

The first part of the book is devoted to a general history of the United States, from the discovery of the continent to the present time. The second part is a history of the individual states, and the third part is a history of the federal government.

The first part of the book is divided into three volumes. The first volume covers the period from the discovery of the continent to the establishment of the first colonies. The second volume covers the period from the establishment of the first colonies to the American Revolution. The third volume covers the period from the American Revolution to the present time.

The second part of the book is divided into three volumes. The first volume covers the history of the thirteen original states. The second volume covers the history of the thirteen original states and the five new states that were admitted to the Union between 1793 and 1802. The third volume covers the history of the thirteen original states and the twenty-two new states that were admitted to the Union between 1803 and 1845.

The third part of the book is divided into three volumes. The first volume covers the history of the federal government from its establishment in 1789 to the present time. The second volume covers the history of the federal government from its establishment in 1789 to the present time. The third volume covers the history of the federal government from its establishment in 1789 to the present time.
