

PACKAGES.

All the above maximum prices are for acid delivered into tank wagon, tank cart or tank barge at maker's works.

When the acid maker supplies the railway tank wagons, he shall be entitled to make a further charge of not more than 5s. per ton for hire of such wagons, and also to charge demurrage on tank wagons detained at the purchaser's sidings for more than one clear day, exclusive of the days of arrival and despatch, at a rate not exceeding 6d. per ton capacity per day in respect of each clear day, after the first during which the same are so detained.

When the acid maker supplies the acid in his own drums he shall be entitled to make a further charge of not more than 10s. per ton for filling and hire of drums. When drums are supplied by the purchaser a charge of 2s. per ton may be made to cover the cost of filling.

When the acid is supplied in the acid maker's own carboys, he shall be entitled to make a further charge of £1. per ton for filling and hire of carboys. When carboys are supplied by the purchaser, a charge of 5s. per ton may be made by the acid maker to cover the cost of filling.

EXTRA CARRIAGE.

In cases where a maker of sulphuric acid has, in order to supply his customers, to purchase supplies of acid from a third party, it will be permissible for him, in so far as this is a departure from his normal procedure, to charge to his customers any extra cost of carriage thereby incurred.
