TUESDAY, NOVEMBER 2, 1920.

*War Office,*  
29th October 1920.

His Majesty the KING has been graciously pleased to approve of the award of the Victoria Cross to the undermentioned officer:—

The late Captain George Stuart Henderson, D.S.O., M.C., 2nd Bn., Manchester Regt.

For most conspicuous bravery and self-sacrifice.

On the evening of the 24th July 1920, when about fifteen miles from Hillah (Mesopotamia), the Company under his Command was ordered to retire. After proceeding about 500 yards a large party of Arabs suddenly opened fire from the flank, causing the Company to split up and waver. Regardless of all danger, Capt. Henderson at once reorganised the Company, led them gallantly to the attack and drove off the enemy.

On two further occasions this officer led his men to charge the Arabs with the bayonet and forced them to retire. At one time, when the situation was extremely critical and when the troops and transport were getting out of hand, Capt. Henderson, by sheer pluck and coolness, steadied his command, prevented the Company from being cut up, and saved the situation.

During the second charge he fell wounded, but refused to leave his command, and just as the Company reached the trench they were making for he was again wounded. Realising that he could do no more, he asked one of his N.C.O.'s to hold him up on the

embankment, saying, "I'm done now, don't let them beat you." He died fighting.

*War Office,*  
28th October 1920.

His Majesty the KING has been graciously pleased to approve of the undermentioned rewards for distinguished services in the Field in Mesopotamia:—

*Awarded the Distinguished Service Order.*

Lt. Charles Hubert Goring, M.C., R. Fus., attd. Motor M.G. Corps.

For conspicuous gallantry and devotion to duty during an attack on a motor convoy near the Wadi Sefrah on the 12th of May 1920, when about 150 of the enemy opened fire on the convoy at very close range. By the skilful use of his cars and his determination the convoy was able to get through. Subsequently he returned three times and recovered the loads and wounded off four vans that had been destroyed by enemy fire. He set a magnificent example to all.

*Awarded the Military Cross.*

Lt. Victor Douglas Arnold, 2/6th Jat Light Infy., I.A.

For gallantry and skilful leadership on the 14th of May 1920, when escorting a convoy between Fuhaimi and Haditha. It was

largely due to the action of this officer that the Arabs were so rapidly driven from their position. He displayed absolute fearlessness throughout and was a fine example to all ranks.

Subadar Devaraju, 80th Carnatic L.I., I.A.

For gallantry and devotion to duty on the 7th of May 1920, near Albu Kemal, when in charge of three small pickets. He was heavily attacked by vastly superior numbers, but maintained his position the whole day. His coolness and skilful leading were above all praise, and his determined resistance saved much Government property from being looted.

Lt. Harry Wood, Rif. Brig., attd. 15th B., L.A. Motor Cars.

For gallantry and skilful leading between Menjil and Resht, North Persia, on the 15th July 1920, when in command of a Section of armoured cars which was suddenly surprised by a superior force. By skilful manœuvring and prompt action he opened fire on the enemy with marked effect and remained in action until a second section of the battery arrived in support. He eventually drove the enemy into the jungle inflicting some thirty casualties. By his coolness he extricated his men and cars from a dangerous situation.

His Majesty the KING has been graciously pleased to approve of the undermentioned rewards in recognition of distinguished services in connection with military operations with the Army of the Black Sea :—

*Awarded the Distinguished Service Order.*

Maj. Alfred George Lyell, 2/39th Garhwal Rif., Ind. Army.

For consistent good work in the field as battalion commander in the recent operations against the Nationalist Forces, and in particular on the 21st June 1920, near Beglik Dag, when, his battalion coming under heavy fire from a concealed enemy, by skilful dispositions he inflicted considerable loss and caused them to retire. The efficient handling of his battalion on the 13th July 1920 also contributed largely to the success of the action at Gebze.

*Awarded the Military Cross.*

Lt. (T./Capt.) Henry Newbolt Lyster, 3rd Bn., Lond. R., attd. Intell. Corps.

For gallantry and devotion to duty on the 14th June 1920, during the Ismid operations against the Nationalist Forces when despatched under heavy rifle and machine-gun fire with a message to the Anti-Nationalists which he succeeded in delivering. His intelligence work throughout the operations were invaluable.

Lt. (A./Capt.) James Robert Kenneth Wallace, 1/95th Russell's Infy., Ind. Army.

For gallantry and devotion to duty when in command of a company at Sultan Chift on the 5th July 1920. Although his arm was shattered

at the outset he continued in command and led his men with great skill, and remained with his company till ordered to leave the line four hours later. His quick action and determination enabled a weak platoon to drive more than double its number out of two successive positions.

Provided also that where, in response to an application for a book properly made by an insured contributor, a book is issued by a Local Office direct to his employer, the requirements of sub-sections (1) and (3) of this Regulation shall be deemed to have been satisfied.

(4) The employer on obtaining the book shall become responsible for the custody of the book so long as the employment continues, or till the book is returned to the insured contributor or delivered to the Local Office in accordance with these Regulations.

(5) The person for the time being responsible for the custody of the book in accordance with these Regulations shall produce it for inspection at any reasonable time when required to do so by an Inspector appointed for the purposes of the Act and, if so required by the Inspector, shall deliver up the book to the Inspector who may, if he thinks fit, retain the book.

