TUESDAY, MARCH 25, 1919.

At the Council Chamber, Whitehall, the 21st day of March 1919.

By the Lords of His Majesty's Most Honourable Privy Council.—No. 78.

WHEREAS His Majesty has been pleased, in exercise of the power in that behalf conferred on Him by Section one, sub-section one, of the Trading with the Enemy (Extension of Powers) Act, 1915, by divers Proclamations, and in particular by a Proclamation dated the 23rd day of May 1916, and amended on the 16th day of January 1918, entitled "The Trading with the Enemy (Statutory List) Proclamation," to prohibit all persons or bodies of persons, incorporated or unincorporated, resident, carrying on business, or being in the United Kingdom from trading with any of the persons or bodies of persons mentioned in the List contained in the last-mentioned Proclamation, such List being therein referred to as the Statutory List:

And whereas by Section one, sub-section two, of the said Act, it is provided that any List of persons and bodies of persons, incorporated or unincorporated, with whom such trading is prohibited by a Proclamation under the said Act may be varied or added to by an Order made by the Lords of the Council on the recommendation of a Secretary of State:

And whereas the Statutory List contained in the last-mentioned Proclamation has been varied and added to by subsequent Orders of Council:

And whereas there was this day read at the Board a recommendation from the Secretary of

State for Foreign Affairs to the effect that the Statutory List should be further varied and added to as set forth in the Schedule hereto.

Now, therefore, Their Lordships, having taken the said recommendation into consideration, are pleased to order, and it is hereby ordered,

NOTE (1).—All persons or firms resident,
carrying on business or being in the United
Kingdom are prohibited from having, with any
person or firm mentioned in this List, or in any
List issued under the Trading with the Enemy
(Statutory List) Proclamation, any dealings other
than such as are expressly authorised by Para-
graph 5 of the Proclamation. A List (The Con-
solidated List, No. 76a) consolidating all previous
Lists up to and including that of the 21st
February 1919, is in the press and will shortly be

published. This Consolidated List, together with
List No. 77 of the 7th March 1919, and the
List herewith annexed, contain all the names
which up to this date are included in the Statu-
tory List.

Additions to and variations in these Lists
will be published at intervals approximately of
two weeks.

The Lists are published in the London Gazette
and reproduced in the Board of Trade Journal,
and separate copies of all Lists may be obtained at
a small cost from the Superintendent of Publica-
tions, His Majesty's Stationery Office, Imperial
House, Kingsway, W.C.

NOTE (2).—Where a firm is mentioned in the
List, every partner in the firm is also included in
the List, and all dealings with any partner in the
firm, as well as all dealings with the firm, are
prohibited; and conversely, all dealings with a
firm, any partner in which is mentioned in the
List, are also prohibited.

NOTE (3).—Where a person or firm men-
tioned in the List has more than one address
in the country, or group of countries under which
the name of the person or firm appears, all dealings
in that country, or in any country in the group,
with such person or firm are prohibited, even
in cases where one only of the addresses or one
only of the countries is specially mentioned.

NOTE (4).—Trading is prohibited under the
Trading with the Enemy Proclamations of 25th
June and 10th November 1915 with any person
or firm of enemy nationality resident or carrying
on business in China, Siam, Persia, Morocco,
Liberia, or Portuguese East Africa. Persons or
firms in the United Kingdom are therefore
prohibited from trading with any person or firm
of enemy nationality in any of those countries,
even though such person or firm is not mentioned
by name in the Statutory List.

