Provided that all hours worked on Sundays and Statutory Holidays shall be regarded as Overtime to which the Overtime Rates shall apply.

SECTION II.—The Minimum Rates for Overtime in respect of hours worked by a worker, whether engaged on time-work or on piece-work, in excess of such normal number of hours shall be as follows, that is to say :—

- (a) For all Overtime on any day except Saturdays, Sundays and Statutory Holidays the Overtime Rates shall be equivalent to time-and-a-quarter, that is to say, one and a quarter times the minimum rate otherwise applicable.
- (b) For all Overtime on Saturdays the Overtime Rates shall be equivalent to time-and-a-half, that is to say, one and a half times the minimum rate otherwise applicable.
- (c) For all time worked on Sundays and Statutory Holidays the Overtime Rates shall be equivalent to double time, that is to say, twice the minimum rate otherwise applicable.

SECTION III.—Notwithstanding anything contained in Sections I and II of this Part of this Notice, it is hereby provided that :—

- (a) All hours worked in any week in excess of 47 shall be paid for as Overtime.
- (b) The Overtime Rates shall also be payable where, on any day, not being Sunday or a Statutory Holiday, the number of hours worked exceeds  $8\frac{1}{2}$ , or, in the case of Saturday, exceeds  $4\frac{1}{2}$ , provided that the total number of hours worked in the week is not less than 47 or such lesser number of hours as the worker has had the opportunity of working in that week, not including any hours which rank as Overtime under the provisions of Section I of this Part of this Notice.
- (c) Where by agreement between an Employer and his Workers the number of hours of work on a Saturday does not exceed 4, the Overtime Rates shall not be payable as respects not more than one other day in each week (not being Sunday or a Statutory Holiday) until the number of hours worked on such day exceeds 9.
- (d) Where it is or may become the established practice of an employer only to require attendance on 5 days a week, the Overtime Rates shall only be payable where, on any day, the number of hours worked exceeds  $9\frac{1}{2}$ .
- (e) The Overtime Rates are not applicable to Watchmen or to men employed solely as Firemen or Stokers.

SECTION IV.—The hours which female workers and young persons are allowed to work are subject to the provisions of the Factory and Workshops Act, 1901.

### PART III.

For the purpose of this Notice a "learner" shall be deemed to be a person who is employed under conditions which, in the circumstances of the case, afford a reasonable prospect of advancement to the general minimum time-rate for workers other than learners. Provided that in the case of males no person shall be deemed to be a learner who is over 21 years of age.

### PART IV.

The above Minimum Rates of Wages shall apply, subject to the provisions of the Trade Boards Acts, to all workers in Great Britain who are employed during the whole or any part of their time in those branches of the hollow-ware trade which are engaged in the making of hollow-ware from sheet iron or sheet steel, including the processes of galvanising, tinning, enamelling, painting, japanning, lacquering and varnishing.

### PART V.

SECTION I.—The above Minimum Rates of Wages shall be paid clear of all deductions

other than deductions under the National Insurance Act, 1911, as amended by any subsequent enactments, or deductions authorised by any Act to be made from wages in respect of contributions to any superannuation or other provident fund.

SECTION II.—The above Minimum Rates of Wages are without prejudice to workers who are earning higher rates of wages.

Dated this tenth day of April 1920.

Signed by Order of the Trade Board.

F. POPPLEWELL, Secretary.

Office of Trade Boards,  
5 Chancery Lane, London, W.C. 2.

It is provided by the above-mentioned Regulations that :—

Every Occupier of a factory or workshop or of any place used for giving out work to outworkers shall, on receipt of this Notice, post up and keep posted up a sufficient number of true copies thereof in prominent positions in the factory, workshop or place used for giving out work in such a manner as to ensure that in each case the Notice shall be brought to the knowledge of all workers employed by him or on his premises who are affected thereby. Penalty for non-compliance, a fine not exceeding 40s.

Under the Trade Boards Acts, 1909 and 1918, it is provided amongst other things that :—

1.—Where any minimum rate of wages fixed by a Trade Board has become effective, an employer shall, in cases to which the minimum rate is applicable, pay wages to the person employed at not less than the minimum rate clear of all deductions, and if he fails to do so shall be liable on summary conviction in respect of each offence to a fine not exceeding twenty pounds and to a fine not exceeding five pounds for each day on which the offence is continued after conviction therefor.

