FRIDAY, FEBRUARY 10, 1922.

At the Court at Buckingham Palace, the 6th day of February 1922.

PRESENT,

The KING's Most Excellent Majesty in Council.

THIS day the Right Honourable Reginald Baliol, Viscount Esher, G.C.B., G.C.V.O., James Fitzalan Hope, Esquire, M.P., and Sir Ernest Murray Pollock, K.B.E., K.C., M.P., were, by His Majesty's command, sworn of His Majesty's Most Honourable Privy Council, and took their places at the Board accordingly.

ALMERIC FITZROY.

At the Court at Buckingham Palace, the 6th day of February 1922.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 20th day of December 1921 (No. 17, N.P. (4) 1649/21), in the words following, viz. :—

“Whereas by Section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is enacted, *inter alia*, that all pay, pensions or other allowances in the nature thereof payable in respect of services in Your Majesty's Naval

or Marine Force to a person being, or having been, an officer, seaman or marine therein, shall be paid in such manner, and subject to such restrictions, conditions, and provisions as are, from time to time, directed by Order in Council:

“And whereas by Section 2, Sub-section (1), of the Ministry of Pensions Act, 1916, it was enacted, *inter alia*, that the powers and duties of the Admiralty with respect to pensions and grants to persons who have served as men, other than service pensions, so far as such pensions and grants are payable out of moneys provided by Parliament, and not provided exclusively for the purpose of Greenwich Hospital, should be transferred to the Minister of Pensions:

“And whereas under Section 1 of the War Pensions Act, 1920, it is enacted that the powers and duties transferred from the Admiralty to the Minister of Pensions by the Ministry of Pensions Act, 1916, shall, except in so far as those powers and duties relate to pensions or grants to which the War Pensions Acts, as amended by the War Pensions Act, 1920, apply, or to pensions or grants awarded in respect of wounds, disabilities or other matters suffered, incurred, or happening in any war which occurred before the fourth day of August 1914, be re-transferred to the Admiralty as from the thirtieth day after the date fixed under the Termination of the Present War (Definition) Act, 1918, as the date of the termination of the present war:

“And whereas Your Majesty by Your Order in Council, dated the tenth day of August 1921, has fixed the 31st day of August 1921, at mid-

night, as the date of the termination of the present war:

"And whereas we have had under our consideration the scales of pensions and gratuities allowable, under Articles 1206, 1208, 1931 and 1932 of the King's Regulations and Admiralty Instructions, to petty and non-commissioned officers, seamen, marines and boys who, consequent on wounds, hurts, or disability, are invalided from Your Majesty's Naval Service, and are of opinion that, owing to the altered economic conditions arising from the war, and for other reasons, the scales should be substantially increased:

"And whereas we are further of opinion that invalided petty officers, non-commissioned officers and men of Your Majesty's Royal Navy and Royal Marines should be pensioned on the same scales, and that a minimum period of fourteen years' pensionable service should be required of all future entrants as a qualification for the award of a life pension when the invaliding is due to causes which cannot be attributed to the conditions of service:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased, by Your Order in Council, to authorise us to award, at our discretion, to such men as may be invalided out of the Service on or after the first day of October 1921, for causes which do not bring them within the scope of the War Pensions Acts, or as may be discharged after that date with a wound or injury, pensions and gratuities at the rates and subject to the conditions specified in the Schedules annexed hereto.

"We further beg leave to recommend that we may be empowered to apply the improved scales of pensions, at our discretion, to those pre-war disability pensioners who have served during the war, and have not again been invalided, or who, being under the age of 55 on the outbreak of hostilities and, therefore, liable for service, were exempted from mobilisation for the purpose of continuing in their civilian employment under the Government. Their present pensions to be re-assessed accordingly as from 1st April 1919, on the basis of their total naval service, subject to the provisos that mobilised service shall not confer eligibility for a life pension on men otherwise ineligible, and that men who were originally invalided for wounds or injuries attributable to the Service, but not due to, or arising out of former wars, shall be required to undergo medical examination for the purpose of determining the present degree of disablement.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in these proposals.

" SCHEDULE I.

" SCALES OF PENSIONS AND GRATUITIES ALLOWABLE WHEN THE CAUSE OF INVALIDING IS ATTRIBUTABLE TO THE SERVICE.

" Compensation to be based on length of service and degree of disablement, and, when a pension is admissible, to include the usual additions for rank, good conduct badges and medal.

" SERVICE ELEMENT.

" (a) *Pensions*—

Over 10 years' service, 1s. a day for life.

Over 14 years' service, 1s. 6d. a day for life.

Over 16 years' service, 1s. 9d. a day for life.

Over 18 years' service, 2s. a day for life.

Over 20 years' service, 2s. 6d. a day for life.

" If qualified for the award of a long service pension, 1½d. a day for each complete year of pensionable service.

" The 'over 10 years' rate to be restricted to continuous service ratings who entered under regulations which conferred a claim to a life pension, if invalided, after that period of service on the continuous service system. All men and boys entering the Naval Service on or after the first day of October 1921, whether entered for continuous service or otherwise, to be required to show a minimum period of 14 years' pensionable service in order to qualify for a life pension in respect of services.

" (b) *Gratuities*.—Men discharged with less than the qualifying period of service required for the award of a life pension to be eligible for the grant of a gratuity not exceeding £2 for each completed year of pensionable service.

" DISABLEMENT ELEMENT.

" (a) *Pensions*.—Where the degree of disablement is assessed at 20 per cent. and upwards, pensions may be awarded either temporarily or permanently according to the circumstances of the case, on the basis of a maximum scale of 32s. 6d. a week for total disablement (100 per cent.), lower degrees of disablement carrying proportionately reduced rates.