NOTE (5).—In order to minimise as far as
possible any inconvenience which may be caused
to British traders by the dislocation of export
trade owing to the inclusion in the Statutory
List of a former connection, the Foreign Trade
Department is collecting and classifying the
names of non-enemy firms who may be able to
act as substitutes for firms mentioned in the
Statutory List. A considerable amount of in-
formation is already available at the Foreign
Trade Department, and it is in many cases pos-
sible to suggest the names of satisfactory substi-
tutes for individual firms on the Lists, without
the necessity of referring the matter abroad.
The Department is, however, prepared on
application to inquire of His Majesty's Repre-
sentatives abroad for the names of suitable substi-
tutes. When the applicant wishes this done
by telegraph he is required to undertake to pay
the cost of telegraphic correspondence. It would
greatly facilitate the work of the Foreign Trade
Department if applicants, in making inquiries,
would specify the particular trade or trades for
which substitutes are required. *General inquiries
for new connections abroad should be addressed to
The Comptroller-General, Department of Overseas
Trade (Development and Intelligence), 73 Basing-
hall Street, London, E.C. 2.*

NOTE (6).—The Statutory List for each country
is telegraphed, on the day of issue, to His Majesty's
Representative in that country, who is instructed
to notify accordingly British Consular Officers, to
whom persons abroad should apply for information
as to names on the List. Persons and firms in the

United Kingdom with agencies or branches abroad would, however, be well advised to furnish such agencies or branches with issues of the List as they appear. The names on the Lists for all countries in Central or South America are also notified to His Majesty's Ambassador at Washington, who transmits them to H.M. Consul-General at New York and to other centres in the United States likely to be interested.

NOTE (7).—It is not unusual for firms in Holland and the Netherland East Indies to be registered under names commencing with descriptive terms such as "Handel Maatschappij" (Trading Company) or "Naamlooze Venootschap" (Limited Liability Company). In such cases it has been found more convenient to publish the firm under its proper name followed by the general descriptive term "Handel Maatschappij" or "Naamlooze Venootschap" (N.V.), as in the case of an English company. For instance, Handel Maatschappij van den Berg & Company, and Naamlooze Venootschap de Komeet v/h Dumonceau Frères will be found under "Berg" and "Komeet" respectively, and not under "Handel" or "Naamlooze."

ALMERIC FITZROY.

Whitehall, March 19, 1919.

The KING has been pleased to issue a Commission under His Majesty's Royal Sign Manual to the following effect :—

GEORGE R.I.

GEORGE THE FIFTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas King, Defender of the Faith, to

Our Trusty and Well-beloved :—

Sir Charles Henry Sargant, Knight, one of the Judges of Our High Court of Justice (Chancery Division);

Robert John Strutt, Esquire, Fellow of the Royal Society (commonly called the Honourable Robert John Strutt);

Sir James Johnston Dobbie, Knight, Doctor of Science, Doctor of Laws, Fellow of the Royal Society, Principal of the Government Laboratories;

George Lewis Barstow, Esquire, Companion of Our Most Honourable Order of the Bath, a Principal Clerk in the Treasury;

William Temple Franks, Esquire, Companion of Our Most Honourable Order of the Bath, Comptroller-General of Patents, Designs and Trade Marks;

Alfred Clayton Cole, Esquire;

Halford John Mackinder, Esquire; and

Robert Young, Esquire,

Greeting!

Whereas by Section 29 of the Patents and Designs Act, 1907, it is enacted as follows, that is to say :—

“A patent shall have to all intents the like effect as against His Majesty the King as it has against a subject.

Provided that any Government department may, by themselves, their agents, contractors or others, at any time after the application, use the invention for the services of the Crown on such terms as may, either before or after the use thereof, be agreed on, with the approval of the Treasury, between the department and the patentee, or, in default of agreement, as may be settled by the Treasury after hearing all parties interested.”

And whereas recently and particularly in connection with the present War there has been an exceptional user by the Navy, Army, Air Force, Ministry of Munitions and other Government Departments of inventions protected by Letters Patent :

And whereas there may also have been the like exceptional user of inventions, designs, drawings or processes which, though not protected against the Crown under the said Act or otherwise, may have been of such merit or utility as to render it proper that the inventor, author or owner thereof should receive some remuneration from the Treasury in respect of such user :

And whereas, under the circumstances aforesaid, an unduly heavy burden has been cast upon the Treasury in relation to the settlement of the terms of user of patented inventions under the aforesaid Section 29, and otherwise under that section, and also in relation to fixing any proper remuneration in respect of the other matters hereinafter mentioned :

