ADMIRALTY-OFFICE, MAY 10.

Copy of a Letter transmitted by the Earl of St Vincent.

Colpoj's hired brig, off the Glenans, April 25. 1806.

MY LORD—I have the honour to acquaint your Lordship, that on the 19th inst standing along shore between the Glenans and Isle Groer, with the Attack in company, I perceived two Chaffe Marees at anchor in the entrance of the river Donmillan, and which, upon our approach, quitted their anchorage, and ran up the river. Finding it necessary to silence a two gun battery before the boats could get to them, I landed with twelve men from each brig, and after a short skirmish, got possession of and nailed up the guns (12-pounders); I afterwards brought the vessels down the river, and destroyed the signal post of Donmillan. I am happy to acquaint your Lordship that the only damage we sustained was having some of our standing running rigging and falls cut.

I have to acknowledge the support I received from Lieutenant Swaine by his well directed fire upon the enemy's guns during the time we were reconnoitring the river and beach. I feel much obliged to Mr Wood, Assistant-Surgeon of the Growler, who volunteered his services, and attended the party that landed.

I have the honour to remain, &c.
