

SIR, Hercule, Nov. 2. 1805.

I enclose you, for the information of the Lords Commissioners of the Admiralty, the copy of a letter I have received from Captain M'Kenzie, of the Wolf, acquainting me of his having recaptured an American ship, and run on shore the privateer that captured her.

I am, &c. J. R. DACRES.

SIR, His Majesty's Sloop Wolf, at Sea,
October 20. 1805.

I have to acquaint you, that yesterday evening, in consequence of information I received from the shore, I gave chase to two sail in the Offing, and soon came up with a ship, which proved to be an American, captured a few minutes before by a Spanish privateer then standing in shore: I dropt a boat to take possession of her, and stood after the privateer, but it falling calm shortly after, I dispatched two boats in chase; they came up with, and boarded her at the very moment she struck on a reef near the shore, and about ten miles to leeward of Falmouth; every effort proved ineffectual to get her off, and she went to pieces soon after. She proved to be La Precieuse, a new cutter, out six days from St Jago Cuba, commanded by Galana Garsa, carrying three small guns and twenty-three men, five of whom made their escape in a

canoe previous to her being boarded; had made no other captures.

I have the honour to be, &c.

(Signed) G. C. M'KENZIE.

of the Red, &c. &c. Jamaica.