(2) The insured contributor on the termination of his employment shall apply to the employer for the return of his book, and on the book being returned to him, shall give to the employer, if he demands it, a receipt for the book.

(3) An employer shall comply with any directions which may be given by the Minister as to the return to an insured contributor of his book at any other time than on the termination of his employment.

(4) Subject to any directions of, or Regulations made by the Minister, the insured contributor to whom a book is returned under the foregoing provisions shall, if he is unemployed or if for any other reason contributions cease to be payable in respect of him under the general provisions of the Act, forthwith deliver the book to a Local Office, there to be retained till contributions again become or are about to become payable in respect of him under the general provisions of the Act.

(5) If for any reason the book is not returned to the insured contributor in accordance with Regulation 5 (1) on the termination of his employment or on contributions ceasing for any other reason to be payable in respect of him under the general provisions of the Act, the employer shall, as soon as may be, deliver the book to a Local Office provided that nothing in this sub-section shall relieve the employer of his obligation to comply with Regulation 5 (1).

*Disposal of Book on Death of Insured  
Contributor.*

6. On the death of an insured contributor the employer, if the book is then in the custody of the employer, or if the book is not then in the custody of the employer, the insured contributor's representative, whether legally so constituted or not, shall forthwith deliver the book to a Local Office.

*Miscellaneous Provisions as to Books.*

7.—(1) A book shall be issued without charge to a person properly applying for a book, and when issued shall remain the property of the Minister.

(2) A book shall be in such form as the Minister directs, and shall be current only during such period, not exceeding fifty-three weeks from the date of the issue thereof, as may be specified thereon, and shall within six days, or such longer time as the Minister in any special case allows, after the date on which it ceases to be current be returned by the person for the time being responsible in accordance with these Regulations for the custody of the book, to a Local Office, and a fresh book shall thereupon be issued without charge to the person so returning the book :

Provided that, where the book on the date on which it ceases to be current is in the custody of the employer, he shall, if the insured contributor so requires, instead of returning it to a Local Office, return it to the insured contributor who shall give to the employer, if he demands it, a receipt for the book, and shall himself exchange the book for a fresh book, at a Local Office and deliver the fresh book forthwith to the employer.

Provided also that, where the Minister so directs, a book may be exchanged for a fresh book at a time or in a manner other than that prescribed in this Regulation.

(3) If a book is destroyed, is lost, or is defaced in any material particular, the Minister may issue a new book in substitution for it and, if he thinks fit, may charge a sum not exceeding one shilling for the new book, such sum to be paid by the person for the time being responsible in accordance with these Regulations for the custody of the book so destroyed, lost or defaced as aforesaid, and such number of contributions as are shown to the satisfaction of the Minister to have been paid by the affixing or impressing of stamps to or upon the book so destroyed, lost, or defaced, may in the discretion of the Minister be credited to the insured contributor.

Save as aforesaid no charge shall be made by the Minister in connection with the issue, custody, delivery up, or exchange, or replacement of any book.

(4) Where a book is destroyed, lost or defaced and the number of the book cannot be supplied to the Minister, the Minister may decline to take any steps to trace the account with the Unemployment Fund of the person whose book has been so destroyed, lost or defaced.

(5) Where any book is lost the Minister, if he thinks fit, may pay out of the unemployment fund any sum not exceeding one shilling by way of reward to the person by whom the book is returned to the Local Office, and he may refuse to restore the book to the person responsible for its custody until that person has repaid to the Minister any sum which has been so paid by the Minister by way of reward and which he is liable to repay under subsection (2) of Section 28 of the Act.

(6) If any person refuses or fails to pay any sum for the payment of which he is liable under this Regulation, the Minister may, if he thinks fit, recover such sum by deduction from any benefit or other payment due or to become due to such person under the Act or the Regulations made thereunder.

#### *Emergency Books.*

8.—(1) If an employer at any time after the commencement of the Act satisfies the Minister that any person in respect of whom he is, or is

about to become, liable to pay contributions under the general provisions of the Act has not delivered or caused to be delivered to him an unemployment book in accordance with these Regulations, the employer may, on furnishing the name and occupation of such person to a Local Office, obtain an emergency book, and for the purpose of the provisions of these Regulations relating to the stamping of books and to deductions from wages in respect of stamps affixed by employers (but not for any other purpose) an emergency book shall be deemed to be an unemployment book within the meaning of these Regulations.

(2) An emergency book shall be in such form as the Minister directs and shall be current during such period, not exceeding six weeks from the date of the issue thereof, as may be specified thereon, and shall at the end of such period, or on the previous termination of the aforesaid person's employment, be returned by the employer to the Local Office from which it was issued.

Provided that if the aforesaid person before such date delivers or causes to be delivered to the employer an unemployment book in accordance with these Regulations, the employer shall deliver the emergency book to the aforesaid person in exchange for the unemployment book.

(3) Notwithstanding that contributions have been paid in respect of any such person by the affixing of stamps to an emergency book, he shall not be entitled to obtain unemployment benefit without first obtaining an unemployment book.

