applies fails to comply with any of the conditions subject to which the permit is granted, he shall be guilty of a summary offence against these regulations.

"(10) If any authorised person is convicted of any offence under this regulation or under any proclamation regulating the import or export of cocaine or opium a Secretary of State may direct that he shall cease to be an authorised person for the purposes of this regulation.

ADMIRALTY NOTICE TO MARINERS.

No. 1349 of the year 1916.

SCOTLAND NORTH-EAST COAST, ORKNEY
AND SHETLAND ISLES.*Former Notices.*—Nos. 245, 898, 969, 1092
and 1215 of 1916.

Notice is hereby given that, under the Defence of the Realm (Consolidation) Regulations, 1914, the following Regulations have been made by the Lords Commissioners of the Admiralty, and are now in force:—

(1) PENTLAND AND MORAY FIRTHS—RESTRICTION
OF TRAFFIC; PILOTAGE REGULATIONS.

The following regulations have been made with a view to safeguarding the interests of shipping in the Pentland and Moray Firths:—

I.—RESTRICTION OF TRAFFIC.

1. No vessel, either British, Allied or Neutral, is to be in the area indicated in *red* on the accompanying portion of Admiralty Chart No. 2, from half an hour after sunset to half an hour before sunrise, unless at anchor. No vessel, however, is to anchor:—
 - (a) Anywhere along the coast between Tarbet ness and North Sutor, except within one mile radius of Balintore;
 - (b) Anywhere off the south shore of the Moray Firth between the meridians of Port Gordon and Burghead, except within three-quarters of a mile of the low water mark;
 - (c) Outside a distance of one mile of the coast in any other portion of the area indicated in *red*.
2. Vessels proceeding to ports in the Moray Firth should therefore endeavour to enter the firth in time to reach their destinations not later than half an hour after sunset. Should they not reach their destinations by that time they are to anchor, weather permitting, subject to the restrictions given in clause 1.
3. Any vessel contravening the foregoing regulations will run the gravest risk of being sunk.

Caution.—Neutral or Allied vessels are particularly warned that the passage through the Pentland Firth presents very grave risks to a Westbound vessel, and are strongly advised not to take it.

II.—PILOTAGE REGULATIONS.

Pilotage is compulsory at the undermentioned ports for all vessels (including fishing vessels) which have a draught of over eight feet, and it is highly dangerous for any vessel to enter or leave such ports without a pilot. Fishing and other small vessels having a draught of over eight feet are to assemble at the Pilotage stations, and will be conducted into and out of port in groups.

1. All vessels bound to Cromarty or Inverness must call for a pilot at Wick or Burghead.

Outgoing vessels are to discharge their pilots at one or the other of these places.

2. It is dangerous for any vessel to be under way to the south-westward of a line joining Tarbet ness and Findhorn without a pilot.

3. No vessels of any description other than H.M. Ships and Auxiliaries are to be under way between sunset and sunrise in the waters contained between a line drawn from Tarbet ness to Findhorn, and a line drawn from Fort George to Chanonry point.

(2) ORKNEY ISLES, SCAPA FLOW—TRAFFIC
REGULATIONS.

1. All entrances are dangerous and entry is absolutely prohibited by any of them except as provided in succeeding paragraphs.

2. Examination services have been established in the entrances to Hoxa and Hoy sounds; vessels directed to enter must communicate with the Examination vessel and follow the instructions received from her very carefully.

3. No vessel is permitted to approach the entrance to Hoxa sound within a radius of 5 miles under any circumstances whatever, except when actually ordered to Scapa Flow. Vessels ordered to Kirkwall should proceed direct to that port.

4. The only vessels permitted to enter Hoy sound from the westward are those ordered to Stromness.

5. Vessels are not permitted to enter Hoxa or Hoy sounds by night or in thick weather.

6. Passage through Cantick sound is entirely prohibited.

(3) SHETLAND ISLES—TRAFFIC OF NEUTRAL
VESSELS PROHIBITED.

No vessels other than those of British Nationality or those of the Allied Nations, except vessels calling for the purpose of Examination, shall enter any ports or harbours in, or anchor off any part of, the coasts of the Shetland Isles until further notice.

Note.

This Notice is a re-publication of Notices Nos. 245 and 1215 of 1916, and former Notices.

CAUTION.

This Admiralty Notice to Mariners is issued under the provisions of the Defence of the Realm (Consolidation) Regulations, 1914, and failure to comply strictly with the directions contained in it will constitute an offence against those Regulations.

Any person found guilty of such an offence is liable to severe penalties both of imprisonment and fine.

Any person aiding or abetting the commission of such an offence is himself guilty of an offence against the Regulations.

Attention is also drawn to the fact that any infringement of the directions contained in this Admiralty Notice to Mariners is liable to result in the detention of the ship or vessel.

(Notice No. 1349 of 1916.)

Authority.—The Lords Commissioners of the Admiralty. (H. 7377/16.)
