SECTION II.—The Piece-Work Basis Time-Rates set out in Parts I., II., and III. above are applicable to the workers specified therein as follows, that is to say, that where a worker is employed upon Piece-Work, each Piece-Rate paid must be such as would yield, in the circumstances of the case, to an ordinary worker not less than the Piece-Work Basis Time-Rate applicable. In determining whether any Piece-Rate satisfies this condition, regard must be had only to the earnings of ordinary workers, *i.e.*, workers of ordinary skill and experience in the class of work in question, and not to the earnings of workers of less than ordinary skill and experience, *e.g.*, learners and infirm workers.