#### METHOD OF PAYMENT OF CONTRIBUTIONS.

##### *Stamping of Books, etc.*

9.—(1) Every contribution payable under the general provisions of the Act shall, except as otherwise provided in these Regulations, be paid by the affixing of a stamp to the book of the insured contributor in the space indicated for that purpose upon the book, and the value of the stamps so affixed shall be the following :—

(i) In the case of a man not under the age of eighteen, 8d.

(ii) In the case of a woman not under the age of eighteen, 6½d.

(iii) In the case of a boy under the age of eighteen, 4d.

(iv) In the case of a girl under the age of eighteen, 3½d.

(2) An employer who is liable to pay contributions in respect of any insured contributor shall pay those contributions at the following times in accordance with the following provisions, that is to say :—

(i) Where he pays to the insured contributor wages or other pecuniary remuneration in respect of the employment of such insured contributor he shall, before paying to the insured contributor the wages or remuneration in respect of the period for which contributions are payable, affix to the book of the insured contributor a stamp or stamps in payment of the contributions due in respect of that period.

(ii) Where he does not pay to the insured contributor wages or other pecuniary remuneration in respect of the employment, he shall, on the first day of employment in each calendar

week, affix to the book of the insured contributor a stamp in payment of the contribution in respect of that week.

(iii) In the case of a man of the Naval Reserves, or of the Army Reserve, or of the Air Force Reserve, or of the Territorial Force, who is for the time being by reason of subsection (2) of Section 40 of the Act deemed to be an employed person in the service of the Crown, the time for affixing stamps to the book of the employed person in payment of contributions due under the general provisions of the Act shall, where the period of currency of the book expires during any period of training be any time before the expiration of the period of currency, and where the period of currency does not so expire, be any time before the termination of the training.

(3) It shall be the duty of the employer, in addition to his obligation to comply with any other requirement of the Act or the Regulations thereunder in regard to the payment of contributions:—

(a) on the termination of the employment, whether or not any wages are then paid;

(b) within six days after the expiration of the period of currency of the book,

to affix to the book of the insured contributor a stamp or stamps in payment of all the weekly contributions due from him but still outstanding in respect of the period ending at the date of such termination or expiration.

(4) It shall further be the duty of the employer, on being so required by any duly appointed Officer of the Ministry of Labour, to affix to an arrears book a stamp or stamps in payment of all the weekly contributions due from him but still outstanding in respect of any insured contributor who is or has been in his employment, and to forward the arrears book, when stamped, to the person or address indicated thereon.

(5) Where the employer employs a substantial number of insured contributors regularly, he may deposit with the Minister a sum equal to the estimated amount of the contributions payable by him during a period of *twenty-seven* weeks, or such less period as may be agreed between him and the Minister, in respect of those insured contributors both on his own behalf and on behalf of those insured contributors.

On making such a deposit the obligation of the employer to stamp the books of those insured contributors on the occasions or at the intervals hereinbefore specified shall cease and in lieu thereof he shall be liable as follows:—

(i) In case the employment of any of those insured contributors terminates before the expiration of any period of twenty-seven weeks, or such less period as may be agreed, the employer shall be liable on such termination to stamp the book of the insured contributor whose employment so terminates; and

(ii) In the case of any insured contributor whose employment does not so terminate, the employer shall be liable either to stamp the book of that insured contributor at intervals of twenty-seven weeks, or such less period as may be agreed or, if the Minister so permits, to pay the contributions payable in respect of that insured contributor through the Minister at intervals of twenty-seven weeks, or such less

period as may be agreed, in such manner as the Minister may direct.

Where a deposit has been made under the foregoing provision, the employer, for the purpose of deducting from wages the amount of the insured contributor's contribution, shall be deemed to have duly affixed the necessary stamps to the book of the insured contributor at the several dates on which he would have been bound to affix them if no such deposit had been made.

If the Minister thinks fit, he may allow any sum which is to be deposited under the foregoing provisions to be paid to him at weekly or other intervals during the period for which the deposit is to be made instead of being paid to him in one sum at the commencement of the period.

(6) No stamp shall be affixed to or impressed upon a book otherwise than in respect of insurable employment, and any stamp affixed or impressed otherwise shall not be deemed to be a payment of a contribution except for the purpose of Section 28 (1) of the Act.

(7)—(i) An employer shall immediately after affixing any stamp to a book cancel the stamp by writing in ink, or stamping with a metallic die with black indelible ink or composition, across the face of the stamp the date upon which it is affixed and not otherwise but save as expressly provided in Regulations made under the Act or as directed by the Minister no other writing or mark shall be made at any time upon the book or stamp.

(ii) An employer may, if he thinks fit, inscribe upon the book of any insured contributor employed by him, but only in such manner as to be easily erased or removed, the number of that person upon the pay-list or in the books of the employer.

(8) No person shall affix to a book a stamp which has been cancelled or defaced.

#### EXCEPTIONAL CASES.

##### *Employment by Two or More Employers.*

10.—(1) Where any insured contributors are ordinarily employed by two or more employers in a week, the employers or any class or group of the employers of those persons may, if they think fit, submit to the Minister an arrangement for the payment of contributions under the Act in respect of those persons.