In the foregoing provision, the expression "deductions" includes deductions for or in respect of any matter whatsoever (other than deductions under the National Insurance Act, 1911, as amended by any subsequent enactments or deductions authorised by any Act to be made from wages in respect of contributions to any superannuation or other provident fund), and notwithstanding that they are deductions which may lawfully be made from wages under the provisions of the Truck Acts, 1831 to 1896, and where any payment being a payment authorised to be received by an employer under section one, section two, or section three of the Truck Act, 1896, is made by any employed person to his employer, the employer shall, for the purposes of the foregoing provision, be deemed to have deducted that amount from wages.

On the conviction of an employer for failing to pay wages at not less than the minimum rate to a person employed, the court may by the conviction adjudge the employer convicted to pay, in addition to any fine, such sum as appears to the court to be due to the person employed on account of wages, the wages being calculated on the basis of the minimum rate, but the power to order the payment of wages under this provision shall not be in derogation of any right of the

person employed to recover wages by any other proceedings.

2.—If a Trade Board are satisfied that any worker employed, or desiring to be employed, in any branch of a trade to which a general minimum time-rate, a guaranteed time-rate, or a time-work overtime rate is applicable is affected by any infirmity or physical injury which renders him incapable of earning that minimum rate, and where the worker is not already employed on piece-work, are of opinion that the case cannot suitably be met by employing him on piece-work, the Trade Board may, if they think fit, grant to the worker, subject to such condition, if any, as they prescribe, a permit exempting the employment of the worker from the provisions of this Act relating to the payment of wages at less than the minimum rate, and, while the permit is in force, the employer shall not be liable for paying wages to the worker at a rate less than the minimum rate so long as the conditions prescribed by the Trade Board on the grant of the permit are complied with.

3.—It shall be the duty of every employed in a trade to which a minimum rate is applicable to keep such records of wages as are necessary to show that the provisions of this Act are being complied with as respects persons in his employment, and if he fails to do so he shall be liable on summary conviction in respect of each offence to a fine not exceeding two pounds, and also to a fine not exceeding one pound for every day during which the default continues after conviction.

On any prosecution of a person for failing to pay wages at not less than the minimum rate it shall lie on that person to prove that he has not paid wages at less than the minimum rate.

Any agreement for the payment of wages in contravention of the provisions of the Acts shall be void.

4.—An employer shall, in cases where persons are employed on piece-work and a general minimum time-rate but no general minimum piece-rate has been fixed, be deemed to pay wages at less than the minimum rate—

- (a) In cases where a special minimum piece-rate has been fixed under the provisions of this Act for persons employed by that employer, if the rate of wages is less than that special minimum piece-rate; and
- (b) In cases where a special minimum piece-rate has not been so fixed, unless he shows that the piece-rate of wages paid would yield, in the circumstances of the case, to an ordinary worker at least the same amount of money as the basis-rate.

For the purpose of this section the expression, "basis-rate" means the general minimum time-rate or, where a rate (in this Act referred to as a "piece-work basis time-rate") has been fixed by the Trade Board for the purpose of being substituted for the general minimum time-rate as the basis-rate, the rate so fixed.

5.—(1) Where a worker in any trade, being a person to whom a minimum rate of wages fixed by a Trade Board applies, is an apprentice or learner, it shall not be lawful for his employer to receive directly or indirectly from him, or on his behalf or on his account, any payment by way of premium :

2

Provided that nothing in the foregoing provision shall apply to any such payment duly made in pursuance of any instrument of apprenticeship not later than four weeks after the commencement of the employment.

(2) If any employer acts in contravention of this provision, he shall be liable on summary conviction in respect of each offence to a fine not exceeding twenty pounds, and the court may by the conviction, in addition to imposing a fine, adjudge him to repay to the worker or other person by whom the payment was made the sum improperly received by way of premium.

6.—For the purpose of calculating the amount of the wages payable in the case of a worker employed on any work for which a minimum rate of wages has been fixed under the principal Act, the worker shall be deemed to have been employed during all the time during which he was present on the premises of the employer, unless the employer proves that he was so present without the employer's consent, express or implied, or that he was so present for some purpose unconnected with his work and other than that of waiting for work to be given to him to perform, and in the case of a worker employed on piece-work shall be deemed during any time during which he was so present and was not doing piece-work to have been employed at the general minimum time-rate applicable to workers of the class to which he belongs :

Provided that—

- (a) where a worker resides on the premises of the employer he shall not be deemed to be employed during any time during which he is present on the premises by reason only of the fact that he is so resident; and
- (b) a worker while present during normal meal times in a room or place in which no work is being done shall be deemed to be present for a purpose unconnected with his work.