" (b) *Gratuities*.—If the degree of disablement be assessed at less than 20 per cent., a gratuity appropriate to the degree of disability, but not exceeding a maximum of £100, may be awarded at our discretion. Gratuities may also be granted at our discretion in respect of slight permanent injury due to the Service, for which a Hurt Certificate was granted, when discharge is totally unconnected with the injury, and the pension or gratuity awarded is based on length of service only. The cases of men who have been awarded pensions as from a date subsequent to 31st March 1919, to be reviewed as necessary, subject to medical survey to determine the present degree of disablement.

" RANK ELEMENT.

" This element to comprise the allowance for petty time as laid down in Articles 1938, Clause 1, and 1931, Clause 1, of the King's Regulations and Admiralty Instructions, and the usual additions for good conduct badges and medal as allowed under the Long Service Scale.

" METHOD OF COMBINING THE SERVICE, DISABLEMENT AND RANK ELEMENTS.

" Men eligible for pensions in respect of both the Service and Disablement elements to be granted the larger amount in full, and one-half of the other; the total so arrived at to be increased by the addition of the Rank Element.

" Men eligible for a pension in respect of the Service Element and for a gratuity on the ground of Disablement, or *vice versa*, to have their pensions assessed on the appropriate Service or Disablement scales, plus the Rank Element, and to receive payment in full, in

addition to the Disablement or Service gratuity appropriate to their case.

“Men eligible for gratuities only in respect of both the Service and the Disablement Elements to receive payment in full.

“ SCHEDULE II.

“ SCALE OF PENSIONS AND GRATUITIES ALLOWABLE WHEN THE CAUSE OF INVALIDING IS NOT ATTRIBUTABLE TO THE SERVICE.

“ Compensation to be based on length of service and, when a pension is admissible, to include the usual allowances for rank, good conduct badges and medal.

“(a) Pensions—

Over 14 years' service, 1s. 6d. a day for life.

Over 16 years' service, 1s. 9d. a day for life.

Over 18 years' service, 2s. a day for life.

Over 20 years' service, 2s. 6d. a day for life.

“ If qualified for the award of a Long Service Pension, 1½d. a day for each complete year of pensionable service.

“ The usual additions to be made for good conduct badges and medals as allowed under the Long Service Scale and for petty time as laid down in Articles 1938, Clause 1, and 1932, Clause 4, of the King's Regulations and Admiralty Instructions.

“ The ‘over 10 years’ rate to be restricted to Continuous Service ratings who entered the Royal Navy under Regulations which conferred a claim to a life pension, if invalided, after that period of service on the Continuous Service system. All men and boys entering the Naval Service on or after the first day of October 1921 to be required to render a minimum period of 14 years' pensionable service in order to qualify for a life pension.

“(b) *Gratuities*.—Men discharged with less than the qualifying period of service required for the award of a life pension to be eligible for the grant of a gratuity of £2, plus an additional 10s. for each ten degrees of disability in excess of 20 per cent. in respect of each completed year of service.

“ SCHEDULE III.

“ MISCELLANEOUS REGULATIONS.

“(1) The foregoing scales to be applicable to the persons referred to in Articles 1196 and 1931, Clause 1, of the King's Regulations and Admiralty Instructions, with the exception of those excluded, as regards non-attributable disabilities, by Article 356; always provided that the wound or injury or disability is not due to negligence or misconduct on the part of the man, or to his want of proper care. In the latter cases, pension or gratuity may be withheld at Admiralty discretion, or awarded at such reduced rate as may be thought fit.

“(2) These scales to be subject to reduction at the discretion of the Admiralty in the event of the cost of living falling considerably below its present level. Such reduction, if made, will apply to all pensions which are being drawn at the date of reduction, as well as to future grants.

“(3) If any person, on being invalided from the Service, is suffering from two separate and distinct disabilities, and is eligible in respect of

one of them for a grant under Ministry of Pensions Regulations, and in respect of the other for a grant under these Regulations, only one grant will be made in respect of both.

“ This grant will be assessed partly under Ministry of Pensions Regulations and partly under these Regulations, according to the proportion which the percentage of each disability, respectively, bears to the sum of the two percentages added together; the assessment under these Regulations being so regulated, however, as to ensure that the total grant made shall not be more than the person would receive if the two disabilities were dealt with as one combined disability under Ministry of Pensions Regulations, nor less than he would receive if they were so dealt with under these Regulations.

“(4) No compensation in respect of disability shall be payable under these Regulations to any person discharged after the 30th September 1921, except in respect of the sickness, wound or injury for which he is invalided, unless suffering from a wound or injury due to the Service, which is recorded on any Hurt Certificate that may have been granted. In the latter case, and provided that discharge was not due to the man's own request, and that the wound or injury was not occasioned by the late war or former wars, compensation may on discharge, but not later, be granted at the disablement element rate that would have been appropriate had he been invalided for such disability on date of discharge, but only in respect of the degree of disability persisting at that date.

“(5) Where a seaman or marine is injured in such circumstances that a pension, allowance, or grant is payable to or in respect of him under these Regulations, and where he receives compensation from or on behalf of the person alleged to be responsible for the act or omission which caused the injury, any such compensation may be taken into consideration in assessing any pension, allowance, or grant which might be awarded to or in respect of the man; and where the compensation is received after assessment, it may be taken into consideration and the assessment may be amended or cancelled accordingly.

“(6) The applicability of the foregoing scales to members of the Royal Fleet Reserve (Class B), the Royal Naval Reserve, and the Royal Naval Auxiliary Sick Berth Reserve to be reserved pending further consideration, notwithstanding any provision in existing Regulations to the contrary.”

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.
