John Hiley Addington; the Right Hon. John Sullivan, and the Right Hon. ADMIRALTY-OFFICE, JULY 15.

Copy of a Letter from the Earl of St. Vincent, K. B. Admiral and Commander in Chief, &c. to Wm. Marsden, Esq. dated on board the *Hibernia*, off Ushant, the 11th inst.

SIR—I transmit herewith copies of a letter, with its inclosure, from Rear-Admiral Harvey, reciting a very neat exploit, conducted by Lieut. Mulcafter, First of the *Minerva*; whom I feel great pride in acknowledging as an eleve of my own.

I am, &c. ST. VINCENT.

Tonnant, off Cape Finisterre,
June 23, 1806.

MY LORD,—The weather being hazy, we did not see the *Minerva* when the *Princess Royal* parted company this morning. As we stood in shore, the *Minerva* joined; and Captain Collier sent me a letter, of which the inclosed is a copy. It displays an enterprising spirit on the part of his Officers and men employed upon this service.

I have the honour to be &c.

ELIAB HARVEY.

The Earl of Vincent, K. B. &c.

Minerva, off Cape Finisterre,
June 23, 1806.

SIR,—The particular part of your orders having been accomplished, by my falling in with his Majesty's ships *Renown* and *Warrior* on the 21st inst. I felt it my duty to direct my attention to the annoyance of the enemy's trade carried on along this coast to the ports of Ferrol and Vigo, and having reason to believe there were some lugger privateers in Finisterre Bay, under the protection of the fort, I last night, it being calm, dispatched two boats from his Majesty's ship under my command, to scour the Bay.

From among the volunteers for this service, it fell to the lot of Lieut. Mulcafter, 1st Lieut. accompanied by Lieut. Menzies of the Royal Marines, to command the cutter;—the barge was directed by Lieut. Ogle Moore.

This forenoon I had the satisfaction to see the boats returning; accompanied by five Spanish luggers, and *chasse-marées*, as per margin*, mostly laden with wine, bound to Ferrol and Corunna. Lieut. Mulcafter speaks very handsomely of the support he received from the officers and petty seamen and marines employed on this affair.

I feel I should be deficient in my duty did I omit to state the circumstances attending the execution of this service, so creditable to Lieut. Mulcafter and his companions.

The first object was the fort, mounting eight brass guns, of 24 and 12-pounders, which commanded the vessels. This was carried in a most neat and masterly manner by the bayonet and pike, before the guard had either time to raise the drawbridge, or discharge a 12-pounder, which had been brought to face the gate, (a fishing boat having apprized them of the approach of our boats,) part of the Spanish guard laid down their arms, and are now on board; the rest escaped.

As the day began to dawn, and as the men were much harrassed from a long row to the shore, and a fatiguing march over a heavy sand, the party were obliged to confine themselves to spiking the guns, and throwing some of them into the sea; e'er they took possession of the vessels.

The circumstance from which I derive most pleasure is, that this service was executed without a man being hurt on either side, although the boats

in their return, during a calm of near three hours were exposed to the fire of a two gun battery from a hill to the southward of the town.

I have the honour to be, &c.

GEORGE RALPH COLLIER.

Rear-Admiral Harvey, &c.

* Angel de la Guarda, John Antonio Anemas, Santa Antonio Anemas, Nostra Senora del Carmen, and Santa Christo Janemas.
