PART IV.

DEFINITION OF "WEEK."

SECTION I.

- (a) In the case of classes of whole-time workers employed by the week or longer period, whose customary working week consists of a number of hours less than 48 but not less than 44, "a week" means a week of the number of hours customarily worked by the class in question;
- (b) In all other cases "a week" means a week of 48 hours.

SECTION II.

For the purpose of calculating the hourly rate applicable in respect of each hour of employment the rates set out in Parts I. and III. of this Schedule must be divided:—

- (a) In the case of the workers referred to in Section I. (a) of this Part by the number of hours per week customarily worked by the class in question;
- (b) In all other cases by 48.

SECTION III.

Payment at not less than the hourly rate calculated as described in Section II. of this Part must be made for *all* hours of employment whether in excess of the customary working week or not, except for those hours in respect of which a higher rate is payable under the overtime provisions specified in Part VI. below.
