PRESENT,

The King's Most Excellent Majesty in Council.

Whereas his Majesty has received advice that his Majesty the King of Prussia has taken possession of various parts of the Electorate of Hanover, and other dominions belonging to his Majesty, in a forcible and hostile manner; and has also notified that all British ships shall be excluded from the ports of the Prussian dominions, and from certain other ports in the north of Europe, and not suffered to enter or trade therein, in violation of the just rights and interests of his Majesty and his dominions, and contrary to the established law and practice of nations in amity with each other; his Majesty, with the advice of his Privy Council, is thereupon pleased to order, as it is hereby ordered, That no ships or vessels belonging to any of his Majesty's subjects be permitted to enter and clear out for any of the ports of Prussia until further orders: And his Majesty is further pleased to order, That a general embargo or stop be made to all Prussian ships and vessels whatsoever, now within, or which hereafter shall come into any of the ports, harbours, or roads within the united kingdom of Great Britain and Ireland, together with all persons and effects on board the said ships or vessels; but that the utmost care be taken for the preservation of all and every part of the cargoes on board any of the said ships and vessels, so that no damage or embezzlement whatever be sustained:—And the Right Honourable the Lords Commissioners of his Majesty's Treasury, the Lords Commissioners of the Admiralty, and the Lord Warden of the Cinque Ports, are to give the necessary directions herein as to them may respectively appertain.

ADMIRALTY-OFFICE—April 5.

Copy of a Letter from the Earl of St Vincent, K. B. Admiral and Commander in Chief of his Majesty's fleet, employed in the Channel, Soundings, &c. to William Marsden, Esq. dated on board the Hibernia, off Ushant, the 30th March, 1806.

SIR,

I have great pleasure in forwarding to you, for the information of the Admiralty, the very modest relation of a neat action, performed by Captain Loring, of the Niobe, who has just joined with the corvette his prize; and as the Crescent has many defects which require looking into, I have directed Captain Carthew to receive the prisoners on board that ship, and to proceed with the prize to Plymouth Sound.

I am, &c.

ST VINCENT.

His Majesty's ship Niobe, March 30. 1806—at sea.

MY LORD,

His Majesty's frigate, under my command, on the 28th inst. at ten in the morning, gave chase to three French frigates and a brig standing out of L'Orient, in the hopes of getting an opportunity of attacking some of them separately; and at ten at night came up with, and took possession of the sternmost, the national corvette Le Nearque, of 16 guns, and 97 men; had sailed from L'Orient, on the same morning, victualled and floored for five months.

I have the honour to be, &c.

J. W. LORING.

The Earl of St Vincent, K. B. &c. &c. &c.
