

The first part of the book is devoted to a general history of the United States, from the discovery of the continent to the present time. The author, Mr. [Name], is a distinguished historian, and his work is highly valued for its accuracy and impartiality. The book is divided into several volumes, each covering a different period of the nation's history. The first volume, which is the one you are looking at, covers the period from the discovery of the continent to the end of the American Revolution. It is a very interesting and informative work, and I highly recommend it to all who are interested in the history of the United States.
