TUESDAY, NOVEMBER 10, 1925.

At the Court at Buckingham Palace, the 4th day of November 1925.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 12th day of October 1925, in the words following, viz. :—

“Whereas by Section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is enacted *inter alia* that all pay, pensions or other allowances in the nature thereof payable in respect of services in Your Majesty's Naval or Marine Force to a person being or having been an Officer, Seaman or Marine therein shall be paid in such manner and subject to such restrictions, conditions and provisions as are from time to time directed by Order in Council :

“And whereas by Order in Council of the 11th October 1921, payment of allowances to Telegraphist ratings of Your Majesty's Navy employed as Aerial Gunners and Assistant Observers was approved :

“And whereas we consider that the title ‘Aerial Gunner and Assistant Observer’ incompletely describes the duties of these ratings, since their duties as assistants to the naval observer are confined to the sending and receiving of W/T Signals and messages and the operation of the W/T apparatus in the aircraft, and in no other respects are they qualified to replace or understudy the naval observer :

“We beg leave humbly to recommend that Your Majesty may be graciously pleased, by Your Order in Council, to sanction the alteration in title from ‘Aerial Gunner and Assistant Observer’ to ‘Telegraphist Aerial Gunner’.”

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

M. P. A. HANKEY.

"And whereas Your Majesty was graciously pleased, by Your Order in Council bearing date the 13th day of August 1920, to sanction the payment of salaries at the rate of £200 a year to Naval Medical Officers employed on Your Majesty's Naval Recruiting Staff other than at Belfast:

"And whereas we are of opinion that these salaries should be increased:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased, by Your Order in Council, to sanction the following proposals:—

"(1) Retired Naval Medical Officers employed as Final Medical Examining Officers on the Naval Recruiting Staff other than at Belfast to receive salaries at the rate of £300 a year in addition to retired pay;

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in these proposals."

TRADE BOARDS.

PAPER BOX TRADE.

THE TRADE BOARDS (PAPER BOX)
ORDER, 1925.

SPECIAL ORDER DATED 9TH NOVEMBER 1925, MADE IN PURSUANCE OF SECTIONS 1 AND 2 OF THE TRADE BOARDS ACT, 1918 (8 AND 9 GEO. 5, C. 32), ALTERING THE DESCRIPTION OF THE PAPER BOX TRADE CONTAINED IN PARAGRAPH 2 OF THE SCHEDULE TO THE TRADE BOARDS ACT, 1909.

Whereas it is provided by Sub-section 4 of Section 1 of the Trade Boards Act, 1918, that, if the Minister of Labour is of the opinion that it is desirable to alter or amend the description of any of the trades specified in the Schedule to the Trade Boards Act, 1909, he may make a

Special Order altering or amending the said Schedule accordingly;

And whereas the Minister is of opinion that it is desirable to alter the description of the trade specified in paragraph 2 of the said Schedule, that is to say:—

The making of boxes or parts thereof made wholly or partially of paper, cardboard, chip or similar material;

Now, therefore, the Minister of Labour in pursuance of the powers in him vested as before cited does hereby make a Special Order that from and after the fourteenth day of December 1925, the following provisions shall have effect, that is to say:—

ARTICLE I.—The description of the trade specified in the said paragraph 2 of the said Schedule as set out above shall be altered by the substitution therefor of the description set out in the Appendix to this Order.

ARTICLE II.—This Order may be cited as the Trade Boards (Paper Box) Order, 1925.

Given under the Official Seal of the Minister of Labour this ninth day of November 1925.

L. S.

T. W. PHILLIPS,
Deputy Secretary, Ministry of Labour.

APPENDIX.

THE PAPER BOX TRADE.

1. Subject to the provisions of this Schedule, the making by any method of all types of plain and fancy boxes or containers from paper, chip, cardboard, pulp board, or other similar box-boards shall constitute the Paper Box Trade, and all operations of making such articles or parts thereof from such materials shall, wherever carried on, be deemed to be operations of the Paper Box Trade.

2. Where the main business carried on in an establishment, branch, or department, is any of the work specified in paragraph 1 above, the making of any article made wholly or partially from the materials referred to in paragraph 1, and the making of part of any such article, in the course of any business of such establishment, branch, or department by workers who are interchangeably engaged upon such making and any of the work specified in paragraph 1 above, shall be deemed to be operations of the Paper Box Trade.

3. For the purpose of this Schedule, the making of jewel, manicure, cutlery, plate or similar cases and box files, shall be deemed to be operations of the Paper Box Trade when these articles are made:—

- (a) wholly or mainly of the materials specified in paragraph 1, and
- (b) in an establishment or branch in which the main business is the making of them from the specified materials or in which they are made from these materials in association with any of the operations specified in paragraph 1 above.

4. All operations ancillary to the making hereinbefore mentioned (including the making of adhesive material and such operations as warehousing, packing and despatching), and the making or preparation of raw material when such operations are done or such raw material is made or prepared in an establishment, branch

or department in which the main business is the making hereinbefore mentioned shall be deemed to be operations of the Paper Box Trade.

5. For the purposes of this Schedule, the making of the articles specified in paragraph 1 above from the materials therein specified shall be deemed to include the making of such articles when made mainly of such materials.

6. Notwithstanding anything in this Schedule, the following operations shall not be operations of the Paper Box Trade as herein defined.