(2) Where the Minister is satisfied that any arrangement so submitted to him is such as to secure the due payment of the contributions payable under the Act in respect of every insured contributor to whom the arrangement applies for every week during any part of which he is employed by any employer who is a party to the arrangement, he may, if he thinks fit, approve the arrangement.

(3) Any such arrangement may make such modifications in these Regulations as may be necessary to give effect to the terms of the arrangement.

(4) Where an arrangement has been approved by the Minister the parties to the arrangement who have employed any insured contributors to whom the arrangement applies in the course of a week shall in respect of that week be deemed jointly to be the employer of that insured contributor for the purposes of the provisions of the Act relating to the payment of contributions.

*Employment as Agent by Two or More Employers.*

11. In the case of an insured contributor employed as an agent by two or more employers and paid by commission or fees or a share of the profits, or partly in one and partly in another of those ways, the employer in the employment on which the insured contributor is mainly dependent for his livelihood shall be deemed to be the employer of the insured contributor for the purposes of the provisions of the Act relating to the payment of contributions.

*First Employer during Week.*

12. Where an insured contributor is employed by two or more employers in any week and no one of these employers is the first person employing him in that week within the meaning of the Act, then unless the case is one for which other provision is expressly made by these Regulations, that one of the employers who first makes a money payment to the insured contributor in respect of his employment in that week shall be deemed to be the employer of that insured contributor for the purpose of the provisions of the Act relating to the payment of contributions.

Provided that in Scotland the employer for the purpose aforesaid shall be deemed to be that one of the employers for whom the insured contributor first renders services in that week and, if no services are rendered during that week by the insured contributor for any of the employers, that one of the employers who first makes a money payment to the insured contributor in respect of his employment in that week.

*Agreement by Grouped Employers.*

13.—(1) Notwithstanding anything in these Regulations, where any one insured contributor is ordinarily employed by more than one employer in the week, the employers of that insured contributor may enter into an agreement for the payment of contributions in respect of that insured contributor in such form as the Minister may approve, and where any such agreement is entered into between any such employers the following provisions shall have effect:—

(a) Where in any week the insured contributor in respect of whom the agreement is made is, before any contribution has been paid in respect of him for that week, employed by an employer who is not a party to the agreement, that employer shall, for the purposes of the provisions of the Act relating to the payment of contributions, be deemed to be the employer of that insured contributor for that week;

(b) If in any week a contribution is payable by the employers who are parties to the agreement or by any of them, that contribution shall in the first such week be paid by that one of the parties to the agreement employing the insured contributor during that week whose signature to the agreement appears first in order, and in any subsequent week by that one of the parties to the agreement employing the insured contributor during that week whose signature to the agreement is next in succession to that of the person who paid the last weekly contribution payable by the parties to the agreement

and for this purpose the signatures of the parties shall be read in rotation, the first signature being deemed to be next in succession to the last and the signature of any person who does not employ the insured contributor during that week being disregarded;

(c) The employer whose duty it is to pay the contribution for any week shall be deemed to be the employer of the insured contributor for the purpose of the provisions of the Act relating to the payment of contributions;

(d) Any one of the parties to the agreement may immediately after paying a contribution, but not at any other time, strike out his signature to the agreement, and write his initials with the date opposite his signature, and upon doing so he shall cease to be a party to the agreement, and the insured contributor may, upon ceasing to be employed by any person who is a party to the agreement strike out from the agreement the signature of that person, and on so doing shall write his own initials with the date opposite the signature so struck out;

(e) If at any time any other person employing or about to employ the insured contributor desires to become a party to the agreement, he may, subject as hereinafter provided, affix his signature, with the date at the end of the signatures appended to the agreement, and this Regulation shall henceforth apply to him in like manner as if he had been an original party to the agreement.

Provided that where a contribution would be payable in any week in respect of the insured contributor by any such other person if that person did not become a party to the agreement, that person shall not be entitled to affix his signature as aforesaid unless and until he pays the contribution so payable.

(2) Employers desiring to enter into an agreement for the purposes of this Regulation shall enter their names and addresses in a book to be issued for the purpose by the Minister, and every such book shall be signed in each week by the employer paying the contribution in respect of that week.

(3) Upon the termination of the period specified in any such book, the agreement shall cease to be binding on the employers, and any person having possession of the book shall forthwith return it to the Minister.

*Insured Contributors Employed by One Person for purpose of Business of Another.*

14. Where an insured contributor works under the general control and management of some person who is not his immediate employer, that person (in this Regulation referred to as the substantial employer) shall be deemed to be the employer for the purpose of the provisions of the Act and Regulations thereunder relating to the payment of contributions if he would be so deemed under the Regulations made in that behalf under the National Health Insurance Acts, 1911 to 1920, and the aforesaid provisions of the Act and Regulations shall in that case be construed, and have effect as if the substantial employer were the immediate employer of the insured contributor.

Provided that the substantial employer may deduct from any payments due from him to the

immediate employer any sums paid by him as contributions on behalf of the insured contributor and the immediate employer may deduct from the insured contributor's wages, or from any other payments due from him to the insured contributor, any sums which the substantial employer would be entitled to deduct were he the immediate employer.