And whereas We have deemed it expedient

in the premises that a Commission should forthwith issue for the purposes and with the powers hereinafter appearing :

Now know ye that We, reposing great trust and confidence in your knowledge and ability, have authorized and appointed, and do by these Presents authorize and appoint you the said Sir Charles Henry Sargant (Chairman); Robert John Strutt; Sir James Johnston Dobbie; George Lewis Barstow; William Temple Franks; Alfred Clayton Cole; Halford John Mackinder and Robert Young to be Our Commissioners for the purposes and with the powers following, that is to say :—

(1) In any case of user or alleged user of any patented invention for the services of the Crown by any Government Department and of default of Agreement as to the terms of user, the Commissioners, upon the application of the patentee and agreement to accept their determination, may proceed to settle and may settle the terms of user in lieu and place of the Treasury: Provided that the Commissioners shall not actually award to the patentee any sum or sums of money whether by way of a gross sum or by way of royalty or otherwise which shall together exceed an aggregate sum of £50,000 beyond and in addition to any allowance the Commissioners may think fit to make for outlay and expenses in connection with the invention: But the Commissioners, if of opinion that the Patentee is fairly entitled to a remuneration exceeding the said aggregate sum of £50,000, may make a recommendation to the Treasury as to any such excess, with a statement of their reasons for such recommendation.

(2) In any case where terms of user of any patented invention (including any terms as to selling for use, licensing or otherwise dealing with any article made in accordance therewith, or any terms as to assignment of an invention under Section 30 of the Act) have been agreed or are in course of agreement between the patentee and any Government Department, the Commissioners may on the application of the Treasury make any recommendation as to the giving or withholding by the Treasury of approval of such agreement or proposed agreement, and may assist in adjusting or determining any term or terms of any proposed agreement as to which the parties may not be fully agreed.

(3) In any case of user or alleged user for the services of the Crown by any Government Department of any inventions, designs, drawings or processes which, though not conferring any monopoly against the Crown or any statutory right to payment or compensation, may nevertheless appear from their exceptional utility or otherwise to entitle the inventor, author or owner thereof to some remuneration for such user (including user by way of selling for use, licensing or otherwise dealing with any articles made in accordance therewith) the Commissioners may, on the request of the Treasury, inquire into the circumstances of the case and may make a recommendation to the Treasury as to the remuneration (if any) that is proper to be allowed therefor.

And for the better effecting the purposes of this Our Commission, We do by these Presents authorize you to sit in two divisions, each division consisting of such three or more of you as the said Sir Charles Henry Sargant shall determine: and to allocate to the two said

divisions such of the matters submitted for your consideration as you may deem expedient.

And We do by these Presents give and grant unto you full power to call before you such persons as you shall judge likely to afford you any information upon the subject of this Our Commission; to call for information in writing; and also to call for, have access to, and examine all such books, documents, registers and records as may afford you the fullest information on the subject, and to inquire of and concerning the premises by all other lawful ways and means whatsoever.

And We do by these Presents authorize and empower you to visit and personally inspect such places as you may deem it expedient so to inspect for the more effectual carrying out of the purposes aforesaid.

And We do by these Presents will and ordain that this Our Commission shall continue in full force and virtue, and that you, Our said Commissioners, may from time to time proceed in the execution thereof, and of every matter and thing therein contained, although the same be not continued from time to time by adjournment.

Provided that, should you deem it expedient, the powers and privileges hereinbefore conferred on you shall belong to, and may be exercised by, any one or more of you.

And We do further ordain that you have liberty to report your proceedings under this Our Commission from time to time, if you shall judge it expedient so to do.

And Our will and pleasure is that you do, from time to time, report to the Lord Commissioners of Our Treasury, under hand and seal, your opinions upon the matters herein submitted for your consideration.

Given at Our Court at Saint James's, the nineteenth day of March, one thousand nine hundred and nineteen, in the ninth year of Our Reign.

By His Majesty's Command.
