In conformity with the provisions of the Statute 56 and 57 Victoria, Chapter 66, notice is hereby given that the Secretary of State for India in Council proposes, with the advice and assistance of the Civil Service Commissioners, at the expiration of 40 days from the date of this Gazette, to make the following regulations for the examination of candidates for the Indian Civil Service under Section 97 (1) and (2) of the Government of India Act:—

EXAMINATIONS FOR THE INDIAN CIVIL SERVICE.
REGULATIONS.

1. An examination for admission to the Indian Civil Service, open to all qualified persons, will be held in London in July and August of each year for such number of appointments to that Service as the Secretary of State may on each occasion determine. The date of the examination will be announced beforehand by the Civil Service Commissioners.

2. Save as hereinafter provided a candidate must be a British subject. If the candidate (being a British subject) or his father or his mother was not born within His Majesty's Dominions and allegiance then at the time of his birth his father must have been a British subject or the subject of a State in India and such father must be or must have continued to be until his death a British subject or the subject of such State in India. Provided that a ruler or subject of any State in India in respect of whom the Governor-General in Council has made a declaration under Section 96 A of the Government of India Act, 1915, as amended by Section 3 of the Government of India (Amendment) Act, 1916, may be considered eligible.

3. A candidate must have attained the age of twenty-one, and must not have attained the age of twenty-four on the first day of August of the year in which the examination is held, or must be in a position to claim such a concession under the provisions of the Appendix to these Regulations as will render him eligible.

4. A candidate who is a native of India must obtain a certificate of age and qualification under Regulations 2 and 3 issued under Notification of the Government of India, No. 1114, dated 12th September 1918, and signed, should he be a resident in British India, by the Secre-

tary to Government of the Province, or the Commissioner of the Division within which his family resides, or, should he reside in a Native State, by the highest Political Officer accredited to the State in which his family resides.

5. A candidate must be free from disease, constitutional affection, or bodily infirmity, unfitting him, or likely to unfit him, for the Indian Civil Service.

6. A candidate must be of good moral character.

7. No person will be eligible for admission to the Indian Civil Service who has made before any Tribunal established under the Military Service Acts, 1916, an application for the issue to him of a certificate of exemption from the provisions of those Acts on the ground of a conscientious objection to the undertaking of combatant service.

8. No person who, in a previous year, accepted the offer of a nomination as a Selected Candidate for the Indian Civil Service, and subsequently resigned his position as a Selected Candidate, will be admitted to the examination.

9. Should the evidence upon the above points be *prima facie* satisfactory to the Civil Service Commissioners, the candidate, on payment of the prescribed fee, will be admitted to the examination. The Commissioners may, however, in their discretion, at any time prior to the grant of the Certificate of Qualification hereinafter referred to, institute such further inquiries as they may deem necessary; and if the result of such inquiries in the case of any candidate should be unsatisfactory to them in any of the above respects he will be ineligible for admission to the Indian Civil Service, and, if already selected, will be removed from the position of a Probationer.

ONE-YEAR AND TWO-YEAR PROBATIONERS.

23. The principal vernaculars prescribed and the optional classical languages allowed for the various provinces are as follows:—

24. Candidates who at the Final Examination in riding satisfy the Commissioners that they are sufficiently at home in the saddle for the efficient performance of all the duties of the Indian Civil Service will be awarded marks ranging between 101 and 200 according to the degree of proficiency displayed.

Candidates who fall short of this adequate proficiency but show such minimum proficiency as is evidence that with a moderate amount of practice they can attain full proficiency will receive marks ranging between 1 and 100; they will be allowed to proceed to India, and will on their arrival there be subjected to such further tests in riding as may be prescribed by their Government, and shall receive no increase to their initial salary until they have passed such tests to the satisfaction of that Government.

A Candidate who fails at the end of the period of probation to satisfy the Civil Service Commissioners that he has reached the minimum standard of proficiency in riding will be liable to have his name removed from the list of Selected Candidates.

Selected candidates will also be examined in riding at such time or times as the Commissioners may appoint during the course of the probationary period.

26. The Civil Service Commissioners will prepare lists of the Candidates in order of merit; the order for the one-year probationers being based on the sum of the marks obtained by the Candidates at the Open Competitive and Final Examinations, the order for the two-year probationers being based on the sum of the marks obtained by the Candidates at the Intermediate and Final Examinations.

27. The Selected Candidates whose performance in the compulsory subjects of the prescribed examinations, namely, the Final Examination for one-year men and the Intermediate and Final Examinations for two-year men, is such as to satisfy the Civil Service Commissioners, and who have also satisfied the Commissioners of their eligibility in respect of nationality, age, health, character, and conduct during the period of probation, shall be certified by the Commissioners to be entitled to be appointed to the Indian Civil Service provided they shall comply with the regulations in force, at the time, for that Service.

If any Candidate is prevented by sickness or any other adequate cause from attending the Final Examination, the Commissioners may, with the concurrence of the Secretary of State for India in Council, allow him to appear at the Final Examination to be held in the following year, or at a special examination.

A two-year probationer absent for such adequate cause from the Intermediate Examination may under similar conditions be allowed to appear at the Intermediate Examination a year later, or at a special examination, or may be excused the Intermediate Examination and allowed to appear for the Final Examination in regular course.

28. Persons desirous to be admitted as Candidates must apply on Forms, which may be obtained from "The Secretary, Civil Service Commission, 6 Burlington Gardens, London, W.1," at any time after the 1st December in the year previous to that in which the Examination is to be held. No person will be admitted to the Examination from whom the Secretary to the Civil Service Commissioners has not received, on or before the 1st June (or, if that date should fall on a Sunday or public holiday, then, on or before the first day thereafter on which their office is open), in the year in which the Examination is to be held, an application, in the handwriting of the Candidate, on the prescribed form.

APPENDIX.

1. Any person who has joined since the 4th August 1914, the Army or Navy, or Royal Marines or the Royal Air Force, or has rendered since that date actual military service in the Special Reserve or Territorial Force, Royal Naval Reserve or Royal Naval Volunteer Reserve, may, if eligible in point of age under the Regulations as they now stand for admission to the open competitive examination held in 1920, but over age in 1921, deduct from his actual age at the time of the open competitive examination held in 1921:—

(a) The actual period of such service, if it has not exceeded three months.

(b) One year, if the actual period of service has exceeded three months. No candidate will be allowed to deduct more than one year from his actual age.

2. The same concession may also be granted to those who have been employed during the same period in connection with the armed forces of the Crown at home or abroad giving their whole time and under obligation to serve for the duration of the war or until their discharge, or for any period not terminable at their own option, provided that their employment be not on ordinary commercial terms, such as that of Assistant Paymasters, Clerks, Artisans and the like.

3. The grant of the concession described in paragraph (2) will be at the discretion of the Civil Service Commissioners, whose decision in each case will be final. Candidates who contemplate applying for an age deduction under (2) will do well to apply to the Civil Service Commission for a ruling on their case.

4. Candidates to be eligible for the concessions in (1) or (2) must furnish an official certificate of the period and satisfactory character of their service, and if any doubt arise whether the service of any candidate is of the kind contemplated, the Secretary of State for India in Council reserves to the Civil Service Commissioners the right to decide the case upon its merits.

It is intended that the above Regulations shall apply to Candidates at the Open Competitive Examination to be held in the United Kingdom in the year 1922.