## MISCELLANEOUS.

*Persons employed by same Employer partly as Employed Persons and partly in an Excepted Occupation.*

15. Where during any period an insured contributor has been employed by one employer partly in an occupation, employment in which makes him an employed person, and partly in some other occupation, and contributions have by arrangement between the employer and the insured contributor been paid as if he were wholly engaged in the first-mentioned occupation, those contributions shall be deemed to have been duly paid under the general provisions of the Act.

*Fractions of Contributions to be Disregarded in Certain Circumstances.*

16. On any occasion on which the number of contributions paid in respect of an insured contributor is recorded, any fraction of a contribution, whether arising by reason of the affixing of stamps of the wrong kind or of the wrong denomination to an Unemployment Book or otherwise, may be disregarded.

*Unemployment Books not to be Assigned, etc.*

17. No person shall assign or charge, or agree to assign or charge any book, and any sale, transfer or assignment of, or any charge on, any book shall be void and of no effect, and no person shall deface or destroy a book, or alter or amend any of the figures or particulars (other than his address) therein contained.

Signed by Order of the Minister of Labour this twenty-sixth day of October 1920.

Secretary of the Ministry of Labour.

3. The identification number of each station will be followed by three groups of five figures represented symbolically by :

BBBDD FwwTT  $\beta$ bbHV.

where BBB = Barometer in millibars and tenths (initial 9 or 10 omitted).

DD = Wind direction at surface on the scale 0-32 (08 = E, 16 = S, 20 = S.W., etc.).

F = Wind force on Beaufort Scale.

ww = Present weather (*see* code 1).

TT = Temperature in degrees Fahrenheit.

$\beta$  = Characteristic of barometric tendency (*see* code 2).

bb = Amount of barometric tendency in half millibars (50 added for negative tendency).

H = Humidity (*see* code 3).

V = Surface visibility (*see* code 4).

A hyphen - (morse signal - . . . -) will be used in the place of any missing figure.

4. In the case of stations marked \* a fourth group will be added, when possible, as follows:—

2 DDVV.

where DD = Direction of wind at 2,000 ft. on the scale 0-72. Actual direction in degrees from North is obtained by multiplying code figures by 5.

VV = Speed of wind at 2,000 ft. in miles per hour.

5. The necessary codes are attached. The fog scale is that given in Annex G of the Convention for International Air Navigation.

6. *General Inferences* in plain language, based upon observations at 0700 and 1800 G.M.T. will be issued by Air Ministry Wireless Station at—

0915 G.M.T.

2000 G.M.T.

\*Paragraph 1 of Notice to Airmen, No. 94 of 1920, is amended by Notice to Airmen, No. 110 of 1920.

7. The following is an example of such an inference :—

“Pressure has again become high over Iceland, and a deep depression over the Skagerrak region is increasing in intensity. The resultant North-Westerly to Northerly wind current over the British Isles will maintain rather cold weather, with local showers and variable skies during the next day or two.”

8. Notice to Airmen, No. 58, of 31st May 1920, is hereby cancelled.

By Command of the Air Council,

W. F. NICHOLSON.

AIR MINISTRY NOTICE TO AIRMEN.

No. 107 of the year 1920.

ROYAL NAVY WIRELESS DIRECTION FINDING STATIONS.

It is hereby notified :

1. Aircraft may use the Wireless Direction Finding Stations operated by the Royal Navy, under the conditions laid down for the use of these stations by the Mercantile Marine, in Admiralty "Notice to Mariners," No. 524, of 25th March 1920.

The following stations are established in the United Kingdom :

Station.	Wave Length.	Call Sign.	Lat. N.	Long. W.
Amlwch (a) ... ..	450 metres	B X V	53 24	4 18
Berwick ... ..		B V G	55 42	1 54
Carnsore ... ..		B V Z	52 12	6 21
Flamborough ... ..		B V N	54 07	0 05
Larne ... ..		B X J	54 51	5 48
Lizard ... ..		B V Y	49 59	5 12
Peterhead ... ..		B V L	57 34	1 49
Rhyl (a) ... ..		B Z W	53 18	3 29
Seaview (b) (Malin Head) ...	600 metres	B X K	55 22	7 19

Note—

(a) Rhyl is not fitted with transmitting apparatus, and is controlled by Amlwch.

(b) Seaview has no transmitting apparatus, and is controlled by Malin Head (GMH), which keeps watch on 600 metres.

2. The actual procedure to be adopted by aircraft requiring bearings will depend upon what stations are concerned. It should be observed that if the stations to be called do not all keep watch on the same wave (e.g., Malin Head and Larne), bearings should be asked for separately. If, on the other hand, the stations to be called all keep watch on the same wave (e.g., Lizard and Carnsore), they shall be called up together, and the bearings taken in one operation. If, however, two or more stations are linked by special land lines (e.g., Amlwch and

Rhyl) only one of them should be called up. In such cases, however, the aircraft must specify in the preliminary signal the D.F. stations which are required to supply bearings.

3. The following abbreviations are to be used:—

Signal.	Meaning.
QTE? ...	"What is my true bearing from you (or from —)?"
QTE ...	"Your true bearing from me (or from —) was — degree."