- (a) Printing and gold-blocking, clerical work, canvassing, running outside errands, cleaning of premises, transporting by vans, carts and lorries, tending and overhauling of machinery and stoking.
- (b) The making of match-boxes or of parts thereof on the premises of an establishment in which the main business carried on is the making of matches.
- (c) The making of suit, attaché, and similar cases, to which the material covering the case has been affixed before the bending into shape takes place.
- (d) Operations included in the Trade Boards (Paper Bag) Order, 1919, or the Trade Boards (Toy) Order, 1920, or any amendment or variation thereof.
- (e) The making of metal parts of boxes when performed in an establishment mainly engaged in work included in the Trade Boards (Hollow-ware) Order, 1913, or the Trade Boards (Stamped or Pressed Metal-wares) Order, 1924, or any amendments or variations thereof.

INSTRUCTIONAL CIRCULAR TO ACCOMPANY THE TRADE BOARDS (PAPER BOX) ORDER, 1925.

1. It has been represented to the Minister of Labour that it might prove of assistance to employers and workers and others concerned in the application of the Trade Boards Acts, 1909-1918, if, in suitable cases, when he makes an Order applying the Acts to a trade for the first time or when he makes an Order varying the existing description of a trade contained in an Order made under the said Acts, some information were given by a departmental Instructional Circular as to his understanding of the scope of the Order.

2. An authoritative interpretation of the Trade Boards Acts and/or Orders made thereunder can be given only by the Courts of Law and with this in mind and on the understanding that any views which he may express provisionally as to the inclusion within, or exclusion from the scope of the Acts and/or Orders made thereunder of any trade, process, operation, article, or of any class of worker are given on the information at the time in his possession and are subject to revision in the light of further information, the Minister makes the observations which follow in paragraph 3 below for the guidance of all concerned in the application of the Trade Boards (Paper Box) Order, 1925.

3. The Order of 1925 amplifies the description of the Paper Box Trade contained in the Schedule to the Trade Boards Act, 1909,* and

* The description of the trade contained in the Schedule to the Trade Boards Act, 1909, is as follows:—“The making of boxes or parts thereof made wholly or partially of paper, cardboard, chip or similar material.”

the following explanation (which must not be taken as exhaustive) is given of the terms employed in the new definition.

4. Paragraph (1).

(a) Articles.

The first paragraph of the definition is framed in the most general terms so far as the articles envisaged are concerned, namely, "All types of plain and fancy boxes or containers." It has been found impracticable to enumerate the many types of boxes or containers which are regarded as falling within the scope of the Board. Folding boxes or cartons, conical or cylindrical containers, pressed or moulded boxes, certain kinds of suit and attaché cases and jewel cases, if constructed wholly or mainly of the prescribed materials are, for example, all within the general classification adopted in the definition. As now framed, paragraph (1) has the effect not only of comprising such articles as those mentioned, but also permits of the inclusion of articles of any design which, with the development of the Paper Box trade, should properly be included within the scope of the Board.

(b) Materials

With a view to removing doubts it has been thought desirable to enlarge the previous description of the materials referred to in the old definition. The words now used seek to cover the broad classification of the types of materials which ordinarily are or may be in use in the Paper Box Trade. On the other hand, such types of board as are ordinarily not worked by the machinery found in paper box establishments are not meant to be included in the enumeration of the prescribed materials.

B. Paragraph (2).

Paragraph 2 of the definition is intended to deal with the case of an establishment, branch or department mainly engaged in the making of any of the articles specified in Paragraph 1 of the definition, in which other articles (or parts) are also made of the scheduled materials by workers who are interchangeably engaged in the making of both kinds of articles.

C. Paragraph (3).

Under the old definition of the Paper Box trade, some difficulty has arisen in determining the position of jewel, manicure, cutlery, plate or similar cases and box files, these being articles which are made both in the Paper Box and in other trades. If such articles are made wholly or mainly of the materials specified in paragraph (1) of the definition either in an establishment specialising in their production or in an establishment which is mainly engaged in the production of plain or fancy boxes or containers of the kind described in paragraph (1), the manufacture of these jewel cases, &c., is brought under the Paper Box Board.

D. Paragraph (4).

Paragraph 4 relates to ancillary operations of paper box making. Subject always to the specific exclusion of the definition, operations ancillary to the work specified in paragraphs 1, 2 and 3, are within the scope of the present Order. Under paragraph 4 of the definition would be included such operations as (a) the making or preparation by the box maker of the raw materials used by him in the course of his business, (b) the storing or warehousing of the materials used for manufacture and of the articles manufactured, and (c) the packing and

despatching of these articles. Examples (b) and (c) of ancillary work have not hitherto been regarded as within the scope of the Board.

It is not intended, however, that Paragraph (4) should bring within the scope of the Order (a) filling ("packing") of boxes with any commodity other than boxes; (b) warehousing operations performed upon boxes after they have been so filled, or upon the commodities used in filling the boxes.

E. Paragraph (5).

Paragraph 5 refers to boxes and containers made partly of materials not specified in the definition. Its effect is to bring under the Board such articles when mainly made of the materials specified in Paragraph 1 of the definition, e.g. paper boxes covered with printed fabrics.

F. Paragraph (6).

Paragraph 6.—Certain exclusions of processes and articles are enumerated in this paragraph. It will be noted that the exclusion of the making of match boxes or of parts thereof (clause (b)) is subject to two conditions (i) that the making takes place in an establishment in which the main business carried on is the making of matches, and (ii) that the boxes or parts thereof are made *on the premises* of such establishments.

Paragraph (d) contains an exclusion in favour of the making of suit, attaché, and similar cases by methods which so far as concerns the manufacture of these articles are understood to appertain to the leather goods trade rather than to paper box manufacture.

Paragraphs (d) and (e) are exclusions for the purposes of avoiding overlaps in operations of manufacture covered by other Trade Boards.