4. The aircraft calls the station or stations on the appropriate wave, making "QTE?" in conjunction, if necessary, with the call signals of the stations from which bearings are required; and also (if the call is NOT made on 450 metres) by the figures "450," signifying that the aircraft will shift to 450 metres for the taking of the bearing. The aircraft then awaits instructions.

*Example 1.*

An aircraft whose call signal is XYZ requires bearings from Amlwch (BXV) and Rhyl (BZW).

The aircraft, having first shifted to 450 metres, calls Amlwch thus:—

CT BXV BXV de XYZ QTE BXV BZW?

The aircraft then awaits instructions.

*Example 2.*

The aircraft requires a bearing from Seaview (BXX). The aircraft has to use 600 metres to call Malin Head (GMH).

The aircraft calls on 600 metres, thus:—

CT GMH GMH de XYZ QTE BXX? 450.

The aircraft then gets ready to shift to 450 metres and awaits instructions.

5. The station or stations called then make the necessary arrangements, and, when ready, answer in alphabetical order of their call signals (if more than one was originally called), and make "K" (go on), preceded by "450" if 450 had been made in the original call.

*Example 1.*

Amlwch, in Example 1 above, warns Rhyl by land line, and, when both are ready, makes on 450 metres:—

CT XYZ de BXV K.

*Example 2.*

Malin Head, in Example 2 above, warns Seaview by land line and then makes on 600 metres:—

CT XYZ de GMH 450 K.

Malin Head then shifts to 450 metres, so as to be ready to give the result when received by wire from Seaview.

6. On receiving "K," the aircraft, having shifted transmitting wave to 450 metres (if not already done), then makes her own call signal for 45 seconds, and awaits the result.

*Example 1.*

The aircraft, in Example 1, para. 4, makes on 450 metres:—

CT BXV de XYZ XYZ XYZ, &c. (for 45 seconds) XYZ.

*Example 2.*

The same as Example 1, reading GMH for BXV.

7. The station or stations then reply (in alphabetical order if more than one) either asking the aircraft to repeat (?) or giving the result. The result is given by the signal QTE,

followed, as necessary, by the call signal and by a group of three figures (000 to 359) indicating the true bearing from 0° to 359° of the aircraft from the station. Several bearings can be combined into one message, each bearing immediately following the call signal of the station which took it. The time of handing in is always expressed in Greenwich mean time for all messages giving bearings to aircraft.

*Example 1.*

Rhyl, in Example 1 above, is not satisfied with the bearing and informs Amlwch. Amlwch makes on 450 metres:—

CT XYZ de BXV?

The aircraft at once complies by making on 450 metres:—

CT XYZ de XYZ XYZ XYZ, &c. (for 45 seconds) XYZ.

Rhyl is then satisfied that the bearing is 340° and informs Amlwch, while Amlwch finds that its own result is 37° Amlwch therefore makes on 450 metres:—

CT XYZ XYZ de BXV 1 9.45 M (time) =  
QTE BZW 340 BXV 037 + BXV.

*Example 2.*

Seaview, in Example 2 above, gets a satisfactory bearing of 329° and informs Malin Head. The latter makes on 450 metres:—

CT XYZ XYZ de GMH 2 10.46 S. (time) =  
QTE BXX 329+GMH.

*Example 3.*

Had the aircraft merely asked Lizard (BVY) for a bearing, Lizard, finding it to be 246°, would make on 450 metres:—

CT XYZ XYZ de BVY 1 7.6 M (time) =  
QTE 246 + BVY.

8. The aircraft, on receiving the result, acknowledges receipt in the ordinary way, and makes the "end of work" sign. This sign is then repeated by the stations concerned. It is important that the "end of work" sign should not be omitted, since it not only indicates that the operation is finished, but it also shows that all concerned are about to resume watch on their normal wave.

9. Further information on this subject is contained in Admiralty "Notices to Mariners," Nos. 363 of the 25th February 1920; 524 of 25th March 1920, and 838 of the 22nd May 1920, which should be consulted.

10. The Admiralty "Notices" may be obtained from the Admiralty Agent, J. D. Potter, 145 Minories, London, E. 1.

ORDER OF THE MINISTER OF AGRICULTURE AND FISHERIES.

(DATED 27TH OCTOBER 1920.)

GLANDERS OR FARCY ORDER OF 1920.

The Minister of Agriculture and Fisheries, by virtue and in exercise of the powers vested in him under the Diseases of Animals Acts, 1894 to 1914, and of every other power enabling him in this behalf, hereby orders as follows :—

*Definition of "Disease," "Diseased" "Suspected."*

1.—(1) For the purposes of this Order disease means glanders, and includes that form of glanders which is commonly known as farcy.

(2) A diseased horse, ass, or mule means for the purposes of this Order a horse, ass, or mule in which the clinical symptoms are definite evidence of disease, or in which the application of the mallein test has resulted in definite evidence of disease.

(3) An animal shall be deemed to be "suspected" if it shows clinical symptoms of disease, but such symptoms are insufficient to make the animal a diseased animal within the definition in this Article.

*Notice of Disease.*

2.—(1) Every person having or having had in his possession or under his charge any diseased or suspected horse, ass, or mule shall with all practicable speed give notice of the fact of the horse, ass, or mule being or having been so diseased or suspected, either to an Inspector of the Local Authority or to a constable of the police force for the police area wherein the diseased or suspected horse, ass, or mule is or was.

(2) Every person licensed to slaughter horses who has in his possession a carcase of any diseased or suspected horse, ass, or mule shall with all practicable speed give notice of that fact, either to an Inspector of the Local Authority or to a constable of the police force for the police area wherein the carcase is.

(3) A constable receiving a notice shall forthwith give information of the receipt by him of the notice to an Inspector of the Local Authority.

(4) An Inspector of the Local Authority who receives information of the existence or suspected existence of disease shall forthwith report the fact to the Local Authority, and also to the Medical Officer of Health of the Sanitary District in which the animal died or was slaughtered, or in which the carcase was at the time of the notice.

(5) Where the notice of disease relates to a carcase of an animal that has died or been slaughtered in the District of a Local Authority other than the Local Authority which receives the notice, the latter shall forthwith inform the other Local Authority of the receipt of the notice.

*Notification of Disease by Veterinary Surgeons.*

3.—(1) A veterinary surgeon or veterinary practitioner who in his private practice is employed to examine any horse, ass, or mule, or the carcase of any horse, ass, or mule, and is of opinion that the horse, ass, or mule, is diseased, or was diseased when it died or was slaughtered, or suspects the existence of disease therein, shall with all practicable speed, give notice of the existence or suspected existence of disease to an Inspector of the Local Authority, who shall forthwith report the same to the Local Authority and also to the Medical Officer of Health of the Sanitary District in which the animal died or was slaughtered, or in which the carcase was at the time of the notice.

(2) A veterinary surgeon or veterinary practitioner who under and in accordance with this Order gives notice of the existence or suspected existence of disease to an Inspector of the Local Authority shall be entitled to receive from the Local Authority a fee of two shillings and sixpence for each notification.

(3) Where two or more animals or carcasses are examined by a veterinary surgeon or veterinary practitioner on the same premises and at the same time, and are found to be diseased or are

suspected of being diseased, one fee only shall be payable to him in respect of the notification of the existence or suspected existence of disease in such animals or carcasses.

*Duty of Inspector to act immediately.*

4. An Inspector of a Local Authority on receiving in any manner whatsoever information of the supposed existence of disease, or having reasonable ground to suspect the existence of disease, shall proceed with all practicable speed to the place where the disease, according to the information received by him, exists, or is suspected to exist, and shall there and elsewhere put in force and discharge the powers and duties conferred and imposed on him as Inspector by or under the Act of 1894, and this Order.

*Veterinary Inquiry by Local Authority as to existence of Glanders or Farcy.*

5.—(1) A Local Authority on receiving information of the existence, or suspected existence, of disease shall forthwith cause inquiry to be instituted as to the correctness of such information with the assistance and advice of a Veterinary Inspector, or of a veterinary practitioner qualified according to the Act of 1894 to be a Veterinary Inspector.

(2) The owner and occupier of any premises on which there is a horse, ass, or mule affected with, or suspected of, disease, or the carcase of any such animal shall give all reasonable facilities for the inquiry by the Local Authority under this Article, and any person failing to give such facilities shall be deemed guilty of an offence against the Act of 1894.

*Report by Veterinary Inspector of Local Authority to Ministry.*

6. Where it appears that glanders exists or has recently existed on any premises the Veterinary Inspector of the Local Authority shall furnish to the Local Authority, and also to the Ministry, a report in such form as the Ministry may require.

*Public Warning as to Existence of Disease.*

7.—(1) The Local Authority may, if they think fit, give public warning by placards, advertisement, or otherwise, of the existence of disease in any stable, building, field, or other place, with or without any particular description thereof, as they think fit, and may continue to do so during the existence of the disease, and, in case of a stable, building, or other like place, until the same has been cleansed and disinfected.

(2) It shall not be lawful for any person (without authority or excuse) to remove or deface any such placard.

*Slaughter of Diseased Animals.*

8. A Local Authority shall with all practicable speed cause to be slaughtered any horse, ass, or mule which is diseased.

*Detention and Treatment of Animals in Contact with Disease or Suspected of Disease.*

9.—(1) The provisions of this Article shall apply to any horse, ass, or mule which is suspected, or which is or has been in contact, or in the same stud, stable, building, field, or other

place, with a horse, ass, or mule which was then diseased.

(2) The Local Authority may cause a Notice (in the Form A set forth in the First Schedule to this Order or to the like effect) to be served on the owner or person in charge of any animal to which this Article applies, requiring the detention of the animal in the stable, building, field, or other place, where the animal is at the date of the service of the Notice, either unconditionally or subject to such conditions with a view to identification and the prevention of contact with other animals as may be prescribed in the Notice; and after the service of such Notice it shall be unlawful to move any animal to which it relates in contravention of the terms of such Notice.

(3) The Local Authority shall cause a Notice under this Article to be served in relation to any suspected horse, ass, or mule, and to every horse, ass, or mule to which this Article applies which in their opinion has been exposed to the risk of contagion.

(4) The Local Authority may (with the written consent of the owner of the animal) apply the mallein test to any animal detained under this Article at such intervals and as often as may be considered by a Veterinary Inspector of the Local Authority to be reasonably necessary to satisfy him that the animal is, or is not, diseased. The Local Authority shall apply the first test to any such animal as soon as practicable after being so requested by the owner. The application of the test shall be made by a Veterinary Inspector of the Local Authority.

(5) (i) Where the application of the test or tests by the Local Authority results in definite evidence of disease in an animal, it shall be slaughtered by the Local Authority with all practicable speed.

(ii) Where the Veterinary Inspector is satisfied from the results of the applications of the test that an animal is not diseased, the Notice served under this Article shall forthwith be withdrawn in manner herein-after provided.

(iii) The result of an application of a test shall forthwith be communicated in writing by the Veterinary Inspector to the owner or person in charge of the animal tested.

(6) Subject to the provisions of this Article a Notice hereunder may at any time be withdrawn by the Local Authority by service on the owner or person in charge of the animal of a Notice in the Form B set forth in the First Schedule hereto or to the like effect.

(7) An Inspector shall with all practicable speed send copies of any Notice served by him under this Article to the Local Authority, and to the police officer in charge of the nearest police station of the District.

*Appeal to Minister of Agriculture and Fisheries against Order for Slaughter.*

10. If the owner of any horse, ass or mule gives notice in writing to the Local Authority or to their Inspector or other officer that he objects to the horse, ass or mule being slaughtered under the provisions of this Order, it shall not be lawful for the Local Authority to cause that horse, ass or mule to be slaughtered except with the special authority of the Minister first obtained.

*Post-mortem Examination of Slaughtered Animals.*

11.—(1) In the case of every animal slaughtered under this Order, in which at the time of slaughter the clinical symptoms are not definite evidence of disease, the carcass shall as soon as practicable be examined by a Veterinary Inspector of the Local Authority. Notice of intention to make such an examination shall be given to the owner of the animal, who shall be entitled to be present at the examination in person or by a representative, who, if the owner thinks fit, may be a veterinary surgeon.

(2) The Veterinary Inspector shall at the conclusion of his examination give to the owner of the animal or his representative at the examination a statement of the result of the examination in the Form C set forth in the First Schedule hereto or to the like effect.

(3) Where the owner of the animal or his representative is a veterinary surgeon, and in his opinion the decision of the Veterinary Inspector is incorrect, he may at or immediately after the examination require that the question as to the existence of disease shall be submitted to the Chief Veterinary Officer of the Ministry, and in such case the Veterinary Inspector shall forthwith send to the Laboratory of the Ministry of Agriculture and Fisheries, New Haw, Weybridge, Surrey, all the materials necessary to enable the Chief Veterinary Officer to consider the question, together with a copy of the statement of the Veterinary Inspector of the result of the examination.

(4) A statement of the result of the examination signed by the Veterinary Inspector or where there is a reference to the Chief Veterinary Officer of the Ministry, then a statement in the Form C set forth in the First Schedule hereto or to the like effect signed by or on behalf of the Chief Veterinary Officer, shall for the purpose of this Order be conclusive evidence as to the result of the examination.

*Compensation for Slaughter.*

12.—(1) Where the veterinary examination under the preceding Article does not show that the animal was affected with glanders, the Local Authority shall out of the local rate pay as compensation for the animal the full value of the animal immediately before it received the mallein test, but the sum paid shall not exceed one hundred pounds for any horse or twenty-four pounds for any ass or mule.

(2) Where the veterinary examination shows that the animal was affected with glanders the Local Authority shall out of the local rate pay as compensation for the animal one-half of the value of the animal immediately before it received the mallein test, but the sum paid shall not exceed thirty pounds for any horse or eight pounds for any ass or mule, unless the owner of the animal satisfies the Local Authority by conclusive evidence that the animal whilst in his possession, and within twelve months before the date when notice of disease was given under Article 2 of this Order, had been tested with mallein, and had not reacted to the test. In such a case the compensation payable under this paragraph shall not exceed fifty pounds for any horse or twelve pounds for any ass or mule.

(3) In the case of every animal slaughtered under this Order in which at the time of slaughter

the clinical symptoms are definite evidence of disease, the Local Authority shall out of the local rate pay as compensation for the animal such sum as the Local Authority think expedient, being a minimum of three pounds in the case of a horse and of fifteen shillings in the case of an ass or mule, provided that in no case shall the amount of compensation, if above the said minimum, exceed one-fourth of the value of the animal immediately before it became diseased.

(4) The value of an animal for the purpose of compensation shall, in cases of dispute, be determined in manner provided by the Animals (Transit and General) Order of 1912.

*Regulations as to Marking Diseased and Suspected Animals.*

13. A Local Authority may make such Regulations as they think fit for prescribing and regulating the marking of diseased or suspected horses, asses or mules.

*Regulations of Local Authority as to Cleansing and Disinfection.*

14.—(1) A Local Authority shall make such Regulations as they think fit for the following purposes, or any of them:—

- (i) for providing for the cleansing and disinfection of places used by, and of utensils, harness, nosebags, mangers, feeding-troughs, pens, hurdles or other things used for or about any diseased horse, ass or mule;
- (ii) for providing for the cleansing and disinfection of vans or carts or other vehicles used for carrying any diseased horse, ass or mule on land, otherwise than on a railway;
